## Introduction

This wireless presenter is suitable for any presentation or PowerPoint occasion. With it, you don't need to stand beside your computer or have an assistant. It is very simple to use, just plug and play, and no driver is required.

The device enables you to control your presentation wirelessly up to 10 meters (32 feet) away, thanks to the advanced Radio Frequency (RF) technology that works through walls.

It combines the functions of a laser pointer and remote control. It is tailored as a convenient tool for presentations, teaching, meetings, speeches and training etc.

## Operating System

The device supports Windows 98 /ME/ 2000 / 2003 / XP / Vista /7/ 8 /10, Linux and Mac OS

## Parts & Functions

### Front

### Back

Take out the USB receiver

Once the USB receiver is connected to a computer, it would normally detect the signal sent from the presenter automatically, if however it does not due to interference caused by other devices, press Connect to re-establish the connection.

## Battery Installation

- The unit is powered by 1 xAAA battery
- Remove the battery compartment cover
- Insert 1 xAAA battery into the battery holder
- Put the battery compartment cover back in position

Press and slide out the battery cover

### Note:

1. Do not insert battery into the presenter in the wrong direction.
2. Do not leave bad or exhausted battery in the presenter.
3. If you do not use the presenter for a long period of time, remove the battery to avoid possible damage from battery corrosion.
4. If the presenter does not function correctly or if the operating range becomes reduced, try to replace the battery with new one.

## Technical parameters

### Presenter

<b>Technology</b>	Radio Frequency
<b>Frequency</b>	2.4GHz
<b>Control distance</b>	Upto 15m
<b>Laser distance</b>	Upto 300m
<b>Battery</b>	1 x AAA battery
<b>Work voltage</b>	1.5V
<b>Laser wavelength</b>	650nm
<b>Max transmitting power</b>	<1mW
<b>Transmitted power range</b>	0.43-0.95mW
<b>Product size</b>	106 x 39 x26 mm (Lx Wx H)
<b>Weight</b>	29g (without battery)

#### USB receiver

<b>Operating system</b>	Windows 98 /ME/ 2000 / 2003 / XP /Vista/ 7/8/10, Linux and Mac OS
<b>USB version</b>	USB 1.1 compatible with USB 2.0
<b>Work voltage</b>	4.5-5.5V
<b>Size</b>	29 x 16 x 5 mm (L x W x H)
<b>Weight</b>	2g

#### Warning:

Laser radiation  
 Class 2 laser product  
 Do not view directly with optical instruments  
 Do not point at people and animals  
 Please keep out of reach of children
