HUAHUU ESV210Z_V1.0

HUAHUU Vanity Desk with Mirror and Lights Instruction Manual

Model: ESV210Z_V1.0

INTRODUCTION

Thank you for choosing the HUAHUU Vanity Desk with Mirror and Lights. This manual provides essential information for the assembly, operation, maintenance, and troubleshooting of your new vanity desk. Please read these instructions carefully before beginning assembly or use to ensure safe and proper functionality.

SETUP AND ASSEMBLY

The HUAHUU Vanity Desk requires assembly. All necessary hardware and clear instructions are included in the packaging. While assembly is designed to be straightforward, it may take several hours. We recommend setting aside ample time and following the steps precisely.

Package Contents:

- Vanity Desk components
- Mirror with integrated lights
- 4 Drawers
- Tempered glass top
- RGB drawer lighting kit
- Charging station unit
- Assembly hardware (screws, dowels, etc.)
- Instruction manual

Assembly Steps:

1. Unpack all components and verify against the parts list in the included manual.
2. Identify and separate all hardware.
3. Follow the step-by-step diagrams and instructions provided in the separate assembly guide.

4. Ensure all connections are secure before proceeding to the next step.
5. Install the mirror and connect its lighting system.
6. Place the tempered glass top carefully.
7. Install the RGB drawer lighting and connect the charging station according to the electrical connection instructions.

Note: For optimal stability and safety, it is recommended to assemble the vanity desk on a flat, clean surface. Two people may be required for certain assembly steps, especially when handling the mirror and glass top.

OPERATING INSTRUCTIONS

Mirror Lighting (3-Color Temperature):

The vanity mirror is equipped with 8 Hollywood-style bulbs offering three color temperature settings to suit various makeup needs:

- **Warm White:** Ideal for evening makeup or a soft, ambient glow.

- **Natural White:** Best for everyday makeup, mimicking natural daylight.
- **Cool White:** Suitable for detailed makeup application or a bright, crisp look.

Use the integrated 4-button controller to cycle through the color temperatures and adjust brightness levels (0% to 100%).

RGB Drawer Lighting:

The transparent glass top drawers feature independent RGB accent lights. These lights can cycle through unlimited colors, allowing you to customize the ambiance of your vanity area. Control of the RGB lighting is typically managed via a dedicated application on your smartphone or a separate controller (refer to the specific RGB lighting manual included in your package for detailed instructions on APP control, speed mode, music mode, mic mode, and timing functions).

ADJUSTABLE RGB LIGHT STRIPS

— Create the Perfect Ambiance for Every Look —

Built-in Charging Station:

The vanity desk includes a built-in charging station for convenience. It features:

- 2 AC Outlets (125V/12A)
- 2 USB Ports (5V/2A)

Plug in your phone, tablet, hair dryer, curling iron, or other electronic devices directly into the charging station while getting ready. Ensure devices are compatible with the provided voltage and amperage.

Storage Features:

- **Transparent Glass Top:** The tempered glass tabletop allows you to display and easily access frequently used cosmetics and accessories while protecting them from dust.
- **4 Spacious Drawers:** Provides ample storage for makeup, skincare, jewelry, and hair tools.
- **4 Open Storage Shelves:** Located on either side of the mirror for quick access to daily essentials.

Embedded Tempered Glass Tabletop

Transparent glass provides a clear view of stored items, allowing quick access to your cosmetics

MAINTENANCE

Cleaning:

- **Wood Surfaces:** Wipe with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish. Dry immediately with a clean cloth.
- **Glass Top and Mirror:** Use a glass cleaner and a microfiber cloth to prevent streaks. Do not spray cleaner directly onto the glass; apply it to the cloth first.

- **Electrical Components:** Ensure the vanity is unplugged before cleaning near the charging station or light bulbs. Wipe with a dry cloth only.

General Care:

- Avoid placing hot items directly on the wood or glass surfaces. Use coasters or protective pads.
- Do not overload drawers or shelves to prevent damage.
- Periodically check all screws and fasteners to ensure they remain tight. Retighten as needed.
- Keep the vanity desk away from direct sunlight and excessive moisture to prevent warping or discoloration.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Mirror lights not turning on	Power cable not connected; Bulb(s) loose or faulty; Power outlet issue.	Ensure the vanity is properly plugged into a working power outlet. Check all light bulb connections. If a bulb is faulty, replace it with a compatible one.
RGB drawer lights not working	RGB strip not connected; Controller issue; App not paired.	Verify all RGB strip connections. Check the RGB controller for power. Ensure your smartphone app is correctly paired with the RGB lighting system.
Charging station (AC/USB) not working	Vanity not plugged in; Device not compatible; Outlet overload.	Confirm the vanity is plugged into a live outlet. Check if the device you are trying to charge is compatible with the output specifications (125V/12A for AC, 5V/2A for USB). Avoid overloading the outlets.
Drawers are difficult to open/close	Misalignment; Obstruction in tracks; Overloaded drawer.	Check if the drawer slides are properly aligned and free of debris. Ensure the drawer is not overloaded. Refer to the assembly manual for drawer slide adjustment.
