WHAT'S IN THE BOX

Ensure all items are present upon unboxing:

- TAGRY H08 Headphones
- User Manual
- Audio Cable (3.5mm)
- Travel Pouch
- Type C Charging Cable

SETUP

1. Charging the Headphones

Before first use, fully charge your headphones. The fast charging technology allows for 10 hours of music playback with just a 5-minute charge. A full charge provides up to 100 hours of playtime.

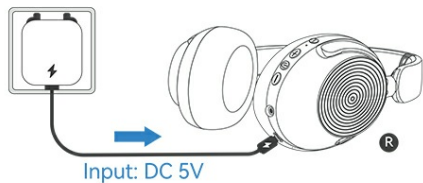

Image: The TAGRY H08 headphones connected to a charging cable, illustrating the charging process.

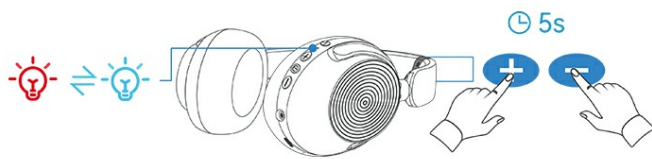

2. Powering On and Bluetooth Pairing

1. Press and hold the power button for 2 seconds to turn on the headphones. The indicator light will flash, indicating pairing mode.
2. On your device (smartphone, tablet, PC), enable Bluetooth and search for available devices.
3. Select "H08" from the list of devices. Once connected, the indicator light will turn solid blue.

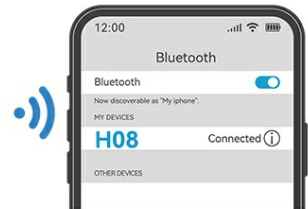

Trouble Shooting Guide for Do Not Work

Please charge headphones for full before first using.

If you connect headphones with your device failed, press and hold the "V+" and "v-" keys simultaneously for 5 seconds to reset headphones.

Please press "⏻" 2s" for power on and then pairing headphones.

OPERATING INSTRUCTIONS

1. Button Controls

The headphones feature intuitive button controls for various functions:

- **Power Button:** Press and hold for 2 seconds to power on/off. Short press to play/pause music or answer/end calls. Double press to reject calls.
- **Volume Up (+):** Short press to increase volume. Long press for next track.

- **Volume Down (-):** Short press to decrease volume. Long press for previous track.
- **ANC Button:** Press to toggle Active Noise Cancellation on/off.

Wide Compatible

Image: A detailed diagram showing the location and function of each button on the TAGRY H08 headphones.

2. Active Noise Cancellation (ANC)

The advanced ANC technology reduces up to 95% of ambient noise, providing a more immersive listening experience. Press the ANC button to activate or deactivate this feature.

3. Wired Connection (3.5mm AUX)

For situations where wireless connectivity is not preferred or available, use the included 3.5mm audio cable to connect your headphones to compatible devices. This allows for continued audio playback even if the battery is depleted.

4. Call Functions

The built-in microphone allows for clear hands-free calls. Use the power button to manage calls:

- Short press: Answer/End call
- Double press: Reject call

MAINTENANCE

1. Cleaning

Wipe the headphones with a soft, dry cloth. Do not use abrasive cleaners or solvents. Avoid getting moisture into any openings.

2. Storage

When not in use, store the headphones in the provided travel pouch to protect them from dust and scratches. The foldable design makes them compact for storage and travel.

TROUBLESHOOTING

1. Cannot Connect/Pair

- Ensure the headphones are charged and powered on.
- Make sure Bluetooth is enabled on your device and it is within range (typically 10 meters/33 feet).
- If connection fails, press and hold the "V+" and "V-" keys simultaneously for 5 seconds to reset the headphones. Then attempt pairing again.
- Forget the device from your phone's Bluetooth settings and try pairing again.

Image: A visual troubleshooting guide showing steps to reset and re-pair the headphones if connection issues occur.

2. No Sound

- Check the volume level on both the headphones and your connected device.
- Ensure the headphones are properly paired via Bluetooth or the 3.5mm audio cable is securely connected.
- If using a wired connection, ensure the cable is not damaged.

3. ANC Not Working Effectively

- Ensure the ANC feature is turned on using the dedicated ANC button.
- Active Noise Cancellation is most effective against low-frequency, constant noise. It may not completely eliminate all sounds, especially sudden or high-frequency noises.

SPECIFICATIONS

Feature	Detail
Brand	TAGRY
Model Number	H08-0615
Color	Black
