How to install

1. Scan the QR code

Using your smartphone camera, scan the QR code. You'll be directed to a step-by-step installation guide.

<https://qrco.de/bclp9z>

2. Download the August App

Once your August Smart Deadbolt Kit is fully installed, download the free August App. Create a new account or log into your existing one.

3. Set up your August Smart Lock

Select SET UP A DEVICE from the sidebar menu. Then pick SET UP A SMART LOCK and SMART LOCK 3RD GENERATION. Follow the in app instructions to complete set up of smart lock features.

 The image shows the cover of the 'august SML Smarter Hosting Bundle' user guide. At the top, it says 'Let's get started' with the August logo. Below this are three circular icons representing different smart home devices. The main title 'august SML Smarter Hosting Bundle' is in a large, bold, blue font. Below the title, it says '[pdf] User Guide' and 'SML, Smarter Hosting Bundle'. The bottom section is titled 'How to install' and contains three numbered steps: 1. Scan the QR code, 2. Download the August App, and 3. Set up your August SmartLock. Each step is accompanied by a small icon or image. The bottom of the page has a small 'Notes' section with some text and a QR code.	<p>august SML Smarter Hosting Bundle [pdf] User Guide</p> <p>SML, Smarter Hosting Bundle</p>
