Garvee 7-Drawer Dresser Instruction Manual

Model: bgV-zb7FfWVXhZwRsj-9JqbaON-u

Introduction

Thank you for choosing the Garvee 7-Drawer Dresser. This modern wooden storage chest of drawers, finished in Walnut, is designed to provide functional and stylish storage for your home. It features cylindrical legs, metal handles, and includes anti-tip safety hardware for enhanced stability. This manual provides essential information for assembly, safe use, and maintenance to ensure the longevity of your product.

Safety Information

Your safety is paramount. Please read and follow all safety instructions carefully.

- **Anti-Tip Safety:** This dresser is built with a reinforced frame and includes anti-tip hardware. It is crucial to securely mount the dresser to a wall using the provided anti-tip kit to prevent accidental tipping, especially in households with children or pets.
- **Weight Distribution:** The four cylindrical legs are designed to distribute weight evenly. Avoid placing excessively heavy items on one side of the dresser or in a single drawer to maintain stability. The maximum weight capacity for the top surface is 150 lbs.
- **Assembly:** Ensure all parts are correctly assembled and fasteners are tightened according to the assembly instructions. Loose connections can compromise stability.
- **Placement:** Place the dresser on a level surface to prevent wobbling and ensure proper drawer function.

Product Overview

Key Features:

- **Stylish Design & Cylindrical Legs:** Features elegant cylindrical legs for superior support and stability, complemented by sleek metal handles.
- **Thickened Durable & Waterproof Top:** The dresser top is designed with a waterproof, easy-clean surface that resists spills and daily stains.
- **Smooth & Quiet Ball-Bearing Slides:** Each drawer is equipped with premium steel ball-bearing slides for effortless and quiet operation.
- **Ample Storage:** Seven deep drawers provide organized storage for various items.

Dimensions:

- Overall Dimensions (D x W x H): 15.55 inches x 53.15 inches x 32.68 inches
- Maximum Weight Capacity (Top Surface): 150 lbs

Setup and Assembly

The Garvee 7-Drawer Dresser requires assembly. It typically ships in two separate boxes, which may arrive on different days. Please ensure you have received all packages before beginning assembly.

Before You Begin:

1. **Unpack Carefully:** Lay out all components on a soft, clean surface to prevent scratches.
2. **Identify Parts:** Refer to the included assembly instructions and hardware list to identify all pieces. Contact customer support immediately if any parts are missing or damaged.
3. **Tools Required:** Basic household tools such as a screwdriver (Phillips head recommended) and possibly a rubber mallet may be needed. A power drill can expedite the process but use with caution to avoid overtightening.

4. **Time Estimate:** Assembly typically takes 3-4 hours for one person. Having a second person to assist can significantly reduce assembly time.

Assembly Steps:

Follow the detailed step-by-step instructions provided in the separate assembly manual included with your product. Pay close attention to diagrams and ensure all fasteners are tightened securely but do not overtighten.

Operating Instructions

Using the Drawers:

The drawers are designed with premium steel ball-bearing slides for smooth and quiet operation. To open, gently pull the metal handle. To close, push the drawer firmly until it is fully seated. Avoid forcing drawers open or closed if they encounter resistance.

Utilizing the Top Surface:

The spacious top surface provides ample space for daily essentials, decorative items, or as a media console. Ensure items placed on top do not exceed the 150 lbs weight limit and are distributed evenly.

Maintenance

Proper care will help maintain the appearance and functionality of your Garvee dresser for years to come.

- **Cleaning the Surface:** The thickened top surface is waterproof and easy to clean. Simply wipe spills and stains with a damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **General Cleaning:** For the rest of the dresser, use a soft, dry cloth to dust regularly. For deeper cleaning, a slightly damp cloth followed by a dry cloth can be used.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration of the wood finish.
- **Check Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

Troubleshooting

Common Issues and Solutions:

- **Drawers Not Aligning or Sliding Smoothly:**
  - Ensure the dresser is placed on a level surface. Uneven flooring can cause misalignment.
  - Recheck the assembly of the drawer slides and the drawer boxes themselves. Sometimes a slight error during assembly can cause issues. Refer to the specific steps in your assembly manual.
  - Verify that all screws securing the drawer slides to the dresser frame and the drawer boxes are tightened.
- **Missing or Damaged Parts:** If you discover any missing or damaged components during unpacking or assembly, please contact Garvee customer support immediately for assistance.
