- Country of Origin: USA

Product Usage Instructions

1. For the most up-to-date app settings and configurations, visit www.cleverdevices.com/products/celrado/.
2. Press the power button on the Celrado SM for 6 seconds. The device will beep twice at 3 seconds and twice again at 6 seconds. The LED will alternate between blue and red.
3. For devices equipped with NFC:
    1. Navigate to Settings > Connected Devices > Connection Preferences.
    2. Toggle NFC to on.
4. For devices without NFC:
    1. Navigate to Settings > Connected Devices > Pair New Device.
    2. Select BluSkye BT.
5. Once paired, the SM will beep twice, and the LED will blink blue.
6. Launch the Celrado app and tap the username bar 10 times.
    1. Select the Settings button that appears in the upper-right corner.
    2. Save your login credentials.
7. To connect to the app for PTT functionality:
    1. The RSM will automatically connect to the app.
   2. Tap the Speakerphone button on the PTT screen to route audio to the RSM.

BluSkye® Android Quick Start Guide for Celrado

For the most up-to-date app settings and configurations, check www.cleverdevices.com/products/celrado/.

1. Ensure your BluSkye® Speaker Microphone (SM) is powered off. Press the power button for 6 seconds. The SM will beep twice at 3 seconds, and twice again at 6 seconds. The LED will begin to alternate between blue and red.
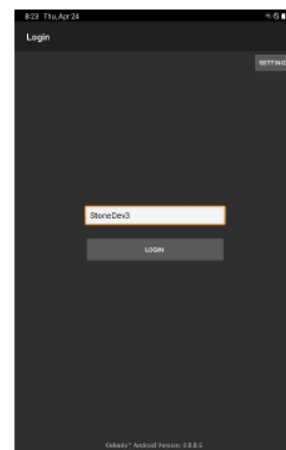

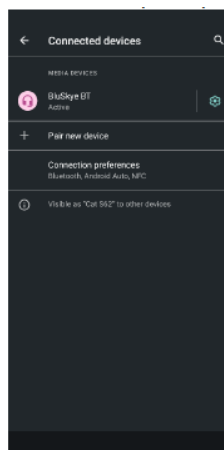

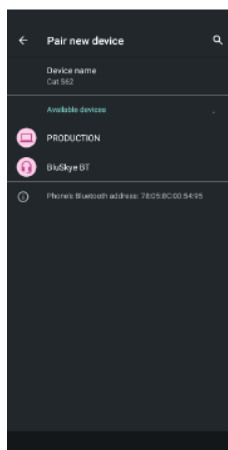

2. For devices equipped with NFC, navigate to Settings > Connected Devices > Connection Preferences and toggle NFC on. For devices without NFC, skip to step 4.

3. Slowly move your BluSkye® across the back of your device until a pairing dialog appears. Follow the prompts and select "Pair" to complete pairing. Skip step 4.

4. For devices without NFC, navigate to Settings > Connected Devices > Pair New Device. Select BluSkye BT.

5. Once paired, the SM will beep twice, and the LED will begin to blink blue.

6. Launch Celrado and tap the username bar 10 times. Select the Settings button that appears in the upper-right corner and save your login credentials.

7. The RSM will automatically connect to the app for PTT. Tap the Speakerphone button on the PTT screen to route audio to the RSM.

Recommended Settings:

- Set Missed Heartbeat Threshold to 3.
- Enable Talkgroup Announcement on device sleep and device active.
