PURPLE LEAF ZY04ALDQT0810-GY

PURPLE LEAF 8' x 10' Lean-to Gazebo Instruction Manual

Model: ZY04ALDQT0810-GY

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your PURPLE LEAF 8' x 10' Lean-to Gazebo. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Key Features:

- **Space-Saving Attached Design:** Connects directly to your house, ideal for smaller patios.
- **Durable Metal Roof:** Provides protection from sun and rain for outdoor activities.
- **Sloped Roof with Integrated Drainage:** Channels rainwater away to prevent pooling.
- **Ground Anchoring:** Ensures stability in windy conditions.
- **Connectable Units:** 8' x 8' and 8' x 10' units can be linked for larger setups (connector kits sold separately).
- **Easy Assembly:** Includes clear instructions and all necessary hardware. Electric tools are recommended for efficiency.

SETUP AND ASSEMBLY

Before starting assembly, ensure you have all parts listed in the packaging. Clear a sufficient area for construction and have the recommended tools ready. Two or more people are recommended for safe and efficient assembly.

Tools Recommended:

- Electric drill/driver
- Ladder
- Measuring tape
- Level
- Safety gloves and eyewear

Assembly Steps:

1. **Unpack and Identify Parts:** Carefully unpack all components and verify against the parts list provided in your package. Separate hardware by type.

2. **Prepare the Installation Area:** Ensure the wall where the gazebo will be attached is structurally sound and the ground is level.
3. **Assemble the Frame:** Follow the step-by-step diagrams in your included instruction booklet to assemble the main aluminum frame. Pay close attention to the orientation of beams and posts.
4. **Attach to Wall:** Securely attach the lean-to side of the gazebo frame to your house wall using appropriate fasteners for your wall type. Ensure a watertight seal if necessary.
5. **Install Roof Panels:** Carefully install the galvanized steel roof panels. Ensure all panels are correctly aligned and secured to maintain the leak-proof design and proper water drainage.
6. **Ground Anchoring:** Once the frame is assembled and positioned, use the provided ground anchors to secure each post to the ground. This is crucial for stability, especially in windy conditions.

OPERATION AND USE

Your PURPLE LEAF Lean-to Gazebo is designed for year-round outdoor living, providing a shaded and sheltered area for various activities.

General Use:

- The gazebo provides shade and protection from light rain, making it suitable for dining, grilling, or relaxation.
- The sloped roof and integrated drainage system are designed to manage rainwater effectively, preventing pooling.
- The structure is built to withstand heavy snow loads (up to 7 inches depth) and wind resistance up to Level 7. However, in extreme weather conditions, it is advisable to take precautions.

Connecting Multiple Units:

If you have purchased connector kits, 8' x 8' and 8' x 10' units can be joined side-by-side to create a larger covered area. Refer to the separate instructions provided with the connector kit for detailed assembly.

Extend Your Living Space Outdoors

Step Directly from Your Door to a Shaded Patio

Designed for Year-Round Outdoor Living

Wind Resistance 🌀

Rating: Level 7

Maximum Snow ☁️

Depth: 7 Inches

Image: A split image demonstrating the gazebo's resilience, with one side showing it enduring wind (Level 7 rating) and the other side showing it supporting a maximum snow depth of 7 inches.

MAINTENANCE

Regular maintenance will extend the life and appearance of your gazebo.

Cleaning:

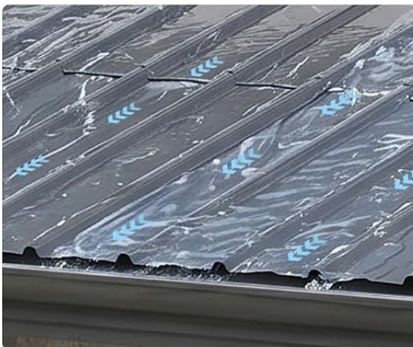

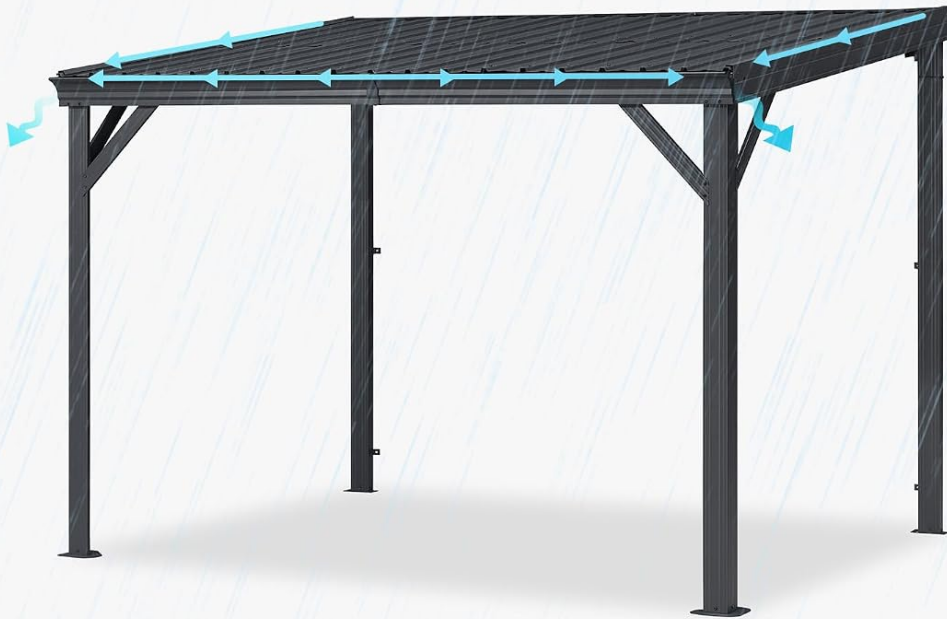

- Clean the metal roof and frame periodically with mild soap and water. Rinse thoroughly with clean water.
- Avoid using abrasive cleaners, scrub brushes, or bleach, as these can damage the finish.
- Regularly clear leaves, debris, and snow from the roof to ensure proper drainage and prevent excessive load.

Structural Inspection:

- Periodically check all bolts and fasteners to ensure they are tight. Re-tighten as needed.
- Inspect the ground anchors for any signs of loosening or damage, especially after strong winds.

- Check the roof panels for any signs of damage or misalignment that could affect water resistance.

Keeps Water Moving, Not Pooling

Roof slopes forward
for water runoff

Gutter collects water
along the front edge

Downspout directs water
to ground level

TROUBLESHOOTING

Problem	Possible Cause	Solution
Water pooling on the roof.	Debris blocking gutters or improper roof panel alignment.	Clear any debris from the gutters and roof surface. Inspect roof panels for correct installation and alignment.
Gazebo feels unstable or sways in wind.	Loose ground anchors or fasteners.	Ensure all ground anchors are securely fastened. Check and tighten all frame bolts and screws.

Problem	Possible Cause	Solution
Difficulty during assembly.	Incorrect part orientation or missing hardware.	Refer to the assembly diagrams in your manual. Verify all parts against the list. Contact customer support if parts are missing or damaged.

SPECIFICATIONS

Feature	Detail
Brand	PURPLE LEAF
Model Number	ZY04ALDQT0810-GY
Product Dimensions (L x W x H)	122"L x 96"W x 92"H (8' x 10')
Frame Material	Aluminum
Roof Material	Galvanized Steel
Color	Gray
Water Resistance Level	Water Resistant
UV Protection	No UV Protection (shade provided)
Wind Resistance Rating	Level 7
Maximum Snow Load	7 Inches Depth

WARRANTY INFORMATION

For specific warranty details regarding your PURPLE LEAF Lean-to Gazebo, please refer to the warranty card included with your product packaging or visit the official PURPLE LEAF website. Keep your proof of purchase for any warranty claims.

CUSTOMER SUPPORT

If you have any questions about assembly, missing parts, or product operation, please contact PURPLE LEAF customer support. Contact information can typically be found on the product packaging, the official brand website, or through your retailer.
