2. SAFETY INFORMATION

Please read and understand all safety instructions before assembling or using this product. Failure to follow these instructions may result in injury or damage to the product.

- **Assembly:** Ensure all parts are correctly assembled and tightened according to the instructions. Do not use power tools for assembly unless specified, as this may overtighten or damage components.
- **Placement:** Place the kitchen island on a stable, level surface to prevent tipping. Avoid placing it near open flames or heat sources that could damage the materials.
- **Weight Capacity:** Do not exceed the recommended weight limits for shelves and countertops. Distribute weight evenly.
- **Children and Pets:** Keep children and pets away from the assembly area. Do not allow children to climb on or play with the kitchen island.
- **Water Connection:** When connecting the sink, ensure all hoses and connections are secure to prevent leaks. Disconnect water supply when not in use or during freezing temperatures.
- **Cleaning:** Use only mild cleaning agents as recommended in the maintenance section. Avoid abrasive cleaners that

could damage the finish.

5.3 Mobility

The smooth-rolling wheels and push handle allow for easy repositioning of the entire setup or individual units, making it adaptable for various outdoor spaces and events.

6. MAINTENANCE

Proper maintenance ensures the longevity and appearance of your LEVELEVE Outdoor Kitchen Island.

6.1 Cleaning

- **Surfaces:** Wipe down aluminum surfaces and wood accents with a soft cloth and mild soap and water solution. Avoid abrasive cleaners or harsh chemicals that can damage the finish.
- **Sink:** The rust-proof stainless steel sink can be cleaned with standard stainless steel cleaners or a mixture of baking soda and water. Rinse thoroughly after cleaning.
- **Spills:** Clean spills immediately to prevent staining, especially on countertops.

WHY CHOOSE US?

OTHERS	VS	OURS
 Hard to Clean, Stains Remain Even After Repeated Wiping		 Easy to Clean One wipe, spotless finish
 Not Waterproof, Leaks in Rain, Gets Soaked When Splashed		 Waterproof Shielded against rain & spills
 Rust-Prone, Only for Short-Term Indoor Use, Easily Damaged		 Rust-Proof Built to last outdoors year-round

Image 6.2: The rust-proof stainless steel sink is designed for quick and easy cleanup.

6.2 Weather Protection

- The aluminum frame is weather-resistant, but prolonged exposure to extreme weather conditions may affect its appearance over time.
- Consider using a protective cover during harsh weather or extended periods of non-use to maintain its condition.
- During winter months or freezing temperatures, ensure the sink and drainage system are completely drained to prevent damage from ice expansion.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your outdoor kitchen island.

- **Missing or Damaged Parts:** If you find any parts missing or damaged upon delivery, please contact customer support immediately with your purchase details. The outdoor kitchen ships in 3 separate boxes, so ensure all boxes have arrived.
- **Stability Issues:** Ensure the kitchen island is placed on a flat, level surface. Recheck all assembly connections to

ensure they are securely tightened.

- **Sink Leaks:** Verify all faucet and drain connections are properly sealed and tightened. Check for any cracks or damage in hoses or pipes.
- **Difficulty Moving:** Ensure the wheels are free of debris and can rotate smoothly. If the unit feels heavy, consider moving individual modules separately if your configuration allows.
