JAMFLY SF93PL

JAMFLY 77-inch Pull Out Sleeper Sofa Bed Instruction Manual

Model: SF93PL

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your JAMFLY 77-inch Pull Out Sleeper Sofa Bed with Storage Chaise. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of your product. Keep this manual for future reference.

Safety Information

Please observe the following safety precautions to prevent injury and damage to the product:

- Ensure all components are securely fastened before use.
- Do not exceed the maximum weight limit of 600 pounds.
- Keep children and pets away from the assembly area.
- Use caution when operating the pull-out bed mechanism to avoid pinching.
- Avoid standing or jumping on the sofa or chaise.
- Place the sofa on a level surface to prevent tipping.

Package Contents

Your JAMFLY Sleeper Sofa is shipped in multiple boxes. Please verify that all parts are present before beginning assembly. If any

parts are missing or damaged, contact customer support.

- Sofa Base Sections
- Chaise Section with Storage
- Back Cushions (3)
- Seat Cushions (3)
- Armrests (2)
- Sofa Legs
- Assembly Hardware (bolts, washers, Allen wrench)
- Instruction Manual (this document)

Setup and Assembly

Assembly typically takes approximately 60 minutes with two people. All necessary tools are included.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.
2. **Attach Legs:** Securely attach the sofa legs to the bottom of each sofa and chaise section using the provided hardware. Ensure they are tightened firmly.
3. **Connect Sofa Sections:** Align the connecting brackets on the sofa base sections and slide them together until they lock. The L-shaped design allows the chaise to be placed on either the left or right side to suit your room layout.
4. **Attach Armrests:** Slide the armrests onto the designated slots on the sofa base until they click into place.
5. **Place Cushions:** Position the seat and back cushions onto the sofa. Allow foam cushions to fully expand if they were compressed during shipping.

Operating Instructions

Converting to Sleeper Bed

The sofa easily converts into a sleeper bed for guests or extended lounging.

1. **Locate Pull-Out Mechanism:** Identify the dual hand straps located at the front of the sofa's main section.
2. **Pull Out Bed:** Gently pull the hand straps upwards and outwards. The bed frame will slide out smoothly from beneath the seat cushions.
3. **Extend Support Legs:** Ensure any integrated support legs automatically deploy or manually extend them for stability.
4. **Retract Bed:** To return to sofa mode, lift the front edge of the pull-out section slightly and push it back into the sofa until it locks securely.

Using Hidden Storage Chaise

The chaise section features a convenient storage compartment.

1. **Lift Chaise Seat:** Grasp the front edge of the chaise seat cushion and lift upwards. The seat will hinge open, revealing the storage space.
2. **Access Storage:** Store blankets, pillows, or other items in the compartment.
3. **Close Chaise:** Gently lower the chaise seat until it rests securely in its closed position.

Maintenance and Care

Fabric Care (Corduroy)

- **Regular Cleaning:** Vacuum the corduroy fabric regularly using a soft brush attachment to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. For stubborn stains, gently clean with a mild soap and water solution. Test on an inconspicuous area first.
- **Removable Covers:** The fabric covers are removable and can be machine washed. Follow the care instructions on the fabric label for best results. Use cold water and a gentle cycle, then air dry.
- **Avoid Harsh Chemicals:** Do not use bleach or abrasive cleaners, as these can damage the fabric.

General Maintenance

- **Under-Sofa Cleaning:** The high-leg design allows for easy cleaning underneath the sofa, including with robot vacuums. This promotes airflow and helps prevent mold and mildew.
- **Check Connections:** Periodically check all bolts and connections to ensure they remain tight. Retighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading.

Troubleshooting

Problem	Possible Cause	Solution
Sofa feels unstable or wobbly.	Loose leg connections or uneven floor.	Ensure all legs are securely tightened. Adjust leg levelers if present, or place shims under legs on uneven surfaces.
Pull-out bed mechanism is stiff or stuck.	Obstruction, misaligned components, or lack of lubrication.	Check for any objects blocking the mechanism. Ensure the sofa sections are properly aligned. Apply a silicone-based lubricant to moving parts if necessary.
Chaise storage lid does not close properly.	Overfilled storage compartment or hinge issue.	Remove excess items from the storage compartment. Check hinges for damage or misalignment.

Problem	Possible Cause	Solution
Fabric appears discolored or faded.	Prolonged exposure to direct sunlight.	Relocate the sofa away from direct sunlight or use curtains/blinds to protect it.

Specifications

Brand	JAMFLY
Model Number	SF93PL
Product Dimensions (D x W x H)	40.8"D x 77.2"W x 31.5"H
Item Weight	144 Pounds
Seating Capacity	3
Weight Limit	600 Pounds
