JUMMICO gaming stuhl 200kg

JUMMICO XL Ergonomic Gaming Chair User Manual

Model: gaming stuhl 200kg

INTRODUCTION

Thank you for choosing the JUMMICO XL Ergonomic Gaming Chair. This manual provides essential information for the safe assembly, operation, maintenance, and troubleshooting of your new chair. Please read these instructions carefully before use and retain them for future reference.

SETUP AND ASSEMBLY

Assembly is required for this product. Please ensure all components are present before beginning. It is recommended to assemble the chair on a soft, clean surface to prevent damage.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out. Verify against the parts list (not provided in this manual, refer to your product packaging for a complete list).
2. **Attach Casters to Base:** Insert the five casters into the holes on the star base until they click securely into place.
3. **Insert Gas Lift:** Place the gas lift cylinder into the center hole of the star base.
4. **Assemble Seat and Backrest:** Attach the backrest to the seat base using the provided screws and tools. Ensure all connections are tight.
5. **Attach Armrests:** Secure the 2D armrests to the seat base.
6. **Connect Mechanism:** Attach the tilt mechanism to the underside of the seat using the designated screws.
7. **Mount Seat onto Gas Lift:** Carefully place the assembled seat onto the gas lift cylinder, ensuring it is centered and stable.
8. **Attach Cushions:** Position the lumbar and headrest cushions as desired.

After assembly, test all functions to ensure proper operation and stability.

OPERATING INSTRUCTIONS

Your JUMMICO XL Ergonomic Gaming Chair offers multiple adjustment options for personalized comfort.

Chair Height Adjustment

- To raise the chair: While seated, lift the lever located under the seat on the right side. The chair will rise. Release the lever at the desired height.
- To lower the chair: While seated, pull the lever located under the seat on the right side. The chair will lower. Release the lever at the desired height.

Backrest Recline (90°-170°)

- To recline: Pull the recline lever located on the right side of the chair, below the seat. Lean back to the desired angle (between 90° and 170°). Release the lever to lock the backrest in position.
- To return to upright: Pull the recline lever and lean forward slightly. The backrest will return to an upright position. Release the lever to lock.

RÉGLAGE MULTI-POSITIONS 90°-160°

Image: A person demonstrating the multi-position recline feature (90°-160°) of the JUMMICO gaming chair, with the retractable footrest extended for relaxation.

2D Armrest Adjustment

- **Height Adjustment:** Press the button on the side of each armrest and move the armrest up or down to your preferred height. Release the button to lock.
- **Swivel Adjustment:** The armrests can be rotated left and right by 30 degrees to provide optimal support for your arms and prevent elbow fatigue.

ACCOUDOIR 2D

Offre un soutien pour vos bras et prévient la fatigue des coudes.

Image: A diagram illustrating the 2D armrest adjustments, including height (75mm range) and 30-degree left/right swivel for ergonomic support.

Retractable Footrest

- To extend: Pull the footrest out from under the seat.
- To retract: Push the footrest back under the seat until it is fully stored.

Lumbar and Headrest Cushions

The chair includes adjustable lumbar and headrest cushions for enhanced ergonomic support. Position them to best suit your body's natural curves.

Courbe bionique en forme de cascade, s'adapte parfaitement sans exercer de pression sur les reins

Image: A side view of the JUMMICO gaming chair highlighting its bionic cascade-shaped curve, designed to perfectly adapt to the back without exerting pressure on the kidneys.

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your JUMMICO gaming chair.

Cleaning

- **Synthetic Leather Areas:** Wipe regularly with a soft, damp cloth. For stubborn stains, use a mild soap solution and wipe dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Fabric Areas:** Use a vacuum cleaner with a brush attachment to remove dust and debris. For spills, blot immediately with a clean, dry cloth. For deeper cleaning, use a fabric cleaner according to its instructions, testing on an inconspicuous area first.
- **Base and Casters:** Wipe with a damp cloth. Periodically check casters for hair or debris and clean as needed to ensure smooth movement.

Assise bi-matériau, confortable même en position assise prolongée

Adoptant un design combinant tissu et cuir PU, alliant respirabilité et durabilité.

Zone en tissu : Améliore la circulation de l'air et réduit la sensation d'étouffement ;

Zone en cuir PU : Facile à nettoyer, résistante aux taches et à l'usure.

Image: A close-up view of the JUMMICO gaming chair's seat, showcasing its mixed material design of breathable fabric and easy-to-clean synthetic leather, ensuring comfort during prolonged sitting.

General Care

- Periodically check all screws and bolts to ensure they are tight. Retighten if necessary.
- Avoid exposing the chair to direct sunlight for extended periods to prevent material fading and degradation.
- Do not stand on the chair or use it for purposes other than sitting.

TROUBLESHOOTING

If you encounter issues with your JUMMICO gaming chair, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Chair does not adjust height	Gas lift malfunction or lever not engaged	Ensure the height adjustment lever is fully engaged. If the issue persists, the gas lift may need replacement.
Chair is wobbly or unstable	Loose screws or improper assembly	Check all assembly screws and bolts, especially those connecting the seat, backrest, and mechanism to the base. Tighten any loose connections.
Casters do not roll smoothly	Debris caught in casters or damaged casters	Remove any hair or debris from the caster wheels. If casters are damaged, they may need replacement.
Backrest does not recline or lock	Recline mechanism jammed or lever not engaged	Ensure the recline lever is fully engaged. Check for any obstructions in the recline mechanism.

If you cannot resolve the issue using the information above, please contact JUMMICO customer support for further assistance.
