OPERATING INSTRUCTIONS

Adjusting Table Modes

Your IRONCK dining table features a versatile drop-leaf design, allowing for three adjustable modes to suit various needs and spaces:

- **Full Round Table:** Both drop leaves are extended upwards, creating a 36-inch round table suitable for 2-4 diners.
- **Half-Moon Table:** One drop leaf is folded down, creating a half-moon shape ideal for light meals or as a compact surface against a wall.
- **Slim Console Table:** Both drop leaves are folded down, resulting in a narrow footprint that functions as a wall console or for easy storage in compact spaces.

To adjust the table, gently lift or lower the drop leaves. Ensure the supporting legs are properly extended and locked into place when converting to the full round or half-moon configurations.
