## Boytond S30i

# Boytond S30i Ultra Open Ear Earbuds User Manual

Model: S30i

## 1. INTRODUCTION

---

Thank you for choosing the Boytond S30i Ultra Open Ear Earbuds. These earbuds are designed to provide a comfortable, secure, and high-quality audio experience while maintaining environmental awareness. Featuring a lightweight, clip-on design and Bluetooth 5.3 connectivity, they are suitable for various activities including sports, commuting, and daily use.

## 2. PACKAGE CONTENTS

---

Please verify that all items are present in your package:

- Boytond S30i Ultra Open Ear Earbuds (Left and Right)
- Charging Case
- USB-C Charging Cable
- User Manual

## 3. PRODUCT OVERVIEW

---

Familiarize yourself with the components of your Boytond S30i earbuds and charging case.

## 4. SETUP

### 4.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. The charging case provides extended battery life for your earbuds.

1. Place the earbuds into the charging case, ensuring they are correctly seated.
2. Connect the USB-C charging cable to the charging port on the case and a power source.
3. The LED display on the charging case will indicate the battery level. A full charge provides up to 10 hours of earbud playback and up to 50 hours total with the case.

## 4.2 Wearing the Earbuds

The S30i earbuds feature an open-ear, clip-on design for comfort and stability.

1. Gently open the clip of an earbud.
2. Position the earbud over your ear, allowing the clip to rest securely around your earlobe. The speaker should sit just outside your ear canal.
3. Adjust for a comfortable and stable fit. The lightweight design (approx. 5g per earbud) ensures minimal pressure.

## 4.3 Pairing with a Device

The S30i earbuds use Bluetooth 5.3 for a stable wireless connection.

1. Ensure the earbuds are charged and removed from the charging case. They will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), go to Bluetooth settings and turn Bluetooth on.
3. Search for available devices and select "Boytond S30i" (or similar name) from the list.
4. Once connected, you will hear an audio prompt, and the earbuds will be ready for use.

## 5. OPERATING INSTRUCTIONS

### 5.1 Touch Controls

The Boytond S30i earbuds feature intuitive touch controls on each earbud. The functions are as follows:

| Action               | Function                                  |
|----------------------|-------------------------------------------|
| Tap either earbud x1 | Answer Call / Hang Up Call / Play / Pause |
| Tap either earbud x2 | Next Song                                 |
| Tap either earbud x3 | Previous Song                             |

Image: Visual guide to the touch controls on the Boytond S30i earbuds, detailing single, double, and triple tap functions for calls and music playback.

## 5.2 Audio Performance

The S30i earbuds are equipped with 16.3mm dynamic drivers for clear stereo sound.

- **Dynamic Drivers:** Experience powerful and balanced audio.
- **Deep Bass:** Enjoy rich, immersive low frequencies.
- **Crystal-Clear Treble:** Hear crisp highs and detailed notes.

## 6. MAINTENANCE

### 6.1 Cleaning

Regular cleaning helps maintain optimal performance and hygiene.

- Wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive materials or harsh chemicals.

### 6.2 Water Resistance

The Boytond S30i earbuds are **water repellent**. This means they are designed to withstand splashes, sweat, and light rain, making them suitable for workouts and outdoor activities. They are not designed for submersion in water.

# Move Freely, Stay Secure Your Workout Companion

Fits Perfectly, Moves with You—No Slips, No Distractions  
Perfect for Running, Yoga, or Strength Training  
Designed for Active Lifestyles, Built for Comfort

## 6.3 Storage

Store the earbuds in their charging case when not in use to protect them and keep them charged.

## 7. TROUBLESHOOTING

If you encounter issues with your Boytond S30i earbuds, refer to the following common solutions:

| Problem                        | Possible Cause                                                      | Solution                                                                                                                                                          |
|--------------------------------|---------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Earbuds not pairing/connecting | Bluetooth off on device, earbuds not in pairing mode, interference. | Ensure Bluetooth is on. Place earbuds in case, then remove to re-enter pairing mode. Move closer to your device. Forget device in Bluetooth settings and re-pair. |
| No sound or low volume         | Volume too low, earbuds not properly worn, device not connected.    | Increase volume on both earbuds and device. Adjust earbuds for proper fit. Confirm successful Bluetooth connection.                                               |
| Earbuds not charging           | Poor contact, dirty charging pins, faulty cable/power source.       | Ensure earbuds are correctly seated in the case. Clean charging pins with a dry cotton swab. Try a different USB-C cable or power adapter.                        |
| Discomfort during wear         | Improper adjustment, prolonged use.                                 | Adjust the clip-on position for a more comfortable fit. Take breaks during extended listening sessions.                                                           |
