4. MAINTENANCE AND CARE

To ensure the longevity and appearance of your carrying case, follow these simple maintenance guidelines:

- **Cleaning the Exterior:** The water-resistant outer shell can be easily cleaned. Use a soft, damp cloth to wipe away dust, dirt, or minor spills. Avoid abrasive cleaners or harsh chemicals.

- **Cleaning the Interior:** For the microfiber lining, gently wipe with a dry, soft cloth. If necessary, a slightly damp cloth can be used, ensuring the interior is completely dry before storing your calculator.
- **Drying:** If the case gets wet, allow it to air dry completely in a well-ventilated area away from direct sunlight or heat sources.
- **Storage:** Store the case in a cool, dry place when not in use.
