PHI VILLA Wicker Patio Furniture Set Instruction Manual

Model: 10 Seats - Half Moon Swivel Aqua Blue

INTRODUCTION

Thank you for choosing the PHI VILLA Wicker Patio Furniture Set. This manual provides essential information for the safe assembly, operation, maintenance, and care of your new outdoor furniture. Please read these instructions thoroughly before assembly and retain them for future reference.

SAFETY INFORMATION

- Ensure all components are securely fastened before use. Regularly check and tighten any loose connections.
- Do not exceed the weight capacity of individual seating units.
- Keep children and pets away from the assembly area. Small parts can be a choking hazard.
- Place furniture on a flat, stable surface to prevent tipping.
- Avoid placing hot items directly on wicker or cushion surfaces.
- During strong winds or adverse weather, secure or store furniture to prevent damage or injury.

PACKAGE CONTENTS

Your PHI VILLA Wicker Patio Furniture Set includes multiple modular pieces, cushions, and hardware for assembly. Please verify all parts are present before beginning assembly. Refer to the packing list provided with your product for a detailed inventory.

The set typically includes:

- Curved Sofa Sections
- Armless Sofa Sections
- Ottoman(s)

- Swivel Sofa Section(s)
- Seat Cushions
- Back Cushions
- Assembly Hardware (bolts, washers, Allen wrench)

SETUP AND ASSEMBLY

Assembly is required for this patio furniture set. It is recommended to have two people for assembly. Please follow the step-by-step instructions provided in the separate assembly guide included in your package. The following general steps apply:

1. Unpack all components and lay them out on a soft, clean surface to prevent scratches.
2. Identify all hardware and components using the provided parts list.
3. Attach legs to the base of each furniture piece using the provided bolts and Allen wrench. Do not overtighten initially.
4. Connect modular sections as desired using the included connectors.
5. Once all pieces are assembled and connected, tighten all bolts securely.
6. Place cushions on the assembled furniture.

OPERATING INSTRUCTIONS

Your PHI VILLA Wicker Patio Furniture Set is designed for versatile outdoor use.

- **Modular Configuration:** The individual sections can be rearranged to create various layouts, such as a half-moon conversation set, a long sofa, or separate seating areas. Experiment to find the best arrangement for your space.
- **Swivel Chairs:** Swivel chairs feature a 360-degree rotation mechanism. Use the lubricated ball bearings for smooth and quiet movement. Ensure the chair is on a level surface for optimal swiveling.
- **Ottomans:** Ottomans can serve as footrests, additional seating, or by adding a tray, they can function as a coffee table.

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your PHI VILLA patio furniture.

- **Wicker Frame:** The Wicker King hand-woven rattan is designed for durability. Clean the wicker frame with a soft cloth, mild soap, and water. Rinse thoroughly and allow to air dry. Avoid harsh chemicals or abrasive cleaners.
- **Cushions:** Cushions feature PHI VILLA's Cushion Pro Technology, offering resistance to water, oil, and UV rays.
 - For spills, gently pat wipe with a dry towel.
 - For general cleaning, spot clean with a mild soap solution and a soft brush. Rinse thoroughly and allow to air dry completely before storing or reusing.
 - Store cushions indoors or in a waterproof storage box during prolonged periods of non-use or inclement weather to maintain their condition.
- **Frame Structure:** The powder-coated steel frame is rust-resistant. Periodically inspect the frame for any signs of wear or rust. Touch up any scratches with appropriate outdoor paint to prevent rust.
- **Hardware:** Regularly check all bolts and connections to ensure they remain tight. Retighten as necessary to maintain stability.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Furniture feels unstable or wobbly.	Loose bolts or uneven surface.	Ensure all assembly bolts are securely tightened. Move furniture to a flat, level surface.
Cushions slide off easily.	Lack of anti-slip features.	Consider adding non-slip mats or Velcro strips between cushions and the furniture base (not included).

Problem	Possible Cause	Solution
Difficulty swiveling chair.	Uneven surface or debris in swivel mechanism.	Ensure the chair is on a level surface. Check for and remove any debris from the swivel base.
Wicker appears faded or damaged.	Prolonged exposure to harsh sun or weather.	While UV resistant, prolonged exposure can cause wear. Use furniture covers when not in use for extended periods.
