HUAHUU MVD-070301

# HUAHUU Vanity Desk with Mirror and Lights

Model: MVD-070301

## 1. PRODUCT OVERVIEW

The HUAHUU Vanity Desk (Model MVD-070301) is designed to provide a functional and aesthetically pleasing space for personal grooming. It features a mirror with adjustable lighting, multiple storage options, and a built-in charging station. This manual provides instructions for assembly, operation, maintenance, and troubleshooting.

## 2. SETUP AND ASSEMBLY

Assembly of the HUAHUU Vanity Desk requires careful attention to the provided instructions. All necessary hardware is included. It is recommended to assemble the desk in the room where it will be used.

### 2.1 Unpacking

- Carefully remove all components from the packaging.
- Verify that all parts and hardware listed in the assembly guide are present.
- Keep packaging materials until assembly is complete to ensure no small parts are discarded.

### 2.2 Assembly Steps

Refer to the detailed assembly instructions included in your product packaging. Follow each step sequentially to ensure proper construction and stability. It is advisable to have a second person assist with certain steps, especially when

handling larger components or the mirror.

# Product Dimensions

Image 2.1: Diagram illustrating the product dimensions of the HUAHUU Vanity Desk, useful for planning placement and assembly.

## 2.3 Placement

Place the assembled vanity desk on a flat, stable surface. Ensure there is adequate space around the desk for comfortable use and access to drawers and shelves. Avoid placing the desk in direct sunlight or near heat sources to prevent material damage.

## 3. OPERATING INSTRUCTIONS

This section details the operation of the vanity desk's integrated features.

### 3.1 Mirror Lighting

The vanity mirror is equipped with 8 Hollywood-style bulbs offering three color temperatures: Warm, Natural, and Cool. Use the integrated control panel or switch to cycle through these settings to match your makeup application needs.

# Adjustable 3 color Temperature

## 3.2 RGB Drawer Lighting

The vanity features independent RGB accent lights within the drawers, allowing for customizable ambiance. These lights can cycle through various colors and modes. Control is typically managed via a dedicated application on a smart device. Refer to the separate RGB lighting manual for app download and pairing instructions.

# ADJUSTABLE RGB LIGHT STRIPS

## 3.3 Built-in Charging Station

The vanity desk includes a built-in charging station with 2 AC outlets (125V/12A) and 2 USB ports (5V/2A). This allows for convenient charging of electronic devices such as phones, tablets, or powering hair tools directly from the desk.

- Ensure the vanity desk is properly plugged into a wall outlet.
- Connect your devices to the AC outlets or USB ports as needed.
- Do not exceed the maximum power rating of the outlets.

## **3.4 Storage Features**

The vanity desk offers extensive storage solutions:

- **4 Spacious Drawers:** Located on the right side, these drawers provide concealed storage for various items.
- **4 Open Storage Shelves:** Positioned on either side of the mirror, these shelves are ideal for displaying frequently used items or decorative pieces.
- **Tempered Glass Tabletop:** The transparent glass top allows for a clear view of stored items beneath, protecting them from dust while keeping them accessible.

### **Embedded Tempered Glass Tabletop**

Transparent glass provides a clear view of stored items, allowing quick access to your cosmetics

## 4. MAINTENANCE

Proper maintenance ensures the longevity and appearance of your vanity desk.

### 4.1 Cleaning Surfaces

- **Wood Surfaces:** Wipe with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the wood finish. Dry immediately with a clean cloth.
- **Glass Surfaces:** Use a glass cleaner and a microfiber cloth for streak-free cleaning.
- **Mirror:** Clean with a soft, lint-free cloth and a non-ammonia glass cleaner.

### 4.2 Electrical Components

- Ensure the vanity is unplugged before cleaning any electrical components.
- Do not spray liquids directly onto the lights, charging station, or wiring.

- Regularly check power cords for any signs of damage.

## 5. TROUBLESHOOTING

This section addresses common issues you might encounter.

### 5.1 Lights Not Working

- **Check Power Connection:** Ensure the vanity desk is securely plugged into a functional wall outlet.
- **Mirror Bulbs:** Verify that all bulbs are properly screwed in. If a bulb is faulty, it may need replacement.
- **RGB Lights:** Confirm that the RGB controller is powered and properly connected. Check the associated app for any error messages or connectivity issues.

### 5.2 Charging Station Not Functioning

- **Verify Power:** Ensure the main power cord for the vanity desk is plugged in.
- **Test with Other Devices:** Try plugging in a different device to confirm if the issue is with the charging station or your device.
- **Check for Overload:** Ensure you are not exceeding the maximum power rating of the outlets. Unplug some devices if necessary.

### 5.3 Drawers or Shelves Malfunctioning

- **Drawers:** Check for any obstructions in the drawer slides. Ensure drawers are properly aligned on their tracks.
- **Shelves:** Verify that shelves are securely seated in their supports.
