4.3 Using Side Pockets

Each armrest is equipped with a built-in storage pocket for convenient access to small items.

- Use these pockets to store remote controls, mobile devices, books, or magazines.
- Avoid placing sharp or heavy objects in the pockets to prevent damage or tearing.

5. MAINTENANCE

5.1 Fabric Care (Velvet)

The sofa is upholstered in 500GSM high-quality velvet fabric, known for its softness and durability.

- **Regular Cleaning:** Vacuum regularly using a soft brush attachment to remove dust and loose debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain and damage the velvet pile. For stubborn stains, use a mild, water-free solvent or dry-cleaning product. Test on an inconspicuous area first.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading.

- **Pet-Friendly:** While designed to be pet-friendly, regular grooming of pets and prompt cleaning of pet hair is recommended to maintain appearance.

5.2 General Care

- **Frame:** Wipe the frame and legs with a soft, damp cloth. Dry immediately.
- **Moving the Sofa:** When moving the sofa, lift it rather than dragging it to prevent damage to the legs and frame.
