Homieasy 20x20 Square End Table (B0H71GV8ML)

Homieasy 20x20 Square End Table

Model: B0H71GV8ML

INTRODUCTION

Thank you for choosing the Homieasy 20x20 Square End Table. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions thoroughly before beginning assembly and retain them for future reference.

SAFETY INFORMATION

- Always assemble the product on a soft, clean surface to prevent scratches.
- Ensure all parts and hardware are present before starting assembly.
- Do not overtighten screws, as this may damage the material.
- Keep small parts and packaging materials away from children and pets.
- Do not stand or sit on the table.
- Place the table on a level surface to prevent wobbling and instability.
- The maximum weight capacity for the tabletop is 132 lbs (60 kg). Do not exceed this limit.

PACKAGE CONTENTS

Before assembly, please verify that all components listed below are included in your package. If any parts are missing or damaged, please contact customer support.

Part	Description	Quantity
A	Top Panel	1
B	Side Panels (Legs)	2
C	Bottom Shelf	1
D	Corner Protectors	4
E	Screws / Connecting Hardware	Set

Part	Description	Quantity
F	Hex Key (Allen Wrench)	1

ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your end table. It is recommended to have two people for easier assembly.

Step 1: Identify Components and Prepare Top Panel

Unpack all components and identify them using the package contents list. Lay the Top Panel (A) upside down on a soft, clean surface. Attach the four Corner Protectors (D) to the corners of the Top Panel (A) using the provided screws (E) and Hex Key (F).

Image: Detail of the metal corner protector on the table.

Step 2: Attach Side Panels

Align the pre-drilled holes on the top ends of the Side Panels (B) with the corresponding holes on the underside of the Top Panel (A). Secure the Side Panels (B) to the Top Panel (A) using the appropriate screws (E). Do not fully tighten yet.

Step 3: Install Bottom Shelf

Position the Bottom Shelf (C) between the two Side Panels (B), aligning its pre-drilled holes with the corresponding holes on the inner sides of the Side Panels (B). Secure the Bottom Shelf (C) using the remaining screws (E). Ensure the shelf is level.

Step 4: Final Tightening and Placement

Once all parts are assembled, gently place the table upright. Systematically tighten all screws using the Hex Key (F) until secure. Avoid overtightening. Place the table in its desired location, ensuring it is stable and level.

OPERATING INSTRUCTIONS

- **Placement:** Position the end table on a flat, stable surface to prevent tipping.
- **Weight Capacity:** The tabletop can support up to 132 lbs (60 kg). The bottom shelf has a similar capacity. Distribute weight evenly.
- **Intended Use:** This table is designed for indoor use as an end table, side table, nightstand, or accent table.

Multi-purpose Use

Image: Examples of multi-purpose use for the end table.

MAINTENANCE AND CARE

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Clean spills immediately to prevent staining or water damage to the engineered wood.
- **Heat Protection:** Use coasters or placemats under hot items to protect the tabletop.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration.
- **Hardware:** Periodically check and retighten all screws to ensure stability.

TROUBLESHOOTING

- **Wobbling Table:** Ensure the table is on a level surface. Check and tighten all assembly screws.
- **Scratches:** Minor scratches can sometimes be concealed with furniture markers or wood repair kits matching the rustic brown finish.
- **Loose Parts:** If any parts become loose, re-secure them immediately with the appropriate hardware.
