Bellemave Low Loft Bed Full with Slide and Lights Strip User Manual

Model: 015-118PF

1. INTRODUCTION

Thank you for choosing the Bellemave Low Loft Bed Full with Slide and Lights Strip. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed. Please read all instructions carefully before assembly and retain this manual for future reference.

This full-size low loft bed is designed for children, featuring a slide, integrated storage shelves, and an LED lights strip. It is constructed from high-quality pine wood, plywood, and MDF, ensuring durability and stability.

2. SAFETY INFORMATION

WARNING: Failure to follow these warnings and instructions could result in serious injury or death.

- Always ensure all connections are securely tightened before use. Periodically check and re-tighten as necessary.
- This bed is designed for children. Adult supervision is recommended, especially during initial use of the slide and ladder.
- The bed features full-round polished guardrails to prevent falls. Do not remove or modify these guardrails.
- Ensure the mattress used is appropriate for a full-size bed and fits snugly within the frame to prevent gaps.
- Keep small children away from the assembly area during construction to avoid choking hazards from small parts.
- Do not allow jumping on the bed.
- The maximum weight capacity for this bed is 500 LBS. Do not exceed this limit.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact Bellemave customer support.

- All necessary wooden bed frame components (headboard, footboard, side rails, slats, ladder, slide, storage

shelves).

- LED Lights Strip.
- Hardware pack (screws, bolts, nuts, etc.).
- All required assembly tools.
- Installation Manual.

4. SETUP AND ASSEMBLY

Assembly is required for this product. It is recommended to have two adults for assembly. Please follow the included Installation Manual step-by-step.

1. Unpack all components and lay them out on a clean, soft surface (e.g., a rug or blanket) to prevent scratches.
2. Identify all parts using the provided parts list in the Installation Manual.
3. Begin assembling the main bed frame according to the manual's diagrams. Ensure all connections are finger-tight before fully securing.
4. Attach the ladder and slide components as instructed.
5. Install the storage shelves.
6. Carefully attach the LED lights strip to the designated area, following the specific instructions for the lighting system.
7. Once all components are assembled, fully tighten all screws and bolts. Do not overtighten.
8. Place the mattress on the bed slats. No box spring is required.

Note: While all tools are included, some users have reported that assembly can be time-consuming. Ensure careful alignment of parts during assembly.

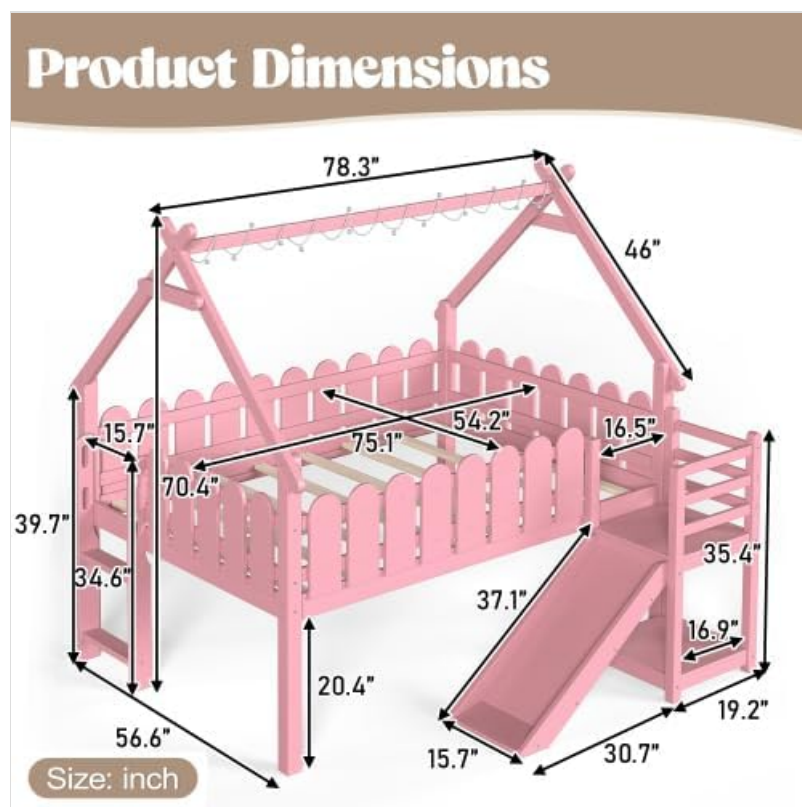

Figure 1: Product Dimensions. This diagram illustrates the overall dimensions of the Bellemave Low Loft Bed, including length, width, and height, as well as specific measurements for the slide, ladder, and bed frame components. All measurements are in inches.

Figure 2: Bellemave Pink House Full Low Loft Bed. A full view of the assembled pink low loft bed, showcasing its house-shaped frame, guardrails, slide, and ladder. The LED lights strip is visible along the top frame.

5. OPERATING INSTRUCTIONS

5.1 Using the Bed

- The bed provides a comfortable sleeping area for a full-size mattress.
- The space underneath the loft bed can be utilized as a play zone, study nook, or for additional storage.

5.2 Using the Ladder

- Use the integrated ladder to safely access the bed. Ensure hands and feet are clean and dry for a secure grip.
- Always face the ladder when climbing up or down.

5.3 Using the Slide

- The slide is intended for recreational use. Ensure the area around the slide is clear before use.

- Only one child should use the slide at a time.
- Slide down feet first, in a seated position.

5.4 Operating the LED Lights Strip

- The LED lights strip is designed to create a soft, ambient glow.
- Refer to the specific instructions provided with the LED lights strip for details on power connection, switching on/off, and any available light modes.
- Ensure the power source for the LED lights is easily accessible and safely managed.

Figure 3: Child using the slide. A young child is shown happily using the slide feature of the Bellemave Low Loft Bed, demonstrating its recreational aspect.

Figure 4: Loft Bed with Optional Canopy. This image displays the Bellemave Low Loft Bed with an added canopy, illustrating how the house-shaped frame can be customized for a cozy environment. The LED lights are also visible.

6. MAINTENANCE

- **Cleaning:** Wipe down the bed frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Hardware Check:** Periodically inspect all bolts, screws, and connections to ensure they remain tight. Retighten as needed to maintain stability and safety.
- **LED Lights:** Ensure the LED lights strip and its connections are free from damage. If any part of the lighting system is damaged, discontinue use and replace it.
- **Wood Care:** Protect the wood from extreme temperature changes and humidity. Avoid placing hot items directly on the wood surface.

Figure 5: Ladder and Bed Side Detail. A close-up view of the bed's ladder and the side guardrail, highlighting the smooth finish and secure construction.

7. TROUBLESHOOTING

7.1 Loose Connections / Squeaking

If the bed feels wobbly or makes squeaking noises, check all assembly hardware. Use the provided tools to tighten any loose bolts or screws. Do not overtighten.

7.2 LED Lights Not Working

- Ensure the power adapter is securely plugged into a working electrical outlet.
- Check all connections of the LED strip to the power adapter and controller (if applicable).
- If the issue persists, consult the specific manual for the LED lights strip or contact customer support.

7.3 Damaged or Missing Parts

If you discover any damaged or missing parts during unpacking or assembly, do not proceed with assembly. Contact Bellemave customer support immediately for assistance and replacement parts.
