Description

1. Power button
2. Volume down
3. MEMS Microphone Array/ light
4. Mute button
5. Volume up
6. Beam pattern switch button
7. Play/Pause button
8. Function indicator light

Product informations	
Power	DC 180W, 24V/7.5A
USB上行	1*USB-C, MAX 100W, supports PD3.0 fast charging.
USB下行	1*USB-C, MAX 20W, Supports commonly used fast charging such as DCP, QC2.0, QC3.0, FCP, SCP, MTK PE, PD2.0, PD3.0. Supports Apple fast charging.
USB下行	2*USB-C + 4*USB-A, USB 3.1
Storage	1*SD&Micro SD
Display	1*HDMI2.0 + 1*DP1.4
Network	1*RJ45, 1Gbps
Audio	1*3.5mm, headphone & microphone
Keyhole	1*Kensington keyhole
Microphones	8 noise-canceling microphone array
Effective pickup distance	5m
Max background noise suppression	30dB
Full duplex	Support interruption at any time
Echo cancellation	Maximum echo coupling loss ≥ 60 dB
AGC	Intelligent gain within a radius of 5 meters, clear sound pickup

Reverb suppression	RT60<1s
Speaker output power	2 * 4Ω-5W
Bluetooth specification	Bluetooth5.0
Frequency Range	2400-2483.5MHz
Protocol	HFP, A2DP, AVRCP
Signal range	20m (Open space)
Size	174*117*105mm
Net weight	1020g
Button function description	
Power button	Press and hold for 2s to power on/off
Volume-	Short press volume down
Volume+	Short press volume up
Mute button	Short press the microphone mute button/unmute
Play button	Short press play/pause
Beam pattern switch button	Short press to switch between omnidirectional/heart-shaped/figure-8
Bluetooth button	Press and hold for 2s to enter/exit pairing state
Microphone array indicator light	
Microphone array indication	Steady white
Function indicator light/light strip	
Mute microphone	Steady red
Bluetooth pairing	Flashing blue
Bluetooth connected	Steady blue
USB connected	Steady white
No device connected	Steady yellow

Installation

1. Ensure the equipment is placed at least 20cm away from your body.
2. Avoid placing the equipment near other antennas or transmitters.
3. Connect the equipment following the provided manual.

Operation

1. Power on the equipment using the designated switch.
2. Follow the user manual for specific operational instructions.
3. Monitor the equipment during operation for any irregularities.

Maintenance

1. Regularly clean the equipment using a soft, dry cloth.
2. Avoid exposing the equipment to extreme temperatures or moisture.
3. Refer to the manual for any maintenance guidelines specific to the product.

Warning:

- Please read the following safety instructions before using the product.
- Store the device in a cool and dry place; avoid using it in humid environments.

- Do not disassemble this product for self-repair or replace parts on your own; consult official customer support if repairs are needed.
- Purchase and use accessories specified by the manufacturer.
- Clean this device with a dry cloth.
- Dispose of packaging materials, devices, batteries, and other electronic components properly to prevent environmental damage.

EU Conformity Statement

This product complies with the applicable CE marking directives and standards: Electromagnetic Compatibility (EMC) Directive 2014/30/EU. Low Voltage (LVD) Directive 2014/35/EU. Restrictions of Hazardous Substances (RoHS) Directive 2011/65/EU and its amending Directive (EU) 2015/863.

2012/19/EU (WEEE directive)

Products marked with this symbol cannot be disposed of as unsorted municipal waste in the European Union. For proper recycling, return this product to your local supplier upon the purchase of equivalent new equipment, or dispose of it at designated collection points. For more information see: www.recyclethis.info

WARNING

- **High sound Pressure**

To avoid hearing damage, do not listen for long periods at high volume. Do not turn the volume so high that you're unable to hear your surroundings. Do not use the unit while walking, driving or cycling. Doing so may cause traffic accidents. Do not use at a dangerous place unless the surrounding sound can be heard.

DECLARATION OF CONFORMITY

Hereby, we declare that the product is compliance with Radio Equipment Directive (RED) 2014/53/EU. The full text of the EU declaration of conformity is available at the internet address as shown on the packing box. This product can be used across EU member states.

Bluetooth output power: 20mW Max.

FCC Statement

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

1. this device may not cause harmful interference, and
2. this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Radiation Exposure Statement

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 20cm between the radiator & your body. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter. oh the user's disparity operate almond by the party responsible for compliance could

FAQ

Q: What should I do if the equipment is not functioning properly?

A: If you encounter any issues with the equipment's functionality, refer to the troubleshooting section in the user manual. If problems persist, contact customer support for assistance.

Q: Can I modify the equipment in any way?

A: No, any changes or modifications not explicitly approved may void your authority to operate the equipment and could pose safety risks. It is recommended to use the equipment as instructed in the manual.
