1. SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- **Anti-Tip Device:** It is crucial to install the included anti-tip safety device to prevent the dresser from tipping over, which can cause serious injury or death. Securely fasten the device to a wall stud according to the instructions.
- **Weight Capacity:** Do not exceed the recommended weight capacity for the dresser top (150 lbs) or individual drawers (25 lbs). Overloading can compromise stability and structural integrity.
- **Children Safety:** Do not allow children to climb on or play with the dresser. Keep heavy items in lower drawers.
- **Placement:** Place the dresser on a flat, level surface to ensure stability.
- **Assembly:** Assemble the dresser in a spacious area, away from small children and pets, to prevent accidental ingestion of small parts.

2. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Dresser Components (various wood panels and parts)
- Assembly Hardware (screws, dowels, cam locks, etc.)
- Anti-Tip Kit (strap, screws, wall anchors)
- Instruction Manual (this document)

3. ASSEMBLY INSTRUCTIONS

Follow these step-by-step instructions for proper assembly. It is recommended to have two people for certain steps.

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out on a clean, soft surface (e.g., a blanket or carpet) to prevent scratches. Identify each part using the provided hardware list and diagrams.
2. **Assemble the Frame:** Begin by assembling the main frame of the dresser. Connect the side panels to the top and bottom panels using the designated hardware. Ensure all connections are secure.
3. **Install Drawer Glides:** Attach the drawer glides to the interior side panels of the dresser frame. Pay attention to the orientation of the glides (left and right).
4. **Assemble Drawers:** Construct each of the five drawers. Attach the side panels to the front and back panels, then slide the bottom panel into the grooves. Secure the drawer glides to the assembled drawers.
5. **Attach Wood Legs:** Securely attach the solid wood legs to the bottom of the dresser frame.
6. **Insert Drawers:** Carefully slide each assembled drawer into its corresponding slot in the dresser frame. Ensure they operate smoothly.
7. **Install Anti-Tip Kit:** This is a critical safety step. Locate a wall stud behind the dresser. Attach one end of the anti-tip strap to the back of the dresser and the other end to the wall stud using the provided screws and anchors. Ensure the strap is taut.

# — **PRODUCT DIMENSIONS** —

Due to lighting and scene variations, the colors in the images may differ slightly from the actual product.  
Please refer to the physical item for the most accurate representation.

## 4. SETUP

---

After assembly, follow these steps to properly set up your dresser:

1. **Placement:** Choose a permanent location for your dresser. Ensure the floor is level to prevent wobbling.
2. **Anti-Tip Device:** Re-verify that the anti-tip device is securely installed and properly anchored to a wall stud. This is essential for safety.
3. **Load Distribution:** When placing items in the drawers, distribute weight evenly. Place heavier items in the lower drawers to enhance stability.

## 5. OPERATING THE DRESSER

---

The Furniway 5-Drawer Dresser is designed for smooth and reliable daily use.

- **Drawer Operation:** Gently pull and push the drawers to open and close them. The smooth-gliding mechanism ensures effortless access to your stored items.
- **Hidden Handles:** The dresser features hidden handles for a clean, modern aesthetic. Grip the bottom edge of the drawer front to open.
- **Storage:** Utilize the five spacious drawers for organizing clothing, accessories, linens, and other personal items.

## 6. MAINTENANCE

Proper care will ensure the longevity and appearance of your Furniway dresser.

- **Cleaning:** Wipe the dresser surfaces with a dry, soft cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the finish.
- **Spills:** In case of spills, wipe them immediately with a dry cloth. The dresser features a waterproof surface for added protection.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Tighten if necessary.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the wood finish.

## 7. TROUBLESHOOTING

If you encounter any issues with your dresser, refer to the following common problems and solutions:

| Problem                                     | Possible Cause                                                             | Solution                                                                                                                         |
|---------------------------------------------|----------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Dresser is wobbly or unstable.              | Uneven floor; loose connections; anti-tip device not installed.            | Move to a level surface or use shims. Tighten all assembly hardware. Install the anti-tip device securely to a wall stud.        |
| Drawers do not slide smoothly or get stuck. | Drawer glides misaligned; obstruction in glides; drawer overloaded.        | Remove the drawer and check glide alignment. Ensure no items are blocking the glides. Reduce the weight in the drawer.           |
| Gaps between dresser panels.                | Hardware not fully tightened; panels not properly aligned during assembly. | Ensure all cam locks and screws are fully tightened. Disassemble and reassemble the affected section, ensuring proper alignment. |
| Missing parts or damaged components.        | Packaging error or shipping damage.                                        | Do not proceed with assembly. Contact Furniway customer support immediately for replacement parts.                               |
