PRAISUN B0H5BHGTQL

PRAISUN 57.5 Inch L-Shaped Gaming Desk with Power Outlets and LED Lights User Manual

Model: B0H5BHGTQL

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your PRAISUN 57.5 Inch L-Shaped Gaming Desk. This desk is designed to offer a versatile workspace with integrated power outlets, USB-C port, LED lighting, and extensive storage solutions. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

Figure 1: Fully assembled PRAISUN L-Shaped Gaming Desk.

SAFETY INFORMATION

- Always assemble the desk on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload the shelves or desk surface. Refer to specifications for weight limits.
- Keep liquids away from power outlets and electrical components.
- Do not attempt to modify the electrical components or wiring. Contact a qualified electrician if issues arise.
- Keep small parts out of reach of children during assembly.
- Use only the provided hardware for assembly.

PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Desk Panels (various sizes)
- Metal Frame Components
- Hardware Pack (screws, bolts, Allen wrench)
- Power Outlet Strip with USB/USB-C ports
- LED Light Strips and Controller
- Fabric Drawers (3 units)
- Side Storage Bag
- Headphone Hooks (2 units)
- Adjustable Shelf
- Acrylic Cabinet Doors
- Instruction Manual

SETUP AND ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included assembly guide. Ensure all parts are correctly oriented as shown in the diagrams. The desk features a reversible L-shaped design, allowing you to configure the longer side to either the left or right to suit your room layout.

1. Understand Product Dimensions and Reversible Design

Product Dimensions

57.5"(W)x43.3"(D)x65"(H)

Figure 2: Product dimensions and illustration of reversible installation. The desk measures 57.5" (W) x 43.3" (D) x 65" (H).

Review the dimension diagram to plan your desk orientation (left or right L-shape) before starting assembly. The main desk section is 57.5 inches wide, and the return section is 43.3 inches deep. The overall height including the shelving unit is 65 inches.

2. Assembly Steps Overview

- 1. Unpack and Identify Parts:** Lay out all components and hardware. Match them with the parts list in your separate assembly guide.
- 2. Assemble the Main Desk Frame:** Connect the metal frame components for the primary desk section.
- 3. Attach Desk Panels:** Secure the engineered wood desk panels to the frame.
- 4. Assemble the Storage Shelving Unit:** Construct the vertical shelving unit, paying attention to the orientation for your desired L-shape.
- 5. Integrate Power Outlet Strip:** Install the power outlet strip into the designated slot on the desk surface.
- 6. Install LED Light Strips:** Adhere the LED light strips to the specified areas within the shelving unit. Connect them

to the controller.

7. **Insert Fabric Drawers:** Place the three fabric drawers into their respective compartments.
8. **Attach Side Storage Bag and Headphone Hooks:** Secure these accessories to the desk frame.
9. **Final Checks:** Ensure all connections are tight and the desk is stable.

Figure 3: Examples of the reversible L-shaped desk configurations.

OPERATING INSTRUCTIONS

1. Built-in Charging Station

Built-In Charging Station

Easy charging, No messy cords

4 AC Outlets
125V / 12A

2 USB Ports
5V / 3A

1 Type-C Port
5V / 3A

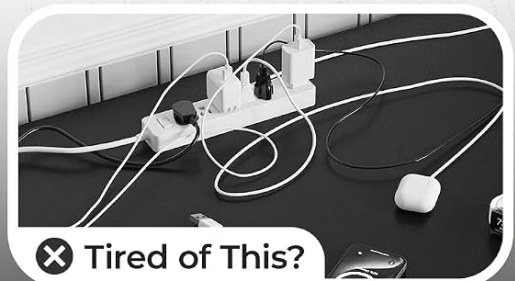

Figure 4: The integrated charging station provides convenient power access.

The desk is equipped with a power strip featuring **4 AC outlets (125V/12A)**, **2 USB ports (5V/3A)**, and **1 Type-C port (5V/3A)**. To use, plug the desk's main power cord into a wall outlet. You can then connect your devices directly to the integrated ports for charging and power supply.

2. LED Lighting System

2 Different Ways to Set up

Figure 5: Smart controller and app interface for LED light customization.

The integrated LED light strips can be controlled via a physical smart controller or a dedicated mobile application.

- **Smart Controller:** Use the buttons on the controller to switch the lights on/off, select from 12 scene modes, and adjust brightness.
- **Mobile App:** Download the recommended app (refer to the separate LED light manual for QR code or app name). The app allows access to over 60,000 colors, mic mode (lights react to sound), music sync, and timing functions.

3. Storage Features

Large Storage Space

2 Hooks for Headphones ① ②

5 Tiers Open Shelves ③ ④ ⑤ ⑥ ⑦

2 Acrylic Display Cabinet ⑧ ⑨

3 Storage Drawers ⑩

1 Side Storage Bag ⑪

Figure 6: Comprehensive storage solutions for an organized workspace.

- **6-Tier Storage Shelves:** Utilize the open shelves for books, office supplies, or decorative items. One shelf is adjustable to accommodate different item heights.
- **Acrylic Display Cabinet:** The upper cabinet with acrylic doors provides dust-free storage for display items.
- **3 Fabric Drawers:** Use the pull-out fabric drawers for documents, stationery, and small personal items.
- **Side Storage Bag:** The fabric bag attached to the side of the desk is ideal for magazines, notebooks, or other frequently accessed items.
- **Headphone Hooks:** Two hooks are provided for convenient storage of headphones or other small accessories.

Figure 7: Detailed view of key structural and storage features.

MAINTENANCE

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Dusting:** Regularly dust the desk and shelves to prevent buildup.
- **Hardware Check:** Periodically inspect all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Electrical Components:** Keep the power outlets and LED strips free from dust and debris. Do not immerse electrical components in water.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Desk is wobbly/unstable.	Loose screws or uneven floor.	Check and tighten all assembly screws. Adjust leveling feet if present, or place shims under legs on uneven surfaces.
Power outlets/USB ports not working.	Desk power cord not plugged in, or circuit breaker tripped.	Ensure the desk's main power cord is securely plugged into a functional wall outlet. Check your home's circuit breaker. Test with another device.
LED lights not turning on or responding.	Loose connection, power issue, or controller malfunction.	Check all LED strip connections to the controller and power source. Ensure the desk's main power is on. Try using the mobile app if the controller isn't working, or vice-versa.
Fabric drawers do not slide smoothly.	Drawer is overloaded or not inserted correctly.	Reduce the weight in the drawer. Ensure the drawer is fully and correctly seated in its compartment.
