Bellemave TH-00490R-FN2

Bellemave Full Size Kids Montessori Floor Bed with Door

Model: TH-00490R-FN2

1. INTRODUCTION AND OVERVIEW

This manual provides detailed instructions for the assembly, operation, and maintenance of your Bellemave Full Size Kids Montessori Floor Bed with Door. This floor bed is designed to offer a safe and independent sleeping environment for children, featuring a low-to-the-ground design and protective high fences with a lockable door.

Figure 1: Fully assembled Bellemave Montessori floor bed, showcasing its low profile, high fence, and integrated door.

2. SAFETY INFORMATION

Please read and understand all safety warnings and instructions before assembly and use. Failure to follow these instructions may result in serious injury.

- **Adult Assembly Required:** This product must be assembled by an adult.
- **Supervision:** Always supervise children when they are using the bed, especially during initial use.
- **Weight Limit:** Do not exceed the recommended weight limit for a full-size bed.
- **Mattress Fit:** Ensure the mattress used fits snugly within the bed frame to prevent gaps where a child could become entrapped.
- **No Climbing:** Instruct children not to climb on the bed frame or guardrails.
- **Placement:** Place the bed on a flat, level surface. Keep the bed away from windows, cords, and other potential hazards.
- **Hardware Check:** Regularly check all bolts and screws to ensure they are tight. Retighten as necessary.
- **Door Latch:** Always ensure the door latch is securely closed when the child is unsupervised in the bed.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- Wood Bed Panels (various sizes for sides, head, foot, and door)
- Guardrails (integrated into panels)
- Door Assembly
- Hardware Pack (screws, bolts, barrel nuts, Allen wrench)
- Instruction Manual

4. SETUP AND ASSEMBLY INSTRUCTIONS

Follow these steps carefully for proper assembly. Two adults are recommended for assembly.

1. **Unpack and Identify Parts:** Lay out all wooden panels and hardware on a clean, soft surface to prevent scratches. Identify each part using the provided diagrams (if any) and the package contents list.
2. **Assemble Side Panels:** Begin by connecting the long side panels to the head and foot panels using the provided bolts and barrel nuts. Ensure all connections are secure but do not overtighten initially.
3. **Install Door Frame:** Integrate the door frame section into one of the side panels as indicated in the assembly diagram. Secure it with the appropriate hardware.
4. **Attach Door:** Carefully attach the door to its frame using the hinges. Ensure the door swings freely and aligns correctly. Install the latch mechanism.
5. **Final Tightening:** Once all panels are connected and the bed frame is fully assembled, go back and securely tighten all bolts and screws. Do not overtighten to avoid stripping the wood.
6. **Placement:** Position the assembled bed in its desired location. Ensure there is adequate space around the bed and that it is not obstructing any pathways or outlets.

Size: inch

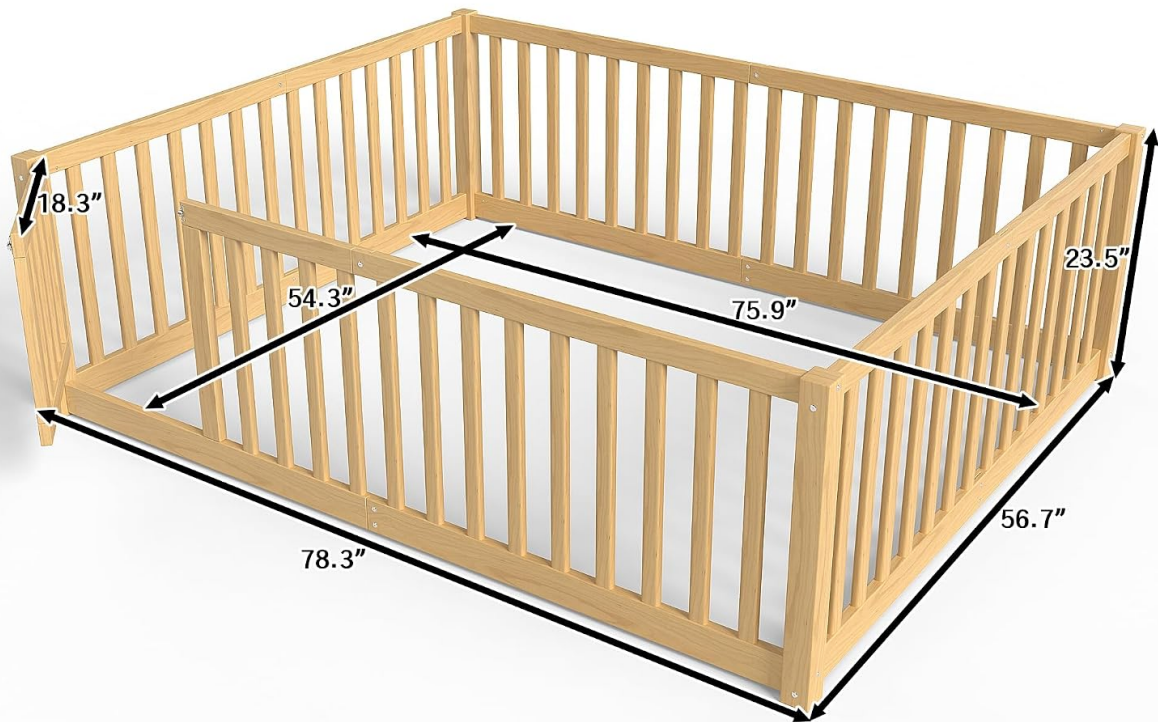

Figure 2: This diagram illustrates the overall dimensions of the assembled floor bed, including length, width, and height of the frame and door opening.

Figure 3: A detailed view of the bed's door, highlighting the latch mechanism and the vertical slats.

5. OPERATING INSTRUCTIONS

The Bellemave Montessori Floor Bed is designed for ease of use and child independence.

- **Placing the Mattress:** Place a standard full-size mattress directly onto the floor within the bed frame. The low height allows children to easily get in and out.
- **Using the Door:** The integrated door can be opened and closed to allow access. Use the latch to secure the door when the child is sleeping or playing inside to ensure safety.
- **Multi-functional Use:** Beyond sleeping, the enclosed space can serve as a safe play area, reading nook, or quiet space for your child.

Figure 4: The floor bed shown with a small tent and toys inside, demonstrating its versatility as a safe play area.

6. MAINTENANCE

Proper care will extend the life of your floor bed.

- **Cleaning:** Wipe down the wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Hardware Check:** Periodically inspect all screws, bolts, and connections. Tighten any loose hardware to maintain stability and safety.
- **Wood Care:** Keep the bed away from extreme temperature changes or direct sunlight to prevent warping or fading of the wood.

7. TROUBLESHOOTING

If you encounter any issues, refer to the following common solutions:

- **Bed feels wobbly:** Ensure all bolts and screws are fully tightened. Check that the bed is on a level surface.
- **Door does not close smoothly:** Check hinges for proper alignment. Ensure no debris is obstructing the door's path or the latch mechanism.
- **Squeaking noises:** Identify the source of the noise and tighten the corresponding hardware. Applying a small amount of lubricant to metal-on-metal connections (if applicable) may help.

8. SPECIFICATIONS

Model Number	TH-00490R-FN2
Size	Full
Material	Wood (Pine Wood)
Product Dimensions (L x W x H)	78.3"L x 56.65"W x 23.5"H
Item Weight	20 pounds
Special Features	High Fence, Solid Wood, Lockable Door
Included Components	Guardrails
UPC	800067085817

9. WARRANTY AND SUPPORT

For warranty information or technical support, please refer to the documentation included with your purchase or contact Bellemave customer service directly. Keep your purchase receipt for warranty claims.
