Halitaa Large Cat Litter Enclosure with Litter Collector Instruction Manual

INTRODUCTION

Thank you for choosing the Halitaa Large Cat Litter Enclosure with Litter Collector. This product is designed to provide a private and comfortable space for your cat while effectively managing litter and odors. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure optimal use of your new cat furniture.

PRODUCT FEATURES

The Halitaa Large Cat Litter Enclosure offers several key features for both pet and owner convenience:

- **Privacy Protection & Odor Control:** The enclosed dual-door design conceals the litter box, reduces unwanted odors, and prevents litter scattering. Magnetic latches ensure doors remain securely closed.
- **Built-in Litter Collector Drawer:** A hollow filter tray at the cabinet entrance catches over 95% of loose litter carried out by cats, minimizing tracking. The slide-out drawer simplifies litter disposal.
- **3-Level Adjustable Removable Storage Shelf:** A flexible divider offers three adjustable heights and supports up to 15 lbs, ideal for organizing cat snacks, cleaning tools, and other pet supplies.
- **Waterproof & Durable Stable Build:** The surface is waterproof, preventing urine seepage and facilitating easy cleaning. Curved edges enhance safety, and ventilation holes promote airflow for a dry, comfortable environment.
- **Spacious Design:** This large hidden litter cabinet accommodates most automatic self-cleaning litter boxes. Please measure your space and litter box dimensions before purchase.

1

Quiet Door

Silent door operation won't scare cats.

2

Storage Area

Stores cat food and all pet supplies.

3

Adjustable Shelf

Flexible shelf for all your pet goods.

4

Litter Collector Drawer

Cat litter falls inside to keep floors clean.

ASSEMBLY INSTRUCTIONS

Assembly of the Halitaa Large Cat Litter Enclosure is designed to be straightforward. All necessary parts are labeled, and clear instructions are included in the packaging. Please follow the step-by-step guide provided with your product for detailed assembly.

1. Unpack all components and verify against the parts list to ensure everything is present.
2. Identify and separate the main panels (sides, top, bottom, back).
3. Attach the side panels to the base using the provided hardware.
4. Install the internal divider and adjustable shelf according to your preferred height.
5. Secure the back panel.
6. Attach the doors and ensure the magnetic latches function correctly.

7. Insert the litter collector drawer into its designated slot.
8. Place the unit in your desired location.

For any difficulties during assembly, refer to the detailed instruction manual included in your product packaging or contact customer support.

OPERATING INSTRUCTIONS

Using the Litter Collector Drawer

The integrated litter collector drawer is designed to minimize litter tracking. After your cat exits the enclosure, any loose litter on their paws will fall through the hollow filter tray into the drawer below. To empty the drawer, simply slide it out, dispose of the collected litter, and slide it back into place.

Figure 2: Detail of the slide-out litter collector drawer, designed to capture tracked litter.

Adjusting the Storage Shelf

The internal storage shelf can be adjusted to three different heights to accommodate various pet supplies. To adjust, remove the shelf, reposition the support pegs to the desired height, and reinsert the shelf.

Maintaining Privacy and Airflow

The enclosed design provides a private space for your cat. Ensure the doors are closed after your cat uses the litter box to contain odors and maintain a tidy appearance. Ventilation holes on the back panel promote air circulation, contributing to a fresh environment inside the enclosure.

Figure 3: The partially enclosed design provides privacy and features ventilation for improved airflow.

MAINTENANCE

Cleaning the Enclosure

The Halitaa Cat Litter Enclosure features a waterproof surface, making it easy to clean. Regularly wipe down all surfaces with a damp cloth and mild detergent. Avoid abrasive cleaners that could damage the finish. For spills, clean immediately.

to prevent staining.

Emptying the Litter Collector

Empty the litter collector drawer as needed, typically daily or every few days, depending on usage. This prevents accumulation and maintains hygiene.

TROUBLESHOOTING

- **Odor Issues:** Ensure doors are fully closed and magnetic latches are engaged. Regularly clean the enclosure and empty the litter collector. Consider using a high-quality litter and maintaining proper ventilation in the room.
- **Litter Tracking:** Verify the litter collector drawer is properly installed. Ensure your cat is using the designated entrance.
- **Door Alignment:** If doors do not close smoothly, check hinges and adjust as necessary. Ensure the enclosure is on a level surface.
- **Missing Parts/Damage:** If you encounter missing parts or damage upon arrival, please contact customer support immediately.
