PASAMIC AC-C01-DJTYY

PASAMIC Adirondack Rocking Chairs (Model AC-C01-DJTYY) Instruction Manual

Brand: PASAMIC

1. Introduction

Thank you for choosing the PASAMIC Adirondack Rocking Chairs. This manual provides essential information for the safe assembly, operation, maintenance, and care of your new chairs. Please read all instructions carefully before use and retain this manual for future reference.

Safety Information

- Ensure all parts are present and undamaged before assembly. Do not proceed with assembly if any parts are missing or damaged.
- Keep children and pets away from the assembly area. Small parts can be a choking hazard.
- Do not exceed the maximum weight capacity of 330 LBS (150 kg) per chair.
- Always place the chair on a flat, stable surface.
- Periodically check all bolts and connections to ensure they remain tight.
- Use the chair only for its intended purpose as outdoor seating.

2. Package Contents

Verify that all components listed below are included in your package:

- 2 x PASAMIC Adirondack Rocking Chairs
- 1 x Screw Kit (containing all necessary fasteners)
- 1 x Instruction Manual (this document)

Image: Overview of chair components for assembly.

3. Setup and Assembly

Assembly of your PASAMIC Adirondack Rocking Chairs is designed to be straightforward. Follow the steps below and refer to the assembly video for visual guidance.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify all parts and hardware using the provided parts list.
3. Follow the step-by-step instructions in the included assembly guide (if separate from this manual) or refer to the video

below.

4. Ensure all screws and bolts are securely tightened, but do not overtighten to avoid damaging the material.
5. Once assembled, gently test the chair for stability before full use.

4. Operating Instructions

Your Adirondack rocking chair offers versatile functionality to enhance your outdoor relaxation.

4-in-1 Multifunctional Design

The chair can be configured in four different modes to suit your preference:

- **Rocking Mode:** Enjoy a gentle swaying motion for relaxation.
- **Fixed Mode:** Remove the rocking base for stable, stationary seating.
- **Rocking with Ottoman:** Extend the retractable ottoman while in rocking mode for full-body relaxation.
- **Fixed with Ottoman:** Extend the retractable ottoman while in fixed mode for comfortable lounging.

Retractable Ottoman (Leg Rest)

To extend the ottoman, gently pull it outwards from beneath the seat using the integrated handlebars. To retract, push it back until it is fully stored under the seat.

Integrated Cup Holders and Phone Slot

Each armrest features dual cup holders: one 3.2-inch holder for tumblers or cans, and one 1-inch holder suitable for wine glasses. A built-in phone slot is also provided to keep your device conveniently accessible.

Ergonomic Design for Comfort

The chairs are designed with a thick back support, an ideal 103-degree relax angle, and a contoured seat to provide lasting comfort and natural rest.

Image: Details of the chair's ergonomic features, including back support, recline angle, and seat contour.

5. Maintenance

The PASAMIC Adirondack Rocking Chairs are constructed from durable High-Density Polyethylene (HDPE), designed for minimal maintenance.

Cleaning Instructions

- To clean, simply wipe the chair surfaces with a damp cloth.

- For more stubborn dirt, a mild soap solution can be used, followed by rinsing with water and drying with a clean cloth.
- Avoid using harsh chemicals or abrasive cleaners, as these may damage the HDPE material.

Material Durability

HDPE material is resistant to fading, cracking, rotting, and harsh weather conditions, ensuring your chairs remain in excellent condition with proper care.

6. Storage

The PASAMIC Adirondack Rocking Chairs are designed to be foldable for convenient storage, especially in compact spaces.

Folding Instructions

- To fold the chair, first ensure the rocking base is detached (if applicable).
- Follow the folding mechanism by gently collapsing the chair. Refer to the visual guide below.
- Once folded, the chair can be stored flat or upright in a garage, shed, or other storage area.

7. Troubleshooting

If you encounter any issues with your Adirondack rocking chairs, please refer to the following common solutions:

- **Instability:** Ensure all bolts and screws are fully tightened. Check that the chair is placed on a level surface.
- **Ottoman not staying in place:** Verify that the retractable ottoman's pins and tracks are correctly aligned and secured during assembly. If the issue persists, inspect for any obstructions or damage to the mechanism.
- **Difficulty folding:** Ensure the rocking base is detached before attempting to fold the chair. Check for any obstructions in

the folding mechanism.

8. Specifications

Feature	Detail
Brand	PASAMIC
Model Number	AC-C01-DJTYY
Material	High Density Polyethylene (HDPE)
Color	Alpine White
Product Dimensions (Rocking)	32.3"D x 27.5"W x 34.7"H
Folded Dimensions	47.2"L x 28.4"W x 9.8"H
