Decofy DC-BF07

Decofy Full Bed Frame with Storage and Bookcase Headboard

Model: DC-BF07

1. PRODUCT OVERVIEW

The Decofy Full Bed Frame (Model DC-BF07) is designed to provide a functional and comfortable sleeping solution. It features a sturdy metal frame, a velvet upholstered headboard, integrated storage drawers, a bookcase headboard, a built-in charging station, and adjustable LED lighting.

This bed frame is engineered for durability and includes sound-dampening strips to minimize noise. No box spring is required for use with this frame.

2. SAFETY INFORMATION

- Ensure all components are securely fastened before use. Regularly check and tighten screws.
- Do not exceed the maximum weight capacity of 1000 lbs.
- Keep children away from small parts during assembly to prevent choking hazards.
- Use the charging station only with compatible devices and avoid overloading.
- Do not stand or jump on the bed frame.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts are present and undamaged. Refer to the included installation manual for a detailed list of components and hardware.

- Bed Frame Components (Headboard, Footboard, Side Rails, Slats)
- 2 Storage Drawers with Casters
- Bookcase Headboard Shelving and Panels
- Built-in Charging Station Unit
- LED Light Strip and Controller (Remote/App compatible)
- Assembly Hardware (Screws, bolts, washers, Allen wrench)
- Installation Manual

4. SETUP AND ASSEMBLY

Assembly of the Decofy Full Bed Frame requires careful attention to the provided instructions. It is recommended to have two people for assembly. All necessary tools are included.

4.1 Preparation

- Clear a spacious area for assembly.
- Unpack all components and lay them out, identifying each part according to the installation manual.
- Keep the hardware organized to avoid confusion.

4.2 Assembly Steps (General Guide)

1. **Assemble the Headboard:** Follow the manual to construct the bookcase headboard, including the shelving units and the flip-up storage compartment. Install the charging station and LED light strip as directed.
2. **Assemble the Bed Frame:** Connect the side rails to the headboard and footboard using the provided hardware. Ensure all connections are secure.
3. **Install Bed Slats:** Place the reinforced metal bed slats onto the frame. Secure them in place using the designated fasteners and sound-dampening strips to prevent movement and noise.
4. **Insert Storage Drawers:** Slide the two storage drawers into their designated positions under the bed frame. Ensure the casters move smoothly.
5. **Final Checks:** Verify that all screws are tightened and the frame is stable.

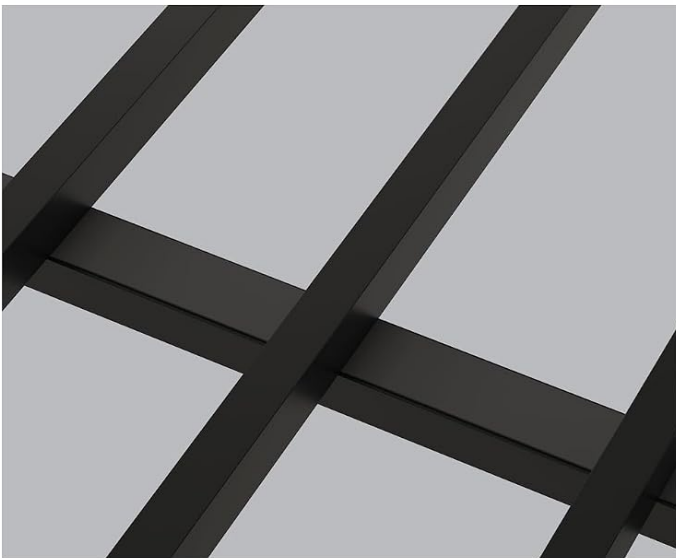

For detailed, step-by-step instructions, refer to the included physical installation manual.

5. OPERATING INSTRUCTIONS

5.1 Bookcase Headboard and Storage

- The headboard features open shelves for displaying items or storing frequently accessed belongings.
- A large, flip-up storage compartment is located behind the backrest for discreet storage of personal items. Gently lift the upholstered panel to access.

Image 5.1: View of the multi-functional bookcase headboard with open storage and a hidden compartment.

5.2 Built-in Charging Station

- The charging station is located on the headboard and includes 2 AC power outlets, 1 USB port (5V/2A), and 1 Type-C fast charging port (5V/2A).
- Plug the bed frame's power cord into a standard wall outlet.
- Connect your electronic devices to the appropriate ports for charging.

5.3 Adjustable LED Light Strip

- The LED light strip is integrated into the headboard.
- Control the LED lights using the included remote control or a compatible mobile application.
- Adjust colors (over 16 million options), brightness, lighting effects (over 20 dynamic modes), music modes, and set timer functions according to your preference.

5.4 Underbed Storage Drawers

- The bed frame includes two large-capacity storage drawers on smooth casters.
- Pull the drawers out from under the footboard to access storage space for bedding, clothing, or other items.
- Push the drawers back in until they are fully concealed under the bed.

Image 5.4: The rolling underbed storage drawers, demonstrating their capacity and smooth operation.

6. MAINTENANCE

6.1 Cleaning

- **Velvet Upholstery:** Gently vacuum the velvet surfaces with a soft brush attachment to remove dust. For spills, blot immediately with a clean, dry cloth. For stubborn stains, consult a professional upholstery cleaner. Avoid harsh chemicals.
- **Metal Frame:** Wipe the metal frame with a soft, damp cloth. Dry immediately to prevent rust. Avoid abrasive cleaners.
- **Wood Surfaces (Headboard):** Wipe with a soft, dry or slightly damp cloth. Avoid excessive moisture.

6.2 General Care

- Periodically check all bolts and screws and tighten them as needed to maintain stability.
- Ensure the storage drawers roll smoothly and are free of obstructions.

- Keep the charging station free of dust and debris.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed frame is wobbly or noisy.	Loose connections; uneven floor.	Tighten all bolts and screws. Ensure the bed is on a level surface. Check that slats are properly seated.
LED lights not working.	Power connection issue; remote battery dead; app not connected.	Check power connection to the LED strip. Replace remote battery. Ensure mobile app is correctly paired via Bluetooth.
Charging station not providing power.	Bed frame not plugged in; device cable faulty; power surge.	Ensure the bed frame's main power cord is securely plugged into a working wall outlet. Try a different device cable. Check household circuit breaker.
Storage drawers do not slide smoothly.	Obstruction; damaged casters.	Check for any items blocking the drawer path. Clean casters if debris is present. Contact customer service if casters are damaged.
