## 2. SAFETY INFORMATION

---

Please observe the following safety precautions during assembly and use:

- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Assemble the unit on a soft, clean surface to prevent scratches or damage.
- Ensure all screws and fasteners are securely tightened before using the vanity desk. Periodically check and re-tighten as needed.
- Do not overload drawers or shelves. Distribute weight evenly.
- Avoid placing hot items directly on the surface. Use coasters or protective pads.
- If the unit includes an anti-tip kit, it is highly recommended to install it to prevent accidental tipping, especially in households with children.
- Disconnect the power cord from the charging station before cleaning or if any electrical issues arise.

## 7. TROUBLESHOOTING

---

If you encounter any issues, refer to the following common troubleshooting steps:

- **LED Mirror Not Lighting Up:**

- Check if the vanity desk is properly plugged into a working power outlet.
- Ensure the power switch (if any) is in the 'On' position.
- Tap the touch control button firmly.

- **Charging Station Not Working:**

- Verify the main power cord is securely connected.
- Test the outlet with another device to confirm it is functional.
- Ensure your device's charging cable is not faulty.

• **Drawers Sticking or Not Closing Smoothly:**

- Check for any obstructions inside the drawer or along the slides.
- Ensure the drawer slides are properly aligned and free of debris.
- Verify that the vanity desk is placed on a level surface.

• **Loose Connections:**

- Periodically check and re-tighten all screws and fasteners to maintain stability.

If these steps do not resolve the issue, please contact T4TREAM customer support for further assistance.
