# Garvee 43.3-59.06 Inch Extendable Dining Table User Manual

Model: bGe-knU-zzGUcQki6xcUCk

## INTRODUCTION

Thank you for choosing the Garvee Extendable Dining Table. This manual provides essential information for the safe assembly, operation, maintenance, and care of your new dining table. Please read these instructions carefully before use and retain them for future reference.

## SETUP AND ASSEMBLY

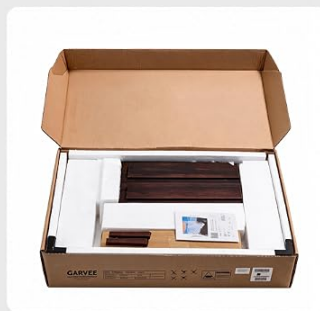

Your Garvee Extendable Dining Table is designed for straightforward assembly. Please follow the included step-by-step instructions for quick and hassle-free setup. All necessary installation tools are provided.

### Assembly Steps

1. Unpack all components and verify against the parts list in your separate assembly guide.
2. Assemble the pedestal base according to the detailed instructions. Ensure all connections are secure.
3. Attach the tabletop halves to the assembled base.
4. Ensure all screws and fasteners are tightened appropriately to guarantee stability. Do not overtighten.

## Dimensions

The table offers versatile sizing options to accommodate different needs:

- **Round Mode:** 43.3"L x 43.3"W x 29.53"H (suitable for 4 people)
- **Extended Oval Mode:** 59.06"L x 43.3"W x 29.53"H (suitable for 6-8 people)

## OPERATING INSTRUCTIONS

### Extending and Retracting the Table

The Garvee dining table features an extendable design, allowing it to transform from a compact round table to a spacious oval table. The extension leaf is conveniently stored beneath the tabletop when not in use.

1. **To Extend:** Release the locks located underneath the tabletop. Gently pull the tabletop halves apart. Retrieve the stored extension leaf and position it in the center. Unfold the leaf fully and slide the tabletop halves back together, securing the locks.
2. **To Retract:** Release the locks. Pull the tabletop halves apart. Remove the extension leaf and store it in its designated compartment underneath the tabletop. Slide the tabletop halves back together and secure the

locks.

Image: A visual guide demonstrating the five steps to easily extend the dining table, from releasing locks to sliding halves together.

# Simple Table Extension

**Step1**

Release the locks

**Step2**

Pull the tabletop halves apart

**Step3**

Remove the extra leaf and position the support bar

**Step4**

Unfold the leaf fully

**Step5**

Slide the halves together and close the locks

Image: A close-up view of the table's extension mechanism, highlighting features like zero-gap board joints, smooth and mute sliding, and a secure locking buckle.

## Integrated Storage Shelf

The table features a 20.08-inch wide lower storage shelf built into its cross-shaped base. This shelf is ideal for keeping dinnerware, placemats, or decorative items organized and within reach, helping to keep your tabletop clutter-free.

## Anti-Slip Pads

No slips, no scratches—keep your floors safe and furniture steady

## MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your dining table.

- **Cleaning:** The durable surface resists everyday wear and is easy to clean. Simply wipe with a damp cloth to remove dust and spills. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Protection:** Use placemats and coasters to protect the tabletop from heat, moisture, and scratches.
- **Stability:** Periodically check and tighten all fasteners to maintain the table's stability.
- **Floor Protection:** An extra base protector pad is included to help prevent floor scratches. Ensure these pads are properly installed and maintained.

## TROUBLESHOOTING

If you encounter any issues with your Garvee dining table, please refer to the following common solutions:

- **Table Wobbles:** Ensure all assembly screws are securely tightened. Check that the table is placed on a level surface. Adjust the floor protector pads if necessary.
- **Extension Mechanism Sticks:** Verify that the locks are fully disengaged before attempting to extend or retract. Clean any debris from the sliding tracks. Apply a small amount of silicone lubricant if movement remains stiff.
- **Leaf Does Not Fit Properly:** Ensure the leaf is oriented correctly and fully unfolded. Check for any obstructions in the leaf's slot or on the tabletop edges.

For issues not covered here, please contact customer support.
