Garvee cF0-XVrzCdAg-G3JNXtwW-aiHbP8L

Garvee 24,000 BTU Mini Split Air Conditioner with Heat Pump User Manual

Model: cF0-XVrzCdAg-G3JNXtwW-aiHbP8L

1. Product Overview

The Garvee 24,000 BTU Mini Split Air Conditioner with Heat Pump is a highly efficient, ductless system designed for versatile climate control. Boasting a 21 SEER rating, it provides both cooling and heating for spaces up to 1500 sq. ft. This unit features advanced inverter technology for energy savings, quiet operation, and smart control options.

2. Setup and Installation

This Garvee mini split AC unit comes with a complete accessory kit, including both indoor and outdoor units, a multifunctional remote control, and a comprehensive installation kit. Professional installation is recommended to ensure optimal performance and adherence to safety standards.

2.1 Components Included

- Indoor Unit

- Outdoor Unit
- Multifunctional Remote Control
- Installation Kit (includes necessary lines and hardware)

2.2 Wi-Fi Connection Guide

The Garvee Mini Split AC unit supports Wi-Fi connectivity for remote control via a mobile app and voice commands. Follow these steps to connect your unit to Wi-Fi:

1. Download the Garvee smart home app on your mobile device.
2. Ensure your AC unit is powered on.
3. Follow the in-app instructions to add a new device. This typically involves selecting your device type and entering your Wi-Fi network details.
4. The app will guide you through the pairing process, which may involve pressing a specific button on the remote or indoor unit.
5. Once connected, you can name your device and control it remotely.

Video 2.2: This video demonstrates the step-by-step process for connecting your Garvee Mini Split AC unit to Wi-Fi using the mobile application.

3. Operating Instructions

The Garvee Mini Split AC offers various modes and features for enhanced comfort and energy efficiency.

3.1 Basic Operation

- **Power On/Off:** Use the remote control or mobile app to turn the unit on or off.
- **Temperature Adjustment:** Set your desired temperature between 60°F and 89°F.
- **Mode Selection:** Choose between Cooling, Heating, Fan, and Dehumidifier modes.
- **Fan Speed:** Adjust fan speed to Low, Medium, High, or Auto.

Image 3.1: Illustration of the fast cooling (to 60°F in 30s) and heating (to 89°F in 60s) capabilities of the Garvee Mini Split AC.

3.2 Advanced Features

- **24-Hour Timer:** Program the unit to turn on or off automatically at specific times.
- **Sleep Mode:** Optimizes temperature and fan speed for comfortable sleep while conserving energy.
- **Eco Mode:** Further reduces energy consumption by adjusting settings for maximum efficiency.
- **Auto Swing Function:** Ensures even air distribution throughout the room. In cooling mode, air flows in a shower-like

pattern; in heating mode, it flows in a blanket-like pattern to prevent direct blowing.

- **Wi-Fi and Voice Control:** Manage your unit from anywhere using the mobile app or integrate with smart home voice assistants.

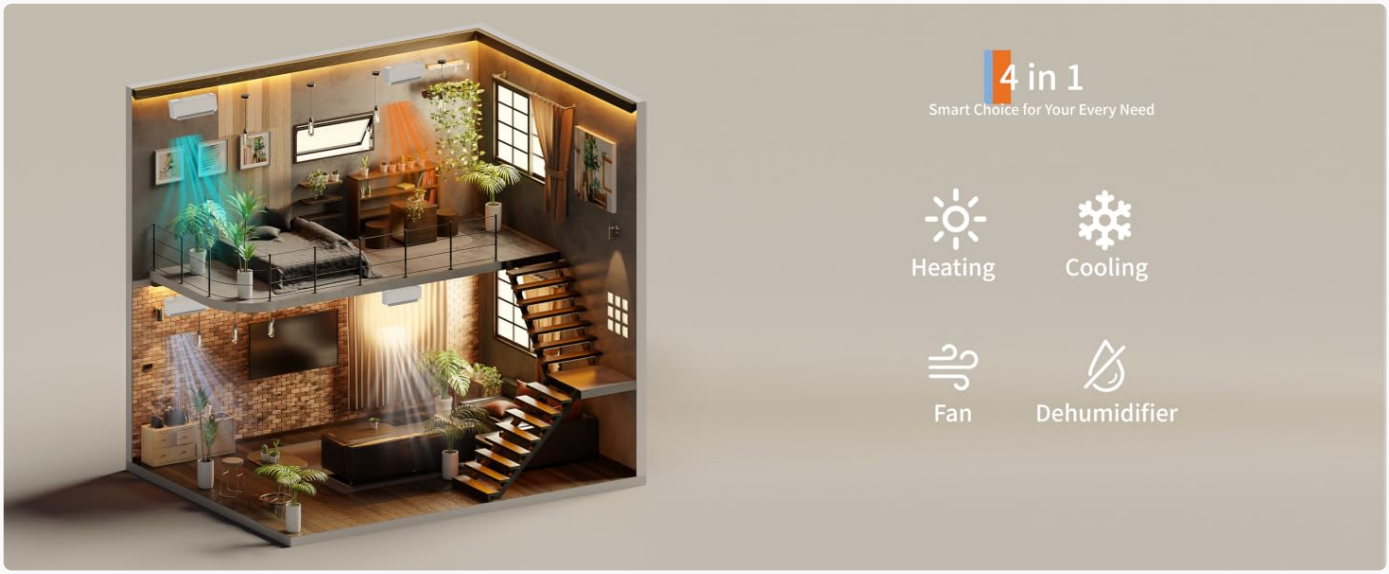

Image 3.2: The Garvee Mini Split AC offers convenient control options via both a physical remote and a mobile application.

3.3 Quiet Operation

The unit operates quietly, especially in Mute Mode, ensuring minimal disturbance. Noise levels are as low as 28dB, comparable to a whisper.

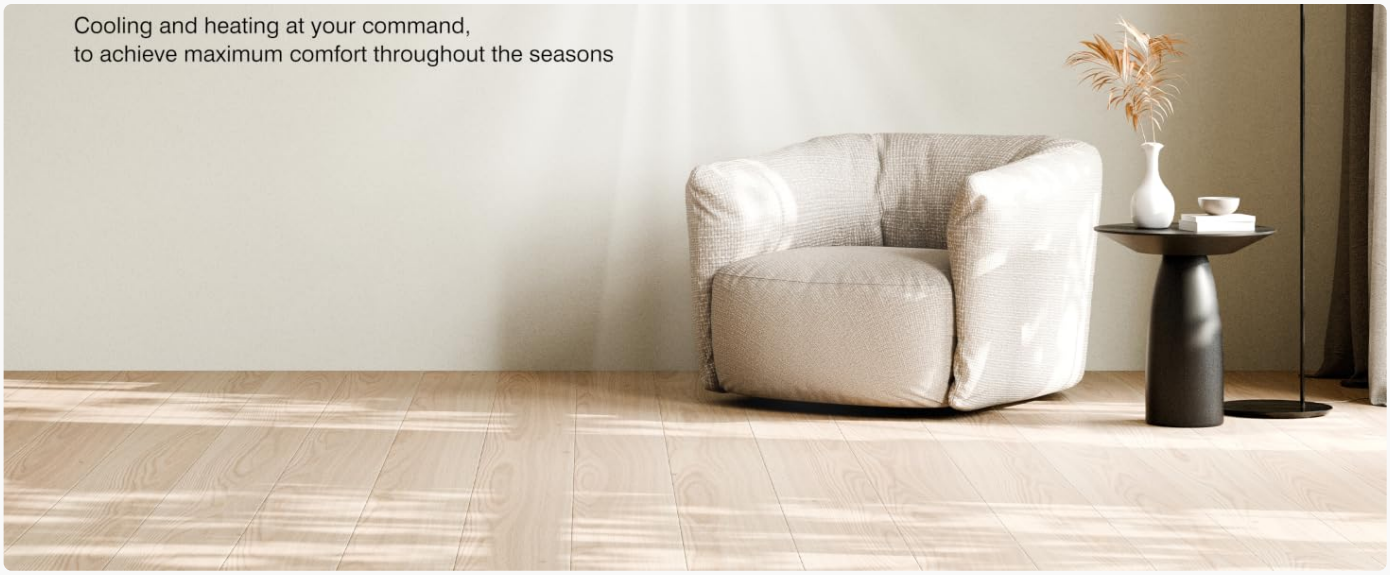

Image 3.3: The Garvee Mini Split AC operates at a low noise level of 28dB in Mute Mode, promoting a tranquil environment.

4. Maintenance

Regular maintenance ensures the longevity and efficiency of your Garvee Mini Split AC unit.

4.1 Filter Cleaning

The unit features a washable air filter that simplifies maintenance. A filter-cleaning reminder will alert you when it's time to clean the filter. Regularly cleaning the filter improves air quality and maintains optimal performance.

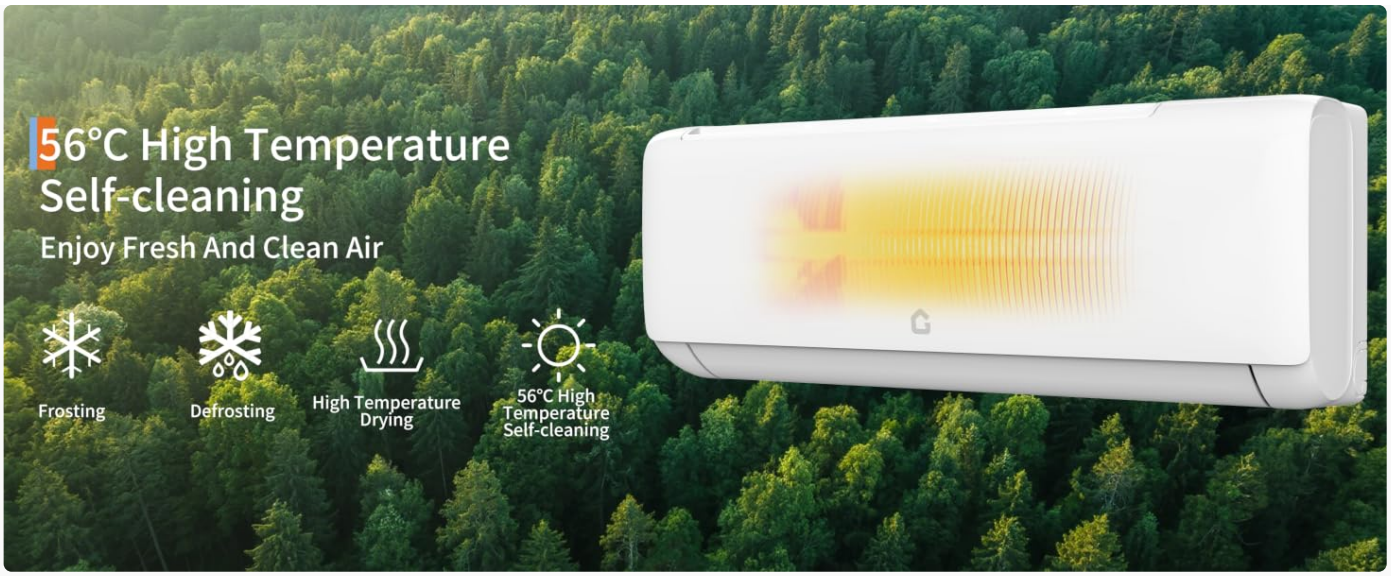

Image 4.1: A technician demonstrating the simple process of cleaning the washable air filter of the Garvee Mini Split AC.

4.2 Automatic Defrost and Self-Cleaning

- **Automatic Defrost:** The unit includes an automatic defrost function that enhances energy efficiency and extends the lifespan of the system, particularly in heating mode during colder conditions.
- **56°C High Temperature Self-cleaning:** This feature helps maintain a clean indoor unit by using high temperatures to inhibit mold and bacteria growth, ensuring fresh and clean air.

Image 4.2: The Garvee Mini Split AC features a 56°C high-temperature self-cleaning function for fresh and clean air.

5. Troubleshooting

If you encounter issues with your Garvee Mini Split AC, refer to the following common troubleshooting tips. For complex problems, contact customer support or a qualified technician.

- **Unit Not Turning On:** Check power supply, circuit breaker, and ensure the remote control batteries are functional.
- **Insufficient Cooling/Heating:** Verify temperature settings, ensure air filters are clean, and check for any obstructions to airflow. Ensure windows and doors are closed.
- **Unusual Noises:** Minor noises during operation are normal. If loud or unusual noises occur, check for loose parts or contact support.
- **Water Leakage:** Ensure the drainage hose is not blocked or kinked. Check for proper installation of the indoor unit.

- **Wi-Fi Connection Issues:** Restart your router and the AC unit. Re-attempt the Wi-Fi connection process as described in Section 2.2. Ensure your mobile device is on a 2.4GHz Wi-Fi network during setup.

6. Specifications

Feature	Specification
Brand	Garvee
Model Number	cF0-XVrzCdAg-G3JNXtwW-aiHbP8L
Cooling Power	24,000 BTU
Heating Capacity	24,000 BTU
Coverage Area	Up to 1500 sq. ft.
Seasonal Energy Efficiency Ratio (SEER)	21
Voltage	230V
Noise Level	42 dB (as low as 28dB in Mute Mode)
Control Method	App, Remote, Voice
Product Dimensions (Indoor Unit)	39.96"D x 16.73"W x 30"H (Note: This dimension seems to be for the overall product, not just indoor unit. Please refer to installation guide for precise indoor/outdoor unit dimensions.)
Refrigerant Type	R32
UPC	881206181225

7. Warranty and Support

7.1 Warranty Information

The Garvee 24,000 BTU Mini Split Air Conditioner with Heat Pump comes with a**2-year manufacturer's warranty**. Please retain your proof of purchase for warranty claims.

7.2 Customer Support

For technical assistance, warranty claims, or any questions regarding your Garvee product, please contact Garvee customer support. Refer to the contact information provided in your product packaging or visit the official Garvee website. **Important:** Do not attempt to repair the unit yourself. Unauthorized repairs may void your warranty and pose safety risks.
