SETUP AND OPENING

To begin your collection, carefully open the outer box packaging. Inside, you will find individual sealed packs. Gently tear open each pack to reveal the cards. Handle cards by their edges to prevent damage to the surfaces.

OPERATING AND COLLECTING

Once opened, you can sort, display, and store your cards. Collectors often use protective sleeves, top-loaders, or binders to preserve the condition of their cards. Refer to the "Maintenance" section for best practices in card care.

MAINTENANCE AND CARE

To maintain the value and condition of your baseball cards, follow these guidelines:

- **Handling:** Always hold cards by their edges to avoid leaving fingerprints or smudges on the surface.
- **Storage:** Store cards in a cool, dry place away from direct sunlight and extreme temperature fluctuations.
- **Protection:** For valuable cards, use soft sleeves followed by rigid top-loaders or magnetic holders for maximum protection. Store these in acid-free binders or storage boxes.
- **Cleaning:** Avoid attempting to clean cards with any liquids or abrasive materials, as this can cause irreversible damage.
