IRONCK HK-GL-09

IRONCK Dog Crate Furniture

MODEL: HK-GL-09

Instruction Manual

Introduction

Thank you for choosing the IRONCK Dog Crate Furniture. This product is designed to serve as a comfortable dog kennel, a functional storage shelf, and a stylish accent end table. This manual provides essential information for the safe assembly, operation, and maintenance of your new dog crate furniture. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Safety Information

- Always ensure all bolts and screws are securely tightened before allowing your pet to use the crate.
- Do not allow children to climb on or play inside the crate.
- Place the crate on a flat, stable surface to prevent tipping.
- Regularly inspect the crate for any loose parts, damage, or sharp edges that could harm your pet.
- Keep small parts and packaging materials away from children and pets during assembly.
- This product is intended for indoor use only.

Parts List

Before assembly, verify that all components listed below are present. If any parts are missing or damaged, please contact

customer support.

- Wooden Top Panel with Storage Shelves
- Wooden Base Panel
- Metal Side Panels (Left & Right)
- Metal Front Doors (2)
- Rotatable Bowl Holders (2)
- Stainless Steel Bowls (2)
- Side Hooks (4)
- Assembly Hardware (screws, bolts, Allen wrench)
- Adjustable Feet (4)

Assembly Instructions

Assembly typically requires two people. Follow the numbered steps carefully. Do not overtighten screws until all components are aligned.

1. **Unpack and Identify Parts:** Lay out all components on a clean, soft surface. Refer to the parts list to ensure everything is present and undamaged.
2. **Assemble the Base Structure:** Attach the metal side panels to the wooden base panel using the provided hardware. Ensure the pre-drilled holes align correctly.
3. **Install the Top Panel:** Secure the wooden top panel, which includes the storage shelves, to the assembled side panels.
4. **Attach the Front Doors:** Mount the two front doors to the designated hinges on the metal frame. Ensure the doors swing freely and align properly.
5. **Install Safety Locks:** Secure the heavy-duty dual escape-proof locks to the doors and frame as indicated in the diagram. Test the locking mechanism.
6. **Mount Rotatable Bowls:** Attach the rotatable bowl holders to the side of the crate. Insert the stainless steel bowls into the holders.
7. **Attach Side Hooks:** Secure the four side hooks to the exterior of the crate for hanging accessories.
8. **Final Tightening and Adjustment:** Once all parts are in place, securely tighten all screws and bolts. Adjust the leveling feet at the bottom of the crate to ensure stability on uneven floors.

Fits Medium Dogs | Stable & Heavy Duty Structure

Operating Instructions

Using the Doors and Locks:

The crate features a double-door design for easy access. To open, slide the latch mechanism upwards or downwards and pull the door open. To close, push the door shut and ensure the latch engages securely. The dual anti-escape locks provide enhanced security for energetic pets.

Built for Safety and Comfort

Utilizing Rotatable Bowls:

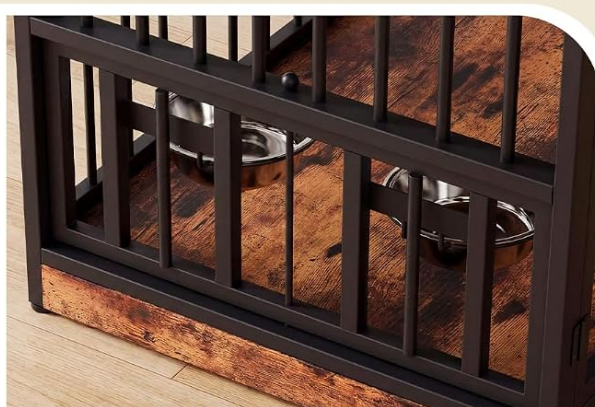

The 360° rotatable bowls allow for convenient feeding without opening the main crate doors. Simply rotate the bowl holder outwards, refill the stainless steel bowls with food or water, and then rotate them back inwards to secure them inside the crate. This design minimizes spills and simplifies feeding routines.

Using Storage Shelves and Hooks:

The top of the crate features integrated storage shelves, including a partitioned compartment, ideal for organizing pet supplies such as treats, toys, and grooming tools. The four side hooks provide additional space for hanging leashes, collars, or other accessories.

Maintenance

- **Cleaning:** Wipe down wooden surfaces with a damp cloth and mild cleaner. For metal parts, use a non-abrasive cleaner. Ensure all surfaces are dry after cleaning. The stainless steel bowls are dishwasher safe.
- **Inspection:** Periodically check all screws, bolts, and latches to ensure they are tight and functioning correctly. Tighten any loose hardware.
- **Damage:** If any part of the crate becomes damaged, discontinue use immediately and contact customer support for replacement parts or advice.
- **Lower Baffle:** The solid wood lower baffle helps prevent debris from accumulating underneath the crate. Clean this area regularly to maintain hygiene.

Troubleshooting

Issue: Crate feels wobbly or unstable.

Solution: Ensure all assembly screws and bolts are fully tightened. Adjust the leveling feet at the bottom of the crate to compensate for uneven floor surfaces.

Issue: Doors do not close or latch properly.

Solution: Check for any obstructions in the door frame or latch mechanism. Verify that the doors were installed correctly and are aligned. Slight adjustments to hinge screws may be necessary.

Issue: Rotatable bowls are stiff or difficult to rotate.

Solution: Ensure the bowl holders are clean and free of debris. A small amount of food-grade lubricant can be applied to the rotating mechanism if needed.

Issue: Pet attempts to chew on the crate.

Solution: The crate is designed with anti-bite features. However, for persistent chewers, consider using chew deterrent sprays or providing appropriate chew toys inside the crate to redirect their attention.

Specifications

Model Number:	HK-GL-09
Product Dimensions (L x W x H):	39.4" x 23.6" x 35"
Item Weight:	70.5 pounds
Material:	Metal, Wood
