Boytond S30i

Boytond Ultra Open Ear Earbuds S30i User Manual

Model: S30i

INTRODUCTION

Welcome to the Boytond Ultra Open Ear Earbuds S30i user manual. These earbuds are designed to provide a comfortable and immersive audio experience while keeping you aware of your surroundings. Featuring a lightweight, clip-on design and advanced Bluetooth 5.3 connectivity, the S30i earbuds are suitable for various activities, from daily commutes to intense workouts.

This manual provides detailed instructions on how to set up, operate, maintain, and troubleshoot your earbuds to ensure optimal performance and longevity.

2. Initial Charging

For first-time use, fully charge the earbuds and charging case. Connect the provided USB-C cable to the charging case and a power source. The LED indicator on the case will show the charging status. A full charge provides up to 10 hours of playtime for the earbuds and an additional 40 hours with the charging case.

- **Quick Charge:** 5 minutes of charging provides approximately 1 hour of playback.

3. Pairing with a Device

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, etc.), enable Bluetooth.
3. Search for "Boytond S30i" in the list of available Bluetooth devices and select it to connect.
4. Once connected, you will hear an audio prompt, and the earbuds will be ready for use.

The earbuds feature smart auto-pairing and will automatically connect to the last paired device when taken out of the case.

Seamless Connectivity Across All Your Devices

Bluetooth 5.3 Ensures Fast, Stable Connections for Your Devices
Effortlessly Switch Between Your Phone, Laptop, and More

Call Management

With enhanced call quality, the S30i earbuds ensure clear communication. Use the touch controls to answer, end, or reject calls. The open-ear design allows for natural conversations while wearing the earbuds.

MAINTENANCE

Cleaning

Regularly clean your earbuds and charging case to maintain optimal performance and hygiene. Use a soft, dry, lint-free cloth to wipe the surfaces. Avoid using abrasive materials or harsh chemicals.

- For earbuds, gently wipe the ear clips and speaker areas.
- For the charging case, clean the charging contacts and exterior.

Water Resistance

The Boytond S30i earbuds are water repellent, making them suitable for workouts and outdoor activities. However, they are not fully waterproof and should not be submerged in water. Avoid exposure to excessive moisture or liquids.

Move Freely, Stay Secure Your Workout Companion

Fits Perfectly, Moves with You—No Slips, No Distractions
Perfect for Running, Yoga, or Strength Training
Designed for Active Lifestyles, Built for Comfort

Storage

When not in use, store the earbuds in their charging case to protect them from dust, damage, and to keep them charged. Store the case in a cool, dry place away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

Common Issues and Solutions

- **Earbuds not pairing or only one earbud connects:**

Ensure both earbuds are fully charged. Place both earbuds back into the charging case, close the lid, wait a few seconds, then open the lid again. Re-attempt pairing with your device. If the issue persists, try resetting the earbuds (refer to the full user guide for specific reset instructions, if available).

- **Earbuds not charging:**

Check the USB-C cable and power adapter. Ensure the charging contacts on both the earbuds and the case are clean and free of debris. Verify the charging case itself has power.

- **Poor sound quality or disconnections:**

Ensure your device is within the Bluetooth range (approximately 10 meters/33 feet) and there are no significant obstructions. Try disconnecting and re-pairing the earbuds. Ensure the earbuds are clean and properly seated in your ears.

- **Earbuds feel uncomfortable or fall out:**

Adjust the position of the clip-on earbuds on your ear until a secure and comfortable fit is achieved. The flexible design allows for various adjustments.

For more detailed troubleshooting or persistent issues, please refer to the support section.
