TOKSOM 63811

TOKSOM 60-inch Black Makeup Vanity Desk with Mirror and Lights

Model: 63811

INTRODUCTION

Thank you for purchasing the TOKSOM 60-inch Black Makeup Vanity Desk. This manual provides essential information for the safe assembly, operation, and maintenance of your new vanity desk. Please read these instructions carefully before use and retain them for future reference.

SETUP AND ASSEMBLY

The TOKSOM vanity desk requires assembly. All necessary parts and accessories are clearly marked. Detailed step-by-step assembly instructions are included in the packaging. It is recommended to follow these instructions precisely, arranging each part according to its number to ensure quick and correct assembly.

- Unpack all components and verify against the parts list provided in the assembly guide.
- Ensure you have all required tools as specified in the assembly guide.
- Assemble the vanity desk on a soft, clean surface to prevent scratches.
- Tighten all screws and fasteners securely, but do not overtighten.

OPERATING INSTRUCTIONS

Mirror Lighting System

The vanity mirror features integrated LED bulbs with three adjustable color modes and brightness levels. To operate the lighting system:

1. **Power On/Off:** Touch the designated switch on the mirror surface to turn the lights on or off.
2. **Change Color Mode:** Briefly touch the switch to cycle through the three color modes: Warm Light, Daylight, and Cool Light.
3. **Adjust Brightness:** Press and hold the switch to continuously adjust the brightness level. Release when the desired brightness is achieved.

Integrated Power Strip

The vanity desk is equipped with a power strip on the tabletop for convenient charging and powering of electronic devices. The charging station includes:

- 2 AC Outlets (125V/2A)
- 1 USB Port (5V/2A)
- 1 Type-C Port (5V/2A)

Connect your devices directly to these ports for power. The power cord for the vanity desk is 5 feet long.

MAINTENANCE

Proper care and maintenance will extend the life and appearance of your vanity desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood.
- **Mirror Care:** Use a glass cleaner specifically designed for mirrors and a lint-free cloth to clean the mirror surface. Avoid spraying cleaner directly onto the LED bulbs or electrical components.
- **Drawer Rails:** Periodically check drawer rails for smooth operation. If a drawer becomes stiff, a small amount of silicone lubricant can be applied to the rails.

TROUBLESHOOTING

If you encounter issues with your vanity desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Mirror lights do not turn on.	Power cord not connected; loose wiring; faulty switch.	Ensure power cord is securely plugged into a working outlet. Check all connections. If problem persists, contact customer support.
Lights are dim or flickering.	Brightness setting too low; unstable power supply.	Adjust brightness using the touch switch. Ensure the power outlet is stable.

Problem	Possible Cause	Solution
Drawers are stiff or difficult to open/close.	Misalignment; debris in rails; overtightened screws.	Check for obstructions. Ensure assembly screws are not overtightened. Apply silicone lubricant to drawer rails if needed.
Power strip outlets/USB ports not working.	Vanity not powered; device not compatible; internal fault.	Verify the vanity is plugged in and receiving power. Test with another device. If still not working, contact customer support.

If you experience any issues not listed here or if the suggested solutions do not resolve the problem, please contact TOKSOM customer service for assistance.
