HOMCOM 83B-819V00CW

HOMCOM 78" 3 Seater Sofa Instruction Manual

Model: 83B-819V00CW

PRODUCT OVERVIEW

This manual provides detailed instructions for the assembly, operation, maintenance, and care of your HOMCOM 78" 3 Seater Sofa. This upholstered modern sofa features a timeless tufted design, soft velvet-feel fabric, high-density foam cushions, and solid rubberwood legs, designed for comfortable seating for three individuals.

Please read this manual thoroughly before assembly and use to ensure proper setup and to maximize the lifespan of your product.

SETUP AND ASSEMBLY

The HOMCOM 3-seater sofa is designed for straightforward assembly. It is recommended that two people assemble this product. All necessary hardware and parts are included.

Preparation:

- Unpack all components and verify against the parts list (refer to the physical manual for details).
- Ensure all packaging materials are removed.
- Place components on a soft, clean surface to prevent scratches.

Assembly Steps:

1. Attach the legs to the base of the sofa frame. Ensure they are securely tightened.
2. Connect any sectional components as guided by the included manual (refer to the physical manual for detailed

diagrams).

3. Place the seat cushions and back cushions onto the sofa frame.
4. Allow the cushions to expand fully for 72 hours after unpacking, as the product is delivered in two cartons and compressed for shipping.

OPERATING INSTRUCTIONS

Your HOMCOM 3 Seater Sofa is designed for comfortable and versatile use in various living spaces such as living rooms, bedrooms, or study rooms.

Usage Guidelines:

- This sofa is intended for indoor residential use only.
- It provides spacious seating for up to three individuals, with a generous seat width of 68.9 inches (175 cm).
- The high-density foam cushions offer a firm yet comfortable seating experience.
- The sofa has a weight capacity of up to 792 lbs (360 kg). Do not exceed this weight limit.

WIDE SEAT

Sit freely and relax fully

MAINTENANCE AND CARE

Proper care will help maintain the appearance and longevity of your HOMCOM sofa.

Cleaning Instructions:

- **Spot Clean with Damp Cloth:** For spills or stains, immediately blot the affected area with a clean, damp cloth. Avoid rubbing, which can spread the stain.
- Use a mild soap solution if necessary, testing on an inconspicuous area first.
- Do not use harsh chemicals, abrasive cleaners, or excessive water, as these can damage the velvet-feel fabric.
- Allow the cleaned area to air dry completely.

General Care:

- Regularly vacuum the sofa using a soft brush attachment to remove dust and debris.

- Rotate and fluff removable cushions periodically to ensure even wear and maintain their shape.
- Avoid placing the sofa in direct sunlight or near heat sources to prevent fading and material degradation.
- The sofa features 5.5 inch (14 cm) elevated legs, allowing for easy cleaning underneath, including robot vacuum access.

TROUBLESHOOTING

This section addresses common concerns you might encounter with your sofa. For issues not listed here, please contact customer support.

- **Cushions not fully expanded:** As the sofa is delivered in compressed packaging, allow up to 72 hours for the high-density foam cushions to fully expand and regain their intended shape and firmness.
- **Wobbling or instability:** Ensure all legs and connecting sections are securely tightened. Periodically check and retighten fasteners as needed.

- **Fabric discoloration:** Lighting and screen settings can affect the perceived color. Refer to the product images for general color representation, but be aware that actual color may vary slightly. Avoid direct prolonged exposure to sunlight.
