VIAGDO Bunk Bed with Desk

VIAGDO Twin Over Twin Kids Bunk Bed with L Desk & LED Lights Instruction Manual

Model: Bunk Bed with Desk

Introduction

Thank you for choosing the VIAGDO Twin Over Twin Kids Bunk Bed with L Desk & LED Lights. This bunk bed is designed to maximize space and provide a functional sleeping and study area for children and teens. It features an L-shaped desk, integrated LED lighting, a multi-port charging station, ample storage with bookshelves and drawers, and robust safety features.

Please read this manual thoroughly before assembly and use to ensure safe operation and proper maintenance of your new bunk bed.

Safety Information

Your safety is paramount. Adhere to all safety warnings and instructions provided. Failure to do so may result in serious injury.

- **Maximum Weight Capacity:** The maximum weight recommendation for this bunk bed is 400 pounds. Do not exceed this limit.
- **Guardrails:** The upper bunk is equipped with extra-high, full-enclosed guardrails with smooth rounded corners. Ensure these are properly installed and maintained to prevent falls.
- **Anti-Tipping Devices:** Anti-tipping brackets are included. It is crucial to fix the bed to the wall using these devices for enhanced stability and safety.
- **Ladder Safety:** The ladder features non-slip pads for safer use. Always use the ladder when accessing or exiting the upper bunk.
- **Mattress Height:** The recommended mattress height for the upper bunk is 4 to 6 inches to ensure the guardrails remain effective.
- **Children's Use:** Bunk beds are not recommended for children under 6 years of age on the upper bunk.

- **Assembly:** Ensure all components are securely fastened before use. Regularly check and tighten all bolts and connections.

Setup and Assembly

Assembly of the VIAGDO Twin Over Twin Bunk Bed requires careful attention to detail. It is recommended to have two adults for assembly.

Included Components:

- Drawer components
- Installation Manual
- LED Strip Light
- Necessary Tools
- All bed frame components (metal tubing, slats, etc.)
- L-shaped desk components
- Bookshelf components

Assembly Steps:

1. **Unpack and Verify:** Carefully unpack all boxes. All accessories and parts are clearly marked with numbers. Refer to the included installation manual to verify all components are present and undamaged.
2. **Frame Assembly:** Follow the step-by-step illustrated instructions in the installation manual to assemble the main metal bed frame. Ensure all bolts are tightened securely.
3. **L-Desk and Storage Assembly:** Assemble the L-shaped desk, drawers, and open shelves according to the manual. Integrate these into the main frame as instructed.
4. **Bookshelf Installation:** Install the 3-grid open bookshelf under the upper bunk.
5. **LED Light Installation:** Attach the LED strip light as per the instructions provided with the light kit.
6. **Safety Devices:** Install the anti-tipping brackets and secure the bed to the wall. Attach non-slip ladder pads.
7. **Final Check:** Before use, double-check all connections, bolts, and safety features to ensure they are properly installed and tightened.

Operating Instructions

LED Lights Operation:

The integrated RGB LED strips offer customizable lighting options.

- **Control Methods:** The LED lights can be controlled via a dedicated remote control or a smartphone application.
- **Color Options:** Choose from over 60,000 colors to match your preference or mood.
- **Brightness Adjustment:** Adjust the brightness level to create the desired ambiance.
- **Dynamic Light Effects:** Explore various dynamic light effects and modes.
- **Music Rhythm Sync:** The lights can synchronize with music beats, enhancing the environment.
- **Timing Function:** Set timers for the lights to turn on or off automatically.

Charging Station Usage:

The L-shaped desk includes a built-in charging hub for convenience.

- **Power Outlets:** Features 2 AC power outlets (125V/12A) for standard electronics.
- **USB Ports:** Includes 1 USB port (5V/2A) for charging compatible devices.
- **Type-C Port:** Equipped with 1 Type-C fast charging port (5V/3A) for modern devices.
- **Simultaneous Charging:** Supports simultaneous charging of multiple devices such as mobile phones, tablets, desk lamps, and laptops.

Maintenance

Proper maintenance ensures the longevity and safety of your bunk bed.

- **Cleaning:** Wipe the bed frame and desk surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Regular Inspections:** Periodically check all bolts, screws, and connections to ensure they are tight. Re-tighten if necessary.
- **LED Lights:** If LED lights malfunction, refer to the specific instructions provided with the LED kit or contact customer service.
- **Charging Station:** Ensure the charging station ports are free from dust and debris. Do not overload the outlets.

Troubleshooting

This section addresses common issues you might encounter.

Issue: Bed feels wobbly or unstable.

Solution: Check all assembly bolts and screws. Tighten any loose connections. Ensure the anti-tipping brackets are securely installed and fixed to the wall.

Issue: LED lights are not working.

Solution: Verify the power connection to the LED strip. Check the remote control batteries or ensure the smartphone app is correctly paired and functioning. Refer to the LED light kit's specific instructions.

Issue: Charging station ports are not providing power.

Solution: Ensure the bunk bed is properly plugged into a functional wall outlet. Check for any tripped circuit breakers. Avoid overloading the charging station with too many high-power devices simultaneously.

Issue: Drawers are difficult to open or close.

Solution: Check if the drawers are correctly aligned on their tracks. Ensure no items are obstructing the drawer's

movement. Verify that the drawer components were assembled correctly.

If you encounter issues not listed here or require further assistance, please contact customer service.

Specifications
