

Sikaic Fluted TV Stand with LED

Sikaic Fluted TV Stand with LED - Mid-Century Modern TV Cabinet User Manual

Model: Fluted TV Stand with LED | **Brand:** Sikaic

1. INTRODUCTION

Thank you for choosing the Sikaic Fluted TV Stand with LED. This mid-century modern TV cabinet is designed to enhance your living space with its functional features and aesthetic appeal. It includes a projector-friendly skylight, customizable LED lighting, and ample storage. This manual provides essential information for safe assembly, operation, and maintenance of your new TV stand.

2. SAFETY INFORMATION

- Read all instructions carefully before assembly and use.
- Keep children and pets away during assembly. Small parts can be a choking hazard.
- Ensure all connections are secure before placing items on the stand.
- Do not exceed the maximum weight capacity of **200 lbs** for the tabletop.
- Place the TV stand on a flat, stable surface to prevent tipping.
- Avoid exposing the unit to direct sunlight or extreme temperatures.
- Use only the provided hardware for assembly.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts and hardware are present. Refer to the included user manual and

hardware bag for a complete list.

- Main TV Stand Components (Engineered Wood)
- Hardware Bag (screws, connectors, tools)
- LED Light Strip and Controller
- User Manual (this document)

4. SETUP AND ASSEMBLY

Assembly of the Sikaic Fluted TV Stand is designed to be straightforward with clear instructions and numbered parts. It is recommended to have two people for assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Match each component with the corresponding number in the assembly guide.
3. **Follow Instructions:** Refer to the detailed step-by-step instructions provided in the separate assembly manual included in the hardware bag.
4. **Secure Connections:** Ensure all screws and connectors are tightened securely, but do not overtighten.
5. **Install LED Lights:** Follow the specific instructions for installing the LED light strip and connecting the controller.

5. OPERATING INSTRUCTIONS

5.1 Projector-Friendly Skylight Design

The TV stand features a unique skylight-opening top with an adjustable sliding tray. This design allows for easy adjustment of screen size and projector distance. Simply open the top panel and slide the tray to position your projector (up to 11 inches tall) for optimal viewing.

5.2 Customizable LED Lighting

The built-in LED lights offer 7 colors, stepless dimming, and multiple dynamic modes. Control the lighting via the included remote or a compatible app. The amber-tinted tempered glass drawer fronts softly glow when illuminated, creating an ambient display.

5.3 Ample Hidden Storage

The TV stand features three spacious drawers with concealed pulls, providing discreet storage for media devices, game consoles, and accessories. Each drawer has an upper visibility area when opened, allowing easy access to stored items.

6. MAINTENANCE

- **Cleaning:** The water-resistant laminate top can be wiped clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust the surface with a soft, dry cloth.
- **LED Lights:** If LED lights dim or flicker, check the power connection. If issues persist, contact customer support.
- **Hardware:** Periodically check and tighten any loose screws or connections to maintain stability.

7. TROUBLESHOOTING

• LED Lights Not Working:

- Ensure the power adapter is securely plugged into both the LED strip and a working power outlet.
- Check if the remote control battery needs replacement.
- Verify that the LED controller is properly connected to the light strip.

• Drawers Not Sliding Smoothly:

- Check for any obstructions in the drawer slides.
- Ensure the drawer slides are properly aligned and securely fastened.

• **Stand Wobbles:**

- Confirm that the TV stand is placed on a level surface.
- Retighten all assembly screws and connections.

If you encounter any issues not listed here, please contact customer support for assistance.
