GNMN GNMN V7

GNMN V7 AI Translation Wireless Earbuds User Manual

Model: GNMN V7

INTRODUCTION

Thank you for choosing the GNMN V7 AI Translation Wireless Earbuds. This manual provides essential information for setting up, operating, and maintaining your earbuds to ensure optimal performance and longevity. Please read this manual thoroughly before use.

SETUP

What's in the Box

- Wireless Bluetooth Headphones
- Wireless Charging Case
- USB-C Charging Cable
- Eartips (multiple sizes)
- User Manual

Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. Connect the provided USB-C cable to the charging case and a power source. The dual LED display on the case will show the battery levels. A full charge provides up to 8 hours of playback for the earbuds and up to 96 hours with the charging case.

Bluetooth Pairing

1. Ensure the earbuds are charged and inside the charging case.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth.
4. Search for "GNMN V7" in the list of available Bluetooth devices and select it to connect.
5. Once connected, you will hear a confirmation tone.

Your browser does not support the video tag.

AI Translation App Setup

To utilize the AI translation features, download the dedicated app:

1. Scan the QR code in the manual or search for the app on Google Play Store (Android) or Apple App Store (iOS).
2. Install and open the app.
3. Ensure Bluetooth is enabled on your phone and connect the earbuds within the app.
4. Go to the 'Mine' page in the app, select 'Bind Device', and enter the authorization code to link your earbuds.
5. A quick guide for functions is available within the app to start your translation journey.

How to Use The AI Translation Earbuds?

OPERATING INSTRUCTIONS

Wearing the Earbuds

The GNMN V7 earbuds feature adjustable ear hooks and come with multi-size ear caps to ensure a secure and comfortable fit, especially during physical activities. Adjust the ear hook to conform to the contours of your ear.

Active Noise Cancellation

The V7 Bluetooth headphones reduce noise by 45dB, letting you enjoy your private space anytime, anywhere.

Touch Controls

The earbuds feature smart touch controls for easy management of music and calls:

Function	Action (R or L Earbud)
Play/Pause Music	Press Twice
Next Song	Press Three Times (Right)
Previous Song	Press Three Times (Left)
Volume +	Long Press (Right)
Volume -	Long Press (Left)
Answer/End Call	Press Twice
Reject Call	Long Press 2s
Activate Siri/Voice Assistant	Press Thrice

AI Translation Features

Leverage the AI chip for real-time translation across 164 languages. This feature is accessible through the dedicated app.

- **Real-Time Translation:** During face-to-face conversations, use your phone's translation feature. The earbuds will provide real-time audio translations.
- **Voice and Video Call Translation:** The earbuds can translate during voice and video calls, breaking down language barriers in communication.
- **Voice Notes:** The app supports real-time voice recording, automatic language recognition, and conversion to text output.

MAINTENANCE

Cleaning

Regularly clean your earbuds and charging case to maintain hygiene and performance. Use a soft, dry, lint-free cloth. For stubborn dirt, slightly dampen the cloth with water. Avoid using harsh chemicals or abrasive materials.

Water Resistance (IPX7)

The earbuds are IPX7 waterproof, meaning they can withstand immersion in water up to 1 meter for 30 minutes. This makes them suitable for workouts and protection against sweat and rain. However, they are not designed for swimming or prolonged submersion.

Storage

When not in use, store the earbuds in their charging case to protect them from dust, damage, and to keep them charged.

TROUBLESHOOTING

If you encounter issues with your GNMN V7 earbuds, try the following solutions:

- **No Sound/Poor Sound Quality:**

- Ensure earbuds are properly seated in your ears and ear tips are the correct size.
- Check the volume level on both your device and the earbuds.
- Ensure earbuds are connected via Bluetooth.
- Clean any debris from the earbud speakers.

- **Earbuds Not Pairing:**

- Make sure Bluetooth is enabled on your device.
- Place earbuds back in the charging case, close the lid, then open it again to re-enter pairing mode.
- Forget/remove "GNMN V7" from your device's Bluetooth list and try pairing again.
- Ensure earbuds and device are within close proximity.

- **Charging Issues:**

- Check that the USB-C cable is securely connected to both the case and the power source.
- Ensure the charging contacts on the earbuds and inside the case are clean and free of debris.
- Try a different charging cable or power adapter.

- **AI Translation Not Working:**

- Ensure the dedicated translation app is installed and updated.
- Verify that the earbuds are correctly bound within the app.
- Check your internet connection, as translation features may require online access.
