- **Dual-Sided Lighting:** Wider and brighter glow with light from both the fabric front and rear light ring.
- **30 Relaxing Soundscapes:** Includes ocean waves, thunderstorms, white noise, fan sounds, lullabies, and meditation tracks.
- **15 Ambient Night Light Colors:** Customizable lighting for a personalized bedtime sanctuary.
- **Customizable Alarm Modes:** Choose from sunrise light with sound, sound only, or light only.
- **Dedicated Control Panel:** Separate buttons for alarm time, sound, volume, sunrise brightness, and duration for effortless setup.
- **Bluetooth Audio Connectivity:** Stream your favorite music or audio from your phone.

Setup Guide

1. Power Connection

The Narelu Rise operates on corded electric power. Connect the provided power adapter to the device and plug it into a

standard wall outlet. The device includes a non-replaceable internal battery that maintains time and alarm settings during power outages, but it requires continuous power for full operation.

2. Initial Time Setting

Upon first power-up, the clock may automatically set the time. If manual adjustment is needed, use the dedicated control panel on the back of the device. Refer to the 'Operating Instructions' section for detailed button functions.

3. Bluetooth Pairing

1. Press the **Bluetooth button** on the device. The display may indicate pairing mode.
2. On your smartphone or other audio device, navigate to Bluetooth settings.
3. Select "Narelu Rise" from the list of available devices to pair.
4. Once paired, you can stream audio through the Narelu Rise speaker.

- The **Display Colors button** allows you to set the time display to 10 different colors.

4. Snooze Function

When the alarm sounds, press the large button on top of the device to activate the snooze function, providing a temporary pause before the alarm resumes.

Maintenance

To ensure the longevity and optimal performance of your Narelu Rise Sunrise Alarm Clock, follow these simple maintenance guidelines:

- **Cleaning:** Gently wipe the device with a soft, dry cloth. Do not use abrasive cleaners, solvents, or harsh chemicals, as these may damage the surface.
- **Placement:** Place the device on a stable, flat surface away from direct sunlight, heat sources, and moisture.
- **Storage:** If storing the device for an extended period, unplug it and keep it in a cool, dry place.

Troubleshooting

Problem	Possible Cause	Solution
Device does not power on.	Power adapter not connected or outlet not functioning.	Ensure the power adapter is securely plugged into both the device and a working wall outlet.
Alarm does not sound/light up.	Alarm not set correctly or turned off.	Verify alarm time, sound, brightness, and duration settings using the dedicated control panel. Ensure the alarm is activated.
Bluetooth connection issues.	Device not in pairing mode or out of range.	Ensure the device is in Bluetooth pairing mode. Move your audio device closer to the Narelu Rise. Try unpairing and re-pairing the devices.
Time display is off or incorrect after power interruption.	Prolonged power outage exceeding internal battery backup.	Manually reset the time using the dedicated control panel. The internal battery typically holds settings for short outages.
