Feandrea Cat Tree with Litter Box Enclosure

Model: UPCT113W201 - Instruction Manual

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Feandrea Cat Tree with Litter Box Enclosure, Model UPCT113W201. This 2-in-1 cat condo offers a versatile space for your feline companions to play, rest, scratch, and attend to their needs, all while integrating seamlessly into your home environment.

SAFETY INFORMATION

- Always mount the cat tree to the wall using the included anti-tip kit to ensure stability and prevent accidental tipping, especially with active cats.
- Regularly inspect all components for wear and tear. Replace damaged parts immediately to maintain structural integrity.
- Ensure the cat tree is placed on a flat, stable surface. Adjustable feet are provided to help balance the unit on uneven floors.

PARTS LIST

Before assembly, please ensure all the following components are present:

- 1 x 2-in-1 Cat Tree Structure
- 1 x Accessory Kit (includes screws, tools, etc.)
- 1 x Anti-Tip Kit
- 1 x Instruction Manual (this document)

SETUP AND ASSEMBLY

Assembly of the Feandrea Cat Tree is required. Please follow the step-by-step instructions provided in the separate Accessory Kit manual. Ensure all connections are secure before allowing your pets to use the product. Pay special attention to installing the anti-tip kit as described in the Safety Information section.

OPERATING INSTRUCTIONS

The Feandrea Cat Tree with Litter Box Enclosure is designed to meet various needs of your cats, providing spaces for play, rest, and privacy.

Multifunctional Design

- **Playing:** Utilize the multiple levels and the 3 removable pompom sticks for interactive play and entertainment.
- **Scratching:** The integrated scratching posts, made with natural sisal, allow cats to sharpen their claws and satisfy their natural instincts.
- **Resting & Sleeping:** The cozy basket and private cave (enclosed space) offer comfortable spots for your cats to relax and nap. The top perch provides an elevated spot for observation.
- **Litter Box Enclosure:** The spacious bottom compartment (21.7" x 16.1" x 15.7") can be used to discreetly house a litter box, reducing mess and odor, or as an additional cozy cat house with a bed inside.

Use It Your Way

The lower cabinet can be used as a litter box enclosure or a cat house

Litter Box Integration

The enclosed cabinet at the base is designed to accommodate a standard litter box, providing privacy for your cat and helping to contain litter scatter. The internal dimensions are suitable for litter boxes up to 18.5 inches (47 cm) in length.

Play Features

The cat tree includes three removable pompom sticks attached to the top platform, encouraging playful interaction and exercise for your cat.

MAINTENANCE

Regular cleaning and maintenance will extend the life of your cat tree and ensure a hygienic environment for your pets.

- **Cushions:** The plush cushions are removable and washable for deep cleaning. For daily care, they can be cleaned with a lint roller.
- **Surfaces:** The veneered surfaces are smooth and can be wiped clean with a damp cloth to remove hair and dirt.
- **Sisal Posts:** Inspect sisal scratching posts periodically for wear. While durable, heavily worn posts may need replacement over time.

TROUBLESHOOTING

If you encounter any issues with your Feandrea Cat Tree, please refer to the following common solutions:

- **Instability:** Ensure all screws are tightened. Verify the anti-tip kit is securely installed to the wall. Adjust the leveling feet at the base to compensate for uneven flooring.
- **Loose Parts:** Periodically check all connections and tighten any loose screws to maintain structural integrity.
- **Cat Disinterest:** Encourage use by placing treats or favorite toys on different levels. Introduce your cat to the scratching posts by gently guiding their paws.
