Garvee GV-10BK-2MB-YBY-n-8

Garvee 26-Inch Bar Stools (Set of 2) Instruction Manual

Model: GV-10BK-2MB-YBY-n-8

Introduction

Thank you for choosing Garvee 26-inch bar stools. This manual provides essential information for the safe assembly, operation, and maintenance of your new bar stools. Please read these instructions carefully before assembly and retain them for future reference.

Safety Information

- Ensure all parts are present and undamaged before assembly. Do not use if any parts are missing or defective.
- Assemble the stools on a soft, clean surface to prevent scratches.
- Tighten all screws and bolts securely. Periodically check and re-tighten fasteners to maintain stability.
- Do not stand on the stools. Use them only for seating.
- The maximum weight capacity for each stool is 300 pounds. Do not exceed this limit.
- Keep children away from the assembly area. Small parts can be a choking hazard.

Package Contents

The following components are included in your package:

- Barstools (2 units)
- Instruction manual
- Installation accessories (screws, bolts, Allen wrench)

Assembly Instructions

Assembly of the Garvee bar stools is designed to be straightforward. Each set includes clearly labeled parts, hardware, tools, and step-by-step instructions. Please follow the detailed guide provided in the included instruction manual for proper assembly.

1. Unpack all components and verify against the parts list in the included manual.
2. Attach the seat to the frame using the provided hardware.
3. Secure the backrest to the seat and frame.

4. Ensure all connections are tight and stable before use.

Usage

These bar stools are designed for comfortable seating at kitchen islands, home bars, or dining areas. The 26-inch height is suitable for countertops ranging from 35 to 43 inches high. The thick cushioned seat and ergonomic X-shaped backrest provide support for extended periods.

Maintenance and Care

To ensure the longevity and appearance of your Garvee bar stools, follow these maintenance guidelines:

- **Cleaning the Seat:** The waterproof PU leather seat allows for easy cleaning. Wipe away spills, stains, or dust promptly with a damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the material.
- **Frame Care:** The metal frame is scratch-resistant. Clean with a soft, dry cloth. For stubborn marks, a slightly damp cloth can be used, followed by immediate drying.
- **Regular Inspection:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten as necessary to maintain stability and prevent wobbling.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or damage to the upholstery.

Troubleshooting

If you encounter any issues with your bar stools, consider the following common solutions:

- **Wobbling:** If a stool wobbles, check that all screws and bolts are evenly tightened. Loosen all fasteners slightly, sit on the stool to settle it, then re-tighten all fasteners firmly. Ensure the floor surface is even.
- **Loose Parts:** If any part feels loose, immediately stop using the stool and re-tighten the corresponding fasteners.
- **Scratches on Floor:** Ensure the protective foot pads (if included) are properly installed. If not, consider adding felt pads to prevent floor scratches.

Specifications

Feature	Specification
Product Dimensions (D x W x H)	16.14" x 16.14" x 41.2"
Seat Height	26 inches
Color	Modern Black
Frame Material	Metal (Iron finish)
