Jugeman V10

Jugeman V10 Smart Watch User Manual

Model: V10

INTRODUCTION

This manual provides detailed instructions for setting up, operating, and maintaining your Jugeman V10 Smart Watch. Please read this guide thoroughly to ensure optimal performance and longevity of your device.

SETUP

1. Package Contents

Verify that your package contains the following items:

- Jugeman V10 Smart Watch
- Magnetic Charging Cable
- User Manual

Montre connectée étanche IP68

Gérez facilement les scénarios d'utilisation quotidienne de l'eau.

Rainy

Wash hands

Sweat

Conseils chaleureux :

Ne convient pas aux bains d'eau chaude, aux saunas ou aux endroits é levés et corrosifs comme l'eau de mer, etc.

Image: The package contains the Jugeman V10 Smart Watch, a magnetic charging cable, and a user manual.

2. Charging the Smart Watch

Before first use, fully charge your smart watch. Connect the magnetic charging cable to the charging points on the back of the watch and plug the USB end into a power adapter (not included) or a computer's USB port.

- Charging Time: Approximately 2.5 hours
- Usage Time: Up to 7 days (normal use)
- Standby Time: Up to 30 days

3. App Installation and Pairing

To unlock the full functionality of your smart watch, download and install the companion application on your smartphone.

1. Download the **"FitCloudPro"** app from your phone's App Store (iOS) or Google Play Store (Android).
2. Ensure Bluetooth and GPS are enabled on your smartphone.
3. Open the FitCloudPro app, navigate to the device section, and search for "V10".
4. Select "V10" to connect and pair your smart watch with your phone.
5. Once paired, you can manage device settings and view data within the app.

OPERATING INSTRUCTIONS

1. Basic Navigation

The Jugeman V10 Smart Watch features a 2.06-inch HD touchscreen for intuitive control. Swipe across the screen to navigate through menus and tap to select options. Physical buttons on the side may offer additional shortcuts or functions.

2. Bluetooth Calls

The watch supports Bluetooth 5.4 for direct calls from your wrist.

- **Making Calls:** Access the dial pad or contacts list on your watch to initiate a call.
- **Receiving Calls:** When a call comes in, the watch will vibrate and display the caller ID. You can answer or reject the call directly from your wrist.

6. 100+ Sport Modes

The watch offers over 100 sport modes, including walking, running, cycling, and yoga. It tracks specific data such as steps, distance, calories burned, and activity minutes, allowing you to monitor your exercise status in real-time.

Autonomie Batterie Supérieure

380mAh High Capacity

- 2.5 Hours Charging Time
- USB Magnetic Charging
- 7 Days Normal Usage
- 30Days Standby Time

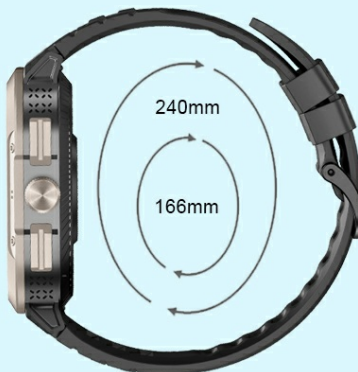

Image: Athletes demonstrating various sports, highlighting the watch's support for over 100 different sport modes.

7. Health Monitoring

The V10 Smart Watch provides continuous health monitoring features:

- **Heart Rate:** Monitors your heart rate throughout the day.
- **Blood Oxygen (SpO2):** Measures your blood oxygen levels.
- **Sleep Monitor:** Tracks your sleep patterns, including light, deep, and awake times.

MAINTENANCE

1. Water Resistance (IP68)

The Jugeman V10 Smart Watch is IP68 water-resistant, meaning it can withstand daily activities such as hand washing, rain, and sweat. It is resistant to immersion in water up to 5 meters deep.

Important Note:

- Do not use the watch in hot baths, saunas, or corrosive environments like seawater.
- Avoid direct contact with hot water or steam, as this can compromise the water seal.

Image: The watch submerged in water, illustrating its IP68 water resistance for daily use.

2. Cleaning

Regularly clean your watch and strap with a soft, dry cloth. If necessary, use a slightly damp cloth and mild soap, then dry thoroughly. Avoid harsh chemicals or abrasive materials.

3. Battery Care

To prolong battery life:

- Avoid extreme temperatures.
- Do not let the battery fully discharge frequently.
- If storing the watch for an extended period, charge it to about 50% first.

TROUBLESHOOTING

If you encounter issues with your Jugeman V10 Smart Watch, try the following solutions:

Watch Not Turning On

- Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
- Press and hold the power button for 10-15 seconds to force a restart.

Cannot Pair with Phone

- Make sure Bluetooth and GPS are enabled on your phone.
- Ensure the watch is within range of your phone (typically 10 meters).
- Restart both your phone and the smart watch.
- Clear the Bluetooth cache on your phone and try pairing again.

- Ensure the FitCloudPro app is updated to the latest version.

Inaccurate Health Data

- Ensure the watch is worn snugly on your wrist, not too tight or too loose.
- Clean the sensors on the back of the watch.
- Avoid excessive movement during measurements.

Notifications Not Appearing

- Check app notification settings in the FitCloudPro app.
- Ensure your phone's notification permissions are granted to the FitCloudPro app.
- Verify that the watch is successfully connected via Bluetooth.
