4. **Attach Back Panel:** Secure the MDF back panel to the rear of the unit. This enhances stability and durability.
5. **Install Doors:** Attach the doors to the lower section of the bookcase using the provided hinges. Adjust as necessary for proper alignment.
6. **Apply Cover Caps:** Use the included cover caps to conceal exposed screw heads for a finished appearance.
7. **Install Anti-Tip Kit:** This is a critical safety step. Secure the anti-tip kit to the top rear of the bookcase and firmly attach it to a wall stud or appropriate wall anchor.
