## Garvee MTH\_33CU

# Garvee 9-Drawer Dresser Instruction Manual

Model: MTH\_33CU

## INTRODUCTION

---

Thank you for purchasing the Garvee 9-Drawer Dresser. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

## SAFETY INFORMATION

---

To prevent injury and damage to the product, please adhere to the following safety guidelines:

- Always assemble the dresser on a soft, clean surface to prevent scratches.
- Ensure all parts are present and undamaged before assembly. Do not use damaged parts.
- Do not overtighten screws during assembly, as this may damage the material.
- Always use the included anti-toppling protection kit to secure the dresser to a wall. This is crucial for preventing tip-over accidents, especially in households with children or pets.
- Do not allow children to climb on or play with the dresser.
- Distribute weight evenly across drawers and the top surface.

## Anti-tipping Device, Prevent Accidental Event

### PACKAGE CONTENTS

Your Garvee 9-Drawer Dresser package includes all necessary components for assembly. A detailed parts list and hardware pack are provided within the product packaging. Please verify all items against the list before proceeding.

### SETUP AND ASSEMBLY

Assembly is required for this product. Follow the step-by-step instructions provided in your product packaging. Ensure you have adequate space and the necessary tools (usually a screwdriver and hammer, not always included) before starting.

#### General Assembly Steps:

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a soft, clean surface. Refer to the parts list in your manual to identify each piece.
2. **Assemble the Main Frame:** Connect the side panels, back panel, and base using the provided hardware. Ensure all connections are secure.

3. **Install Drawer Glides:** Attach the drawer glides to the interior of the dresser frame according to the instructions.
4. **Assemble Drawers:** Construct each of the nine drawers, attaching the bottom panels and front panels. Install the golden metal handles.
5. **Insert Drawers:** Carefully slide the assembled drawers into their respective glides within the dresser frame.
6. **Attach Anti-Toppling Kit:** Securely fasten the anti-toppling device to the back of the dresser and to a wall stud using the provided hardware. This step is critical for safety.

## OPERATING INSTRUCTIONS

The Garvee 9-Drawer Dresser is designed for organized storage in various rooms.

### Using the Drawers:

- Open and close drawers gently using the golden metal handles.
- Avoid forcing drawers open or shut.
- Do not overload drawers. Each drawer supports up to 30 pounds.
- Distribute items evenly within each drawer to prevent strain on the glides.

## Top Surface Usage:

- The reinforced countertop can support up to 330 pounds.
- Place decorative items, lamps, or a television on the top surface.
- Avoid placing hot items directly on the surface without protection.

## MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your Garvee dresser.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Spills:** Clean spills immediately to prevent staining or damage to the engineered wood.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading.
- **Humidity:** Maintain a stable humidity level in the room to prevent warping or cracking of the wood.
- **Hardware:** Periodically check and tighten all hardware connections to ensure stability.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Drawers do not slide smoothly.	Misaligned glides, loose screws, overloaded drawer.	Check glide alignment and tighten screws. Reduce drawer contents.
Dresser feels wobbly.	Loose assembly hardware, uneven floor.	Tighten all assembly screws. Place shims under the base if the floor is uneven. Ensure anti-toppling kit is installed.
Missing parts during assembly.	Packaging error.	Contact Garvee customer service with your product model and a list of missing parts.
