## MAINTENANCE

---

Proper care will extend the life and appearance of your IDIMEX Dudy Montessori Bed.

- **Cleaning:** For general cleaning, wipe the bed frame with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the wood finish.
- **Dusting:** Regularly dust the bed with a dry, soft cloth to prevent dust buildup.
- **Inspection:** Periodically inspect all screws, bolts, and connections to ensure they remain tight. Re-tighten any loose fasteners to maintain the bed's structural integrity and safety.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the wood to fade or dry out. Position the bed away from direct sunlight or use curtains to protect it.
- **Humidity Control:** Maintain a stable humidity level in the room to prevent wood from expanding or contracting, which can lead to cracks or warping.
