IDEALHOUSE Twin XL Size Bed Frame Instruction Manual

Model: CAIDHJL-37RRYM-Twinxl-purple-0611 | Brand: IDEALHOUSE

1. INTRODUCTION

Thank you for purchasing the IDEALHOUSE Twin XL Size Bed Frame. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed frame. Please read these instructions carefully before beginning assembly and retain them for future reference.

This bed frame features a velvet upholstered design, a spacious adjustable storage headboard, two flexible underbed storage drawers, and an integrated RGB LED light strip for enhanced ambiance.

2. SAFETY INFORMATION

- Ensure all parts are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Assemble the bed frame on a soft, clean surface (e.g., carpet) to prevent scratches.
- It is recommended that two people assemble this bed frame for safety and ease.
- Do not overtighten screws during assembly, as this may damage the material.
- Keep small parts away from children during assembly to avoid choking hazards.
- Ensure the bed frame is placed on a level surface to prevent instability.
- Do not stand or jump on the bed frame.

3. PACKAGE CONTENTS

Before assembly, verify that all components listed in your included installation manual are present. Each accessory is marked with a clear serial number for easy identification.

4. SETUP AND ASSEMBLY INSTRUCTIONS

Follow the step-by-step illustrated assembly instructions provided in the separate installation manual included with your product. No extra professional tools are required for assembly.

4.1. Frame Assembly

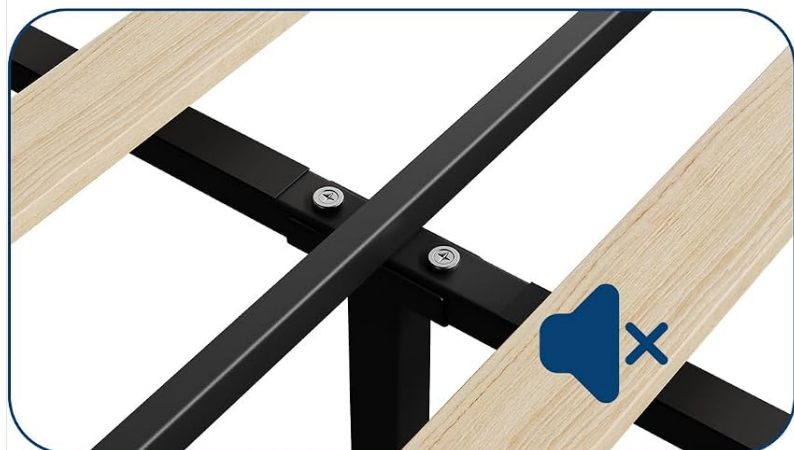

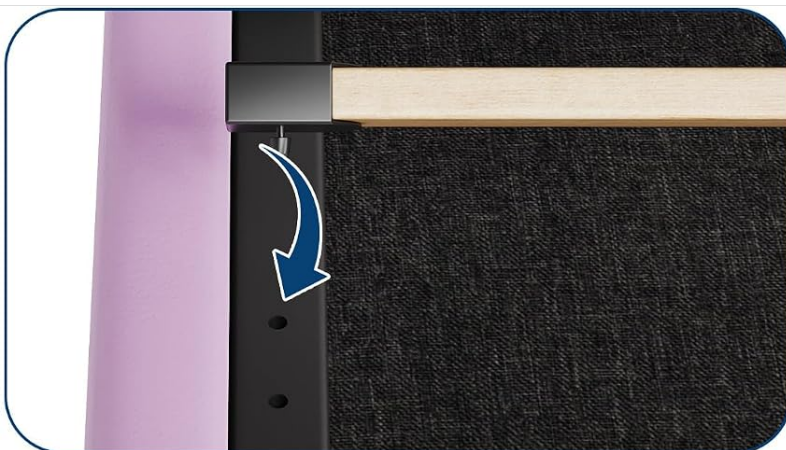

Assemble the heavy-duty metal main frame according to the manual. Ensure all connections are secure but do not overtighten.

4.2. Slat Installation

Install the wooden support slats into the frame. The plastic parts should be pressed to secure the slats. The thickened support slats distribute mattress pressure evenly, eliminating the need for a box spring.

Easy to Assemble

Install the plastic parts to press the slats.

Durable Structure

Strong wooden slats with metal central frame, noise-free.

Velvet Fabric

Softness, warmth, skin-friendly.

Image: A close-up view demonstrating how to install the plastic parts to press and secure the wooden slats into the bed frame.

4.3. Headboard Attachment

Attach the upholstered headboard to the main frame. Ensure it is securely fastened.

4.4. Drawer Assembly and Placement

Assemble the two underbed drawers. These drawers are designed for flexible placement. You can install them on the left side, right side, or one on each side of the bed frame, depending on your room layout and storage needs.

Image: A diagram illustrating three different configurations for the underbed drawers: one on each side, both on the left, or both on the right.

2-LEVEL ADJUSTABLE HEADBOARD

Adjust to your ideal height **44-46 inches**

46"
44"

Image: A detailed view of the large storage drawers, highlighting their rolling wheels for easy movement and the locking holes for secure placement under the bed frame.

5. OPERATING INSTRUCTIONS

5.1. Adjustable Storage Headboard

The headboard features a practical compartment for storing items like books, tablets, or small toys. It also offers two adjustable height settings (44-46 inches) to accommodate mattresses between 8-14 inches in thickness.

Image: A visual representation of the headboard's two adjustable height settings, indicating adjustments between 44 and 46 inches.

5.2. Underbed Storage Drawers

The two smooth-rolling drawers provide ample space for storing extra quilts, seasonal clothes, and other sundries. Their flexible placement allows you to optimize space utilization in your bedroom.

5.3. RGB LED Light Strip Operation

The integrated RGB LED light strip can be controlled via a dedicated mobile application (available for iOS and Android devices). This app allows you to:

- Adjust lighting colors (over 60,000 options).
- Control brightness levels.
- Select dynamic lighting modes, including music sync and mic mode, where lights change to the rhythm of music.
- Set timing functions for automatic on/off.

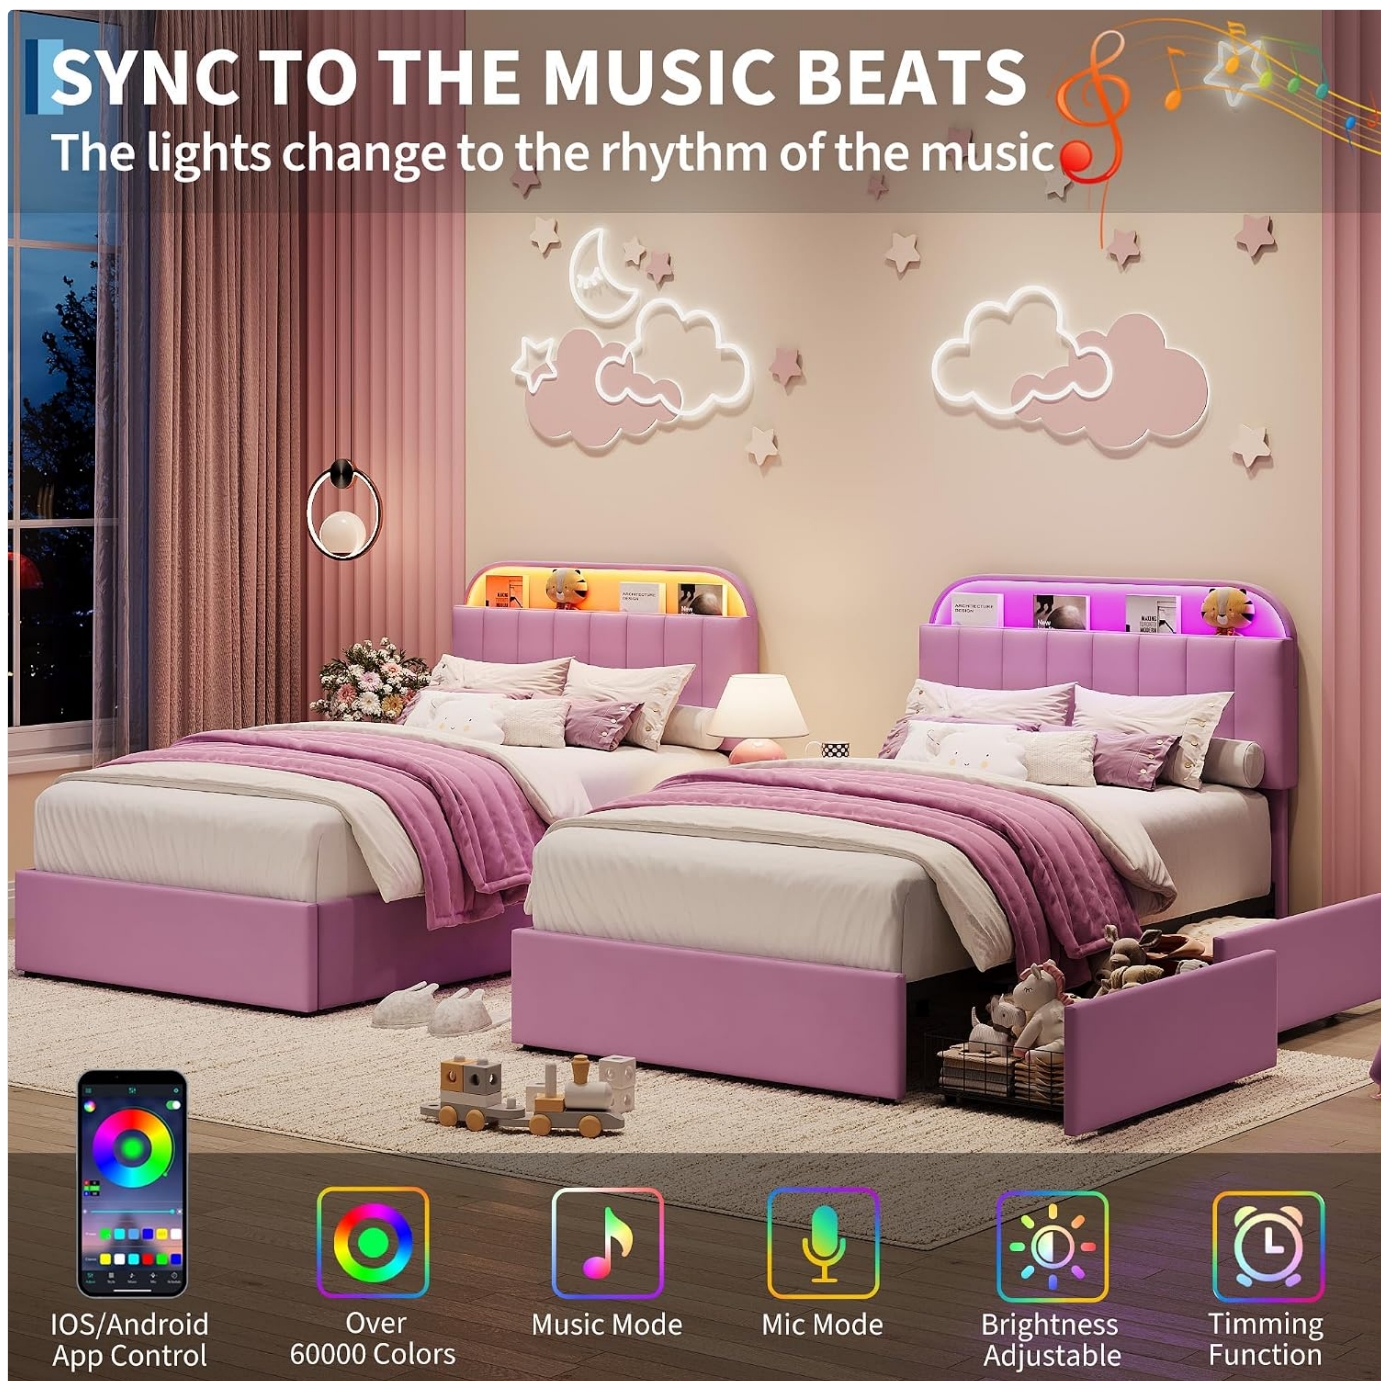

Image: An illustration detailing the features of the RGB LED light strip, including app control, color options, music mode, mic mode, brightness adjustment, and timing functions.

6. MAINTENANCE

6.1. Cleaning the Upholstery

The bed frame is upholstered in velvet fabric. To clean, gently vacuum with an upholstery attachment to remove dust and debris. For spills, blot immediately with a clean, dry cloth. For stubborn stains, consult a professional upholstery cleaner or use a mild fabric cleaner designed for velvet, testing on an inconspicuous area first.

6.2. Frame and Slats

Wipe the metal frame and wooden slats with a damp cloth as needed. Ensure all connection parts remain tight. Periodically check and retighten any loose screws to maintain structural stability and prevent noise.

FLEXIBLE DRAWERS

Put drawers according to the room layout

1

Each side one drawer

2

2 drawers at the Left side

3

2 drawers at the right side

Image: A close-up view of the bed frame's durable structure, showing strong wooden slats supported by a metal central frame, designed for stability and noise reduction.

6.3. LED Lights

Ensure the LED light strip and its connections are kept dry and free from dust. Do not attempt to repair the LED strip yourself; contact customer service if issues arise.

7. TROUBLESHOOTING

- **Bed Frame is Noisy:** Check all screws and bolts to ensure they are tightened securely. The design includes anti-noise optimization, but loose connections can cause squeaking.
- **LED Lights Not Working:** Ensure the power adapter is correctly plugged into a working outlet and securely connected to the LED strip. Check the mobile app for any connection issues or settings that might have turned off the lights.
- **Drawers are Sticking:** Verify that the drawers are correctly aligned on their rolling mechanisms. Ensure no objects are obstructing their path under the bed.

- **Parts Missing or Damaged:** If you discover any missing or damaged parts upon opening the package, please contact customer service immediately for assistance.

8. SPECIFICATIONS

Feature	Detail
Model Number	CAIDHJL-37RRYM-Twinxl-purple-0611
UPC	881188115072
Size	Twin XL
Color	Purple
