ESD-S1C ROG Strix Arion SSD External Portable Enclosure Case

Product warranty or service will not be extended if: (1) the product is repaired, modified, or altered, unless such repair, modification or alteration is authorized in writing by ASUS; or (2) the serial number of the product is defaced or missing.

Products and corporate names appearing in this manual may or may not be registered trademarks or copyrights of their respective companies, and are used only for identification or explanation and to the owner's benefit, without intent to infringe.

Safety Information

- Use this product in environments with ambient temperatures between 0°C(32°F) and 40°C(104°F).
- Refer to the rating label on your product and ensure your power supply complies with this rating.
- DO NOT place on uneven or unstable work surfaces. Seek to service if the casing has been damaged.
- DO NOT place or drop objects on top and do not shove any foreign objects into the product.
- DO NOT expose to or use near liquids, rain, or moisture. DO NOT use the product during electrical storms.
- DO NOT use damaged cables, accessories, or other peripherals.
- If your product is broken, do not try to fix it by yourself. Contact a qualified service technician or your retailer.
- To prevent electrical shock hazards, disconnect the cable from the electrical outlet before relocating the system.
- Product name: External SSD Enclosure
- Product model: ESD-S1C
- Rating: DC 5V

ASUS Recycling / Takeback Services

ASUS recycling and takeback programs come from our commitment to the highest standards for protecting our environment. We believe in providing solutions for our customers to be able to responsibly recycle our products, batteries, and other components as well as the packaging materials. Please go to **http://csr.asus.com/english/Takeback.htm** for detailed recycling information in different regions.

Vietnam RoHS

ASUS products sold in Vietnam, on or after September 23, 2011, meet the requirements of the Vietnam Circular 30/2011/TT-BCT.

FCC COMPLIANCE INFORMATION
Per FCC Part 2 Section 2.1077

Responsible Party: Asus Computer International
Address: 48720 Kato Rd, Fremont, CA 94538 (510)739-3777/(510)608-4555
Phone/Fax No: hereby declares that the product
Product Name: External SSD Enclosure
Model Number: ESD-S1C
compliance statement:
This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Ver. 180620

Australia Statement Notice

From 1 January 2012 updated warranties apply to all ASUS products, consistent with the Australian Consumer Law. For the latest product warranty details please visit **http://support.asus.com.** Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. If you require assistance please call ASUS Customer Service at 1300 2787 88 or visit us at **http://support.asus.com.**

User Manual: Class B(section 15.105)

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

India RoHS

This product complies with the "India E-Waste (Management) Rules, 2016" and prohibits the use of lead, mercury, hexavalent chromium, polybrominated biphenyls (PBBs), and polybrominated diphenyl ethers (PBDEs) in concentrations exceeding 0.1% by weight in homogenous materials and 0.01% by weight in homogenous materials for cadmium, except for the exemptions listed in Schedule II of the Rule.

EU REACH and Article 33
Complying with the REACH (Registration, Evaluation, Authorisation, and Restriction of Chemicals) regulatory framework, we published the chemical substances in our products at the ASUS REACH website at **http://csr.asus.com/english/REACH.htm.**
Die rechtliche Rahmenbedingungen für REACH (Registration, Evaluation, Authorization, and Restriction of Chemicals) erfüllend, veröffentlichen wir die chemischen Substanzen in unseren Produkten auf unserer ASUS REACH-Webseite unter **http://csr.asus.com/english/REACH.htm**.

EU RoHS
This product complies with the EU RoHS Directive. For more details, see
http://csr.asus.com/english/article.aspx?id=35.

Declaration of Compliance for Product Environmental Regulation
ASUS follows the green design concept to design and manufacture our products and makes sure that each stage of the product life cycle of ASUS product is in line with global environmental regulations. In addition, ASUS discloses the relevant information based on regulation requirements.
Please refer to **http://csr.asus.com/Compliance.htm** for information disclosure based on regulation requirements ASUS is complied with.

Company: Dolfin, Ltd.

Product Overview

Pin hole

USB3.2 GEN2 Type C port

M.2 SSD port

Thumb screw

Specifications Summary

Dimension	124.57mm(L)x47.76mm(W)x10.85mm(H)
Weight	98g
OS Compatibility	Windows 7 or later
	Mac OS X 10.6 or later
Aura System requirement	Windows 10/ 8 64bit
Interface	USB 3.2 GEN 2 Type C (Compatible with USB 3 2 GEN 1/ USB 2.0)
Transferring speed	Up to 10 Gbps
SSD Compatibility	M.2 PCIe(NVMe) SSD only with 2280, 2260, 2242, 2230
Voltage	DC 5V
Working Temperature	0°C(32°F) ~70°C(158°F)

Notes

- The transfer speed may vary depending on your devices and SSDs.
- To take advantage of USB 3.2 Gen 2's high transfer rate, ensure that you have connected your product to your computer's USB 3.2 Gen 2 port.
- For the best power efficiency, ensure that you have connected your product to your computer using the bundled cables.
- For the best heat dissipation effects, please do not remove the attached thermal pad.
- If you want to change the preset lighting mode or synchronize lighting effects with other Aura-enabled devices, install the Aura Sync Utility. The latest version of the Aura Sync Utility is available at **https://www.asus.com/campaign/aura/global/download.html.**
- Ensure that you have backed up all your data before sending your unit in for RMA service. We do not accept liability beyond this limited hardware warranty.
- This Warranty does not cover accessories, which were delivered together with this product, such as R-hook, protective holder, pin ejector, and USB cables.
