BALODY Flowers' Whisper BL16368

Balody Mini Garden Series Flowers' Whisper BL16368 Micro Block Building Toy Set Instruction Manual

INTRODUCTION

The Balody Mini Garden Series Flowers' Whisper BL16368 Micro Block Building Toy Set is designed to inspire creativity and imagination. This set features 588 micro blocks to construct a detailed garden scene, suitable for children aged 6 years and older. The design includes a two-level structure with yellow and black bees, various flowers on the upper section, and a brown house structure with additional flower decorations on the lower section. The entire assembly is protected by a transparent dome placed on a black base. This building set helps develop motor skills, problem-solving abilities, and concentration through the assembly of small parts, while also introducing themes of nature and gardens.

SAFETY INFORMATION

This product contains small parts which may pose a choking hazard. It is not suitable for children under 3 years of age. Adult supervision is recommended during assembly and play for all ages. The product is manufactured from ABS plastic, which complies with European Union safety regulations and has undergone necessary chemical tests. Its non-toxic composition and durable structure ensure safe play for children.

ASSEMBLY INSTRUCTIONS

Assembly of the Balody Mini Garden Series Flowers' Whisper BL16368 requires careful attention to detail due to the small size of the micro blocks. Please follow the step-by-step visual instructions provided in the included manual within the product box. It is recommended to sort the blocks by color and shape before starting to facilitate the building process.

- Unpack:** Carefully remove all contents from the product box.
- Organize:** Sort the micro blocks into groups to easily locate specific pieces during assembly.
- Follow Manual:** Refer to the detailed, illustrated instruction booklet provided in the package. Each step will guide you through connecting the blocks to form the base, the house, the flowers, the bees, and finally, placing the transparent dome.
- Connect Blocks:** Ensure each block is firmly connected to the next to create a stable structure.
- Final Placement:** Once the garden scene is complete, place it securely on the black base and cover it with the transparent dome.

Take your time during assembly to ensure all pieces are correctly placed. The process is designed to be engaging and rewarding.

OPERATING AND PLAY

Once assembled, the Balody Mini Garden Series Flowers' Whisper BL16368 serves as a decorative display piece and a tool for imaginative play. Children can engage with the garden scene, creating stories and scenarios involving the bees and flowers. The transparent dome protects the intricate details while allowing for clear viewing.

- Display:** Place the assembled model on a flat, stable surface as a decorative item.
- Imaginative Play:** Encourage children to interact with the garden theme, fostering creativity and storytelling.
- Educational Value:** Discuss the elements of a garden, the role of bees, and different types of flowers.

MAINTENANCE

To ensure the longevity and appearance of your Balody Micro Block Set, follow these simple maintenance guidelines:

- Cleaning:** Gently wipe the assembled model and individual blocks with a soft, slightly damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- Storage:** Store the set in a cool, dry place away from direct sunlight and extreme temperatures to prevent discoloration or deformation of the plastic blocks.
- Handling:** Handle the assembled model with care to prevent accidental disassembly of small parts.

TROUBLESHOOTING

If you encounter any issues during assembly or use, refer to the following common solutions:

- Missing Pieces:** Double-check all packaging materials and the assembly area. If a piece is genuinely missing, please contact customer support with your product details.
- Blocks Not Connecting:** Ensure the blocks are correctly oriented and aligned. Apply gentle, even pressure to connect them. Avoid forcing blocks, as this may cause damage.
- Structure Instability:** Review previous assembly steps to ensure all connections are firm and correct. Small blocks require precise placement for stability.

SPECIFICATIONS
