Maintenance & Care

To ensure the longevity and appearance of your Garvee patio dining set, follow these simple maintenance guidelines:

- **Cleaning:** Both the table and chairs are easy to clean. Simply wipe surfaces with a damp cloth to remove dust, dirt, or spills. For stubborn stains on Textilene fabric, a mild soap solution can be used, followed by rinsing with water and air drying.
- **All-Weather Durability:** The outdoor table is constructed from high-quality iron with a realistic wood-grain finish, offering exceptional resistance to rain, sun, humidity, and UV rays. The frame also features a rust-preventing coating.
- **Storage:** While designed for all-weather use, storing the set in a covered area during extreme weather conditions or off-season can further extend its lifespan. The chairs are designed for easy carrying and storage.
- **Inspection:** Periodically check all bolts and connections to ensure they remain tight. Retighten as necessary to maintain stability.
