4. Setup & Installation

The HomiQ camera features a no-drill installation process, making it ideal for various settings.

1. **Clean the Glass Surface:** Ensure the glass surface where you intend to mount the camera is clean and dry for optimal adhesion.
2. **Peel Off the Mounting Sticker:** Carefully remove the protective backing from one of the magnetic mounting stickers.
3. **Apply the Sticker to the Glass:** Firmly press the adhesive side of the sticker onto the desired location on the glass. Ensure there are no air bubbles.
4. **Place the HomiQ Camera on the Sticker:** The camera has a magnetic base that will securely attach to the applied sticker. Adjust its position for the desired viewing angle.
5. **Connect the Power Cable:** Plug the provided 10ft charging cable into the camera's USB-C port and connect the other end to the power adapter, then plug into a wall outlet.

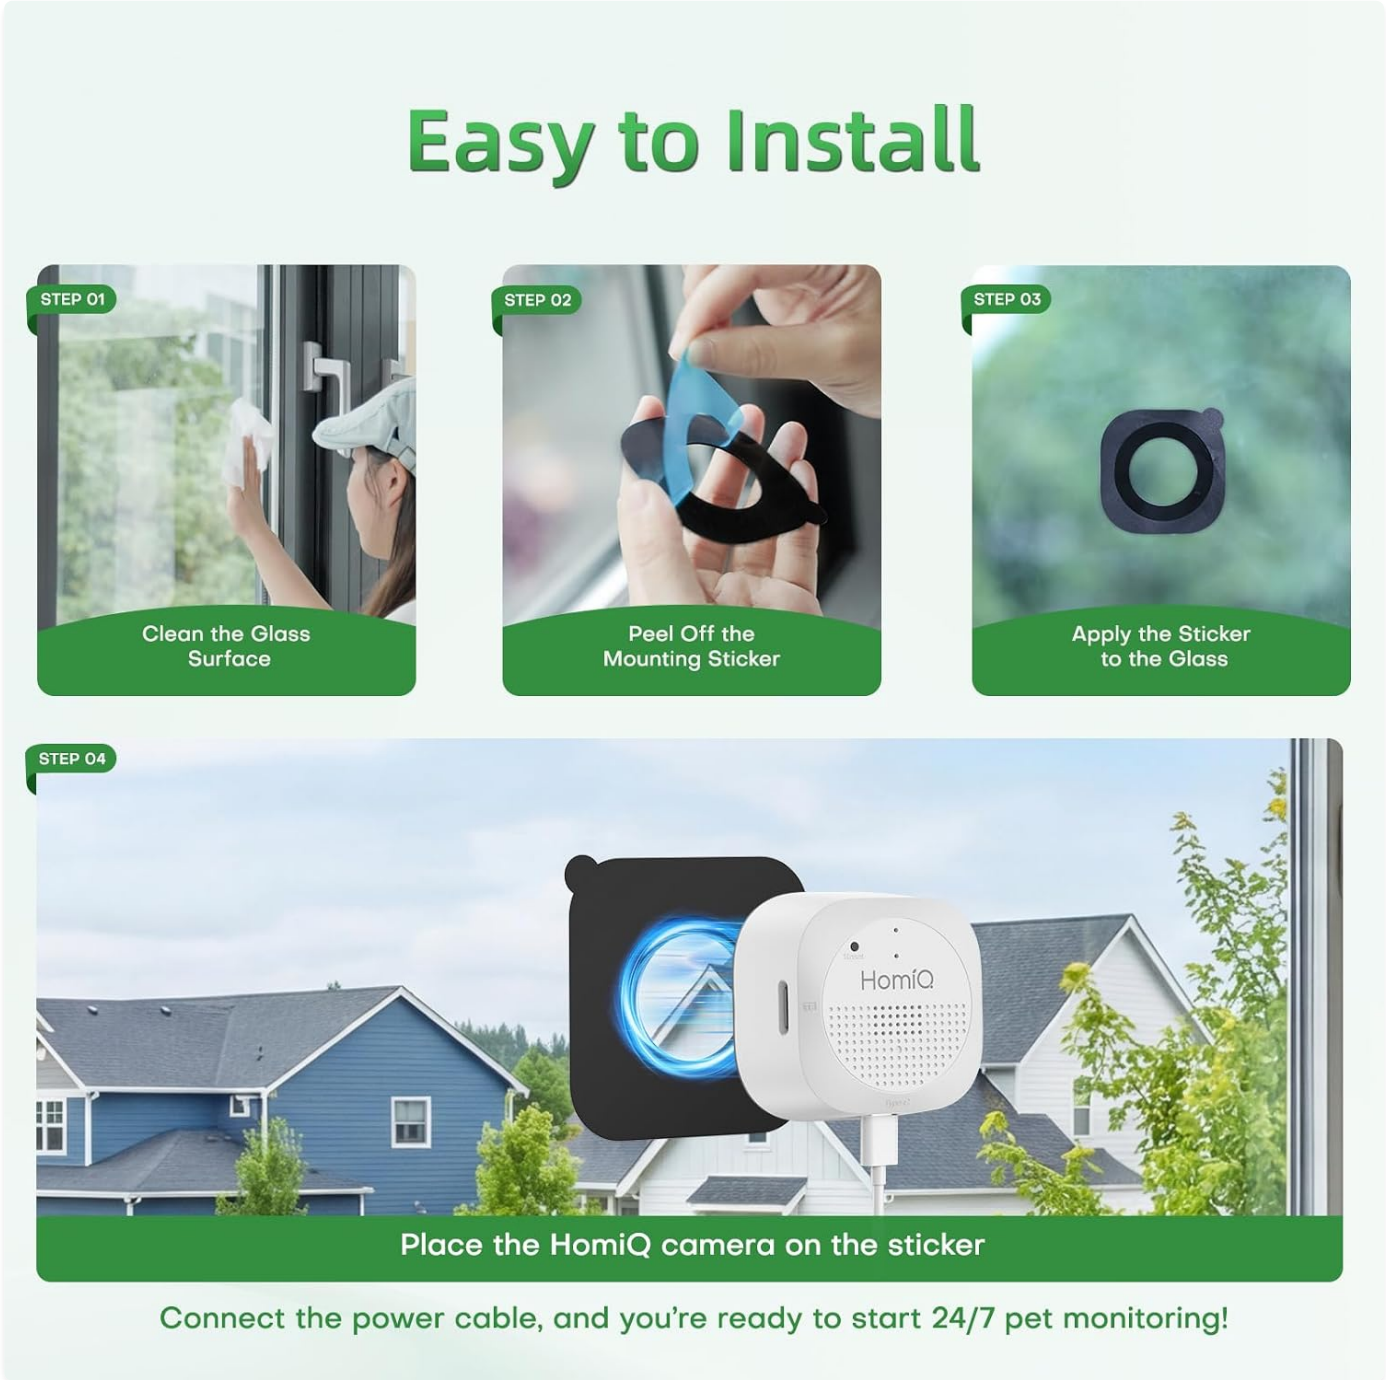

Figure 4.1: Easy Installation Steps. A four-step visual guide demonstrating the easy, no-drill installation process: 1) Cleaning the glass, 2) Peeling the mounting sticker, 3) Applying the sticker to the glass, and 4) Placing the camera onto the sticker and connecting the power.

5. App Installation & Pairing

1. **Download the App:** Search for the
