kurdene OWS9I

kurdene Open Ear Buds Wireless Headphones OWS9I User Manual

Model: OWS9I

INTRODUCTION

Thank you for choosing kurdene Open Ear Buds Wireless Headphones. These open-ear headphones are designed for comfort and high-quality audio, featuring Bluetooth 5.4 technology for stable connectivity and intuitive touch controls. This manual provides detailed instructions for setup, operation, maintenance, and troubleshooting to ensure optimal performance and longevity of your device.

SETUP

1. What's in the Box

- kurdene Open Ear Buds (Left and Right)
- Charging Case
- Charging Cable
- User Manual

2. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Connect the charging cable to the charging case and a power source. The indicator lights on the case will show the charging status. A full charge provides up to 12 hours of continuous playtime for the earbuds, with the charging case offering an additional 48 hours, totaling 60 hours of battery life.

Smart Touch Control

This allows for true hands-free convenience during workouts, drives, or sports

Image: Visual representation of the 60-hour total battery life, detailing 12 hours from a single earbud charge and 48 hours provided by the charging case.

3. Pairing with Your Device

1. Ensure the earbuds are charged and placed in the charging case.
2. Open the charging case. The earbuds will automatically enter pairing mode, indicated by a flashing LED light.
3. On your device (smartphone, tablet, computer), enable Bluetooth.
4. Search for available Bluetooth devices and select "OWS9I" from the list.
5. Once connected, the LED indicator on the earbuds will stop flashing, and your device will confirm the connection.

The latest Bluetooth 5.4 technology ensures a faster data transfer and an ultra-stable connection up to 33 feet (10 meters).

OPERATING INSTRUCTIONS

1. Wearing the Earbuds

The kurdene Open Ear Buds feature a unique open-ear design that rests gently and securely on top of your ears, providing a natural, pressure-free listening experience. The soft silicone ear hooks ensure a snug and stable fit for various activities.

- Gently place the earbud over your ear, ensuring the speaker portion is positioned near your ear canal without entering it.
- Adjust the ear hook to fit comfortably and securely around the back of your ear.

MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your kurdene Open Ear Buds.

- **Cleaning:** Regularly wipe the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage. Store in a cool, dry place away from extreme temperatures.
- **Charging:** Use only the provided charging cable or a certified equivalent. Avoid overcharging the device.
- **Water Exposure:** While designed for active use, avoid submerging the earbuds in water. Clean any moisture immediately with a dry cloth.

TROUBLESHOOTING

If you encounter issues with your earbuds, refer to the following common solutions:

- **Earbuds not pairing:**
 1. Ensure both earbuds are fully charged.
 2. Place earbuds back into the charging case, close the lid, then open it again to re-enter pairing mode.
 3. Turn off and on your device's Bluetooth, then try searching for "OWS9I" again.
 4. If issues persist, try resetting the earbuds (refer to manufacturer's website for specific reset instructions if not detailed here).
- **One earbud not working/charging:**
 1. Check if the earbud is properly seated in the charging case and making contact with the charging pins.
 2. Clean the charging contacts on both the earbud and the case with a dry cotton swab.
 3. Ensure the charging case itself has sufficient power.
- **Low volume or poor sound quality:**
 1. Adjust the volume on both your connected device and via the earbud touch controls.
 2. Ensure the earbuds are worn correctly and securely on your ears.
 3. Check for any obstructions on the earbud speakers and clean if necessary.
- **Intermittent connection:**
 1. Ensure your device is within the 33-foot (10-meter) Bluetooth range.
 2. Avoid strong electromagnetic interference from other devices.
 3. Disconnect and reconnect the earbuds from your device.
