roomfitters RF-W487S00470

roomfitters King Size Modern Upholstered Bed Frame with Storage Drawers

Model: RF-W487S00470

INTRODUCTION

Thank you for choosing the roomfitters King Size Modern Upholstered Bed Frame. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed frame. Please read these instructions carefully before beginning assembly and retain them for future reference.

SAFETY INFORMATION

- Always assemble the bed frame on a soft, clean surface to prevent damage to the product or your floor.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten as necessary.
- Keep small parts and packaging materials away from children and pets during assembly.
- Do not stand or jump on the bed frame.
- Distribute weight evenly across the bed frame.
- Use only the provided hardware. Substituting parts may compromise the structural integrity.

PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Headboard (1)
- Footboard (1)
- Side Rails (2)
- Center Support Beam (1)
- Wooden Slats (Set)
- Support Legs (Various)
- Storage Drawers (4)
- Hardware Pack (Bolts, Screws, Washers, Allen Wrench)
- Assembly Tools (Included)

SETUP AND ASSEMBLY INSTRUCTIONS

Assembly typically requires two adults. Follow these steps in order for proper construction.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface and compare them against the package contents list.
2. **Attach Side Rails to Headboard:** Connect the side rails to the headboard using the provided bolts and an Allen wrench. Do not fully tighten bolts until all major components are connected.
3. **Attach Side Rails to Footboard:** Connect the other end of the side rails to the footboard. Ensure the frame is aligned and stable.
4. **Install Center Support Beam:** Secure the center support beam to the headboard and footboard, or to the designated brackets on the side rails, as per the specific design. Attach any central support legs.
5. **Place Wooden Slats:** Lay the wooden slats across the bed frame, ensuring they are evenly spaced and secured to the side rails or center beam as indicated. Some slats may have pre-drilled holes for screws.
6. **Assemble and Insert Drawers:** Assemble the four storage drawers according to their individual instructions. Once assembled, slide them into the designated spaces under the bed frame. Ensure the wheels are properly aligned and functioning.

- **Final Tightening:** Once all components are in place and aligned, fully tighten all bolts and screws. Do not overtighten.

OPERATING INSTRUCTIONS

The roomfitters bed frame features four integrated storage drawers for convenient organization.

- **Opening Drawers:** Gently pull the drawer handle to slide the drawer out from under the bed frame. The drawers are equipped with smooth-gliding wheels for easy access.
- **Closing Drawers:** Push the drawer back into its compartment until it is fully recessed under the bed frame.
- **Loading Drawers:** Distribute items evenly within the drawers. Avoid overloading to ensure smooth operation and prevent damage to the drawer mechanism or the bed frame.

MAINTENANCE

Proper care will extend the life and appearance of your bed frame.

- **Cleaning the Upholstery:** For general cleaning, wipe the upholstered surfaces with a dry cloth. For spills or stains, gently wipe with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Frame Inspection:** Periodically inspect all connections (bolts, screws) and re-tighten if they have loosened over time.
- **Drawer Maintenance:** Keep the drawer tracks and wheels free of dust and debris to ensure smooth operation.

TROUBLESHOOTING

- **Squeaking Noises:** Check all bolts and screws. Tighten any loose connections. Ensure the slats are properly seated and not rubbing against the frame.
- **Drawers Not Sliding Smoothly:** Inspect the drawer wheels and tracks for obstructions (e.g., dust, debris). Ensure the drawers are not overloaded or misaligned.
- **Bed Frame Feels Unstable:** Verify that all support legs are making firm contact with the floor and that all frame connections are securely tightened.

SPECIFICATIONS

Model Number	RF-W487S00470
--------------	---------------

Size	King (U.S. Standard)
Material	Engineered Wood, Upholstered Fabric
Product Dimensions (L x W x H)	88" x 83" x 34"
Item Weight	136.1 lbs
